Bicentennial year end review

As always, Madoc has had a busy year, but overall, there was something very unique about 1984 - it was the celebration of Ontario's bicentennial. The year

was marked by a series of events too numerous to mention, which emphasized the long and constructive heritage of our area.

The year 1985 saw

new business openings and expansions, and that trend continued steadily through 1984 also.

1984 featured many other news bits as well.

The biggest of stories was also one of the most recent. The November announcement that Madoc's four-year-old water tower was in need of \$264,700 of repairs

shocked the community. That major story will be carried on into the new year when council decides what type of repairs should be done and when.

Taxpayers will also be interested in how much cash the village will actually have to lay out for the work.

The next stage of this year end review will be a month-by-month summary of 1984, starting from the beginning...

JANUARY

Ontario's bicentennial was kicked off right in Madoc on January 2, when the Madoc Model School Bell cast in 1878 rang clear and loud from its new home atop the Madoc Public School bell tower.

Hundreds of villagers, students and interested people attended the official ringing ceremony that also signified the silver anniversary of Madoc Public School and the 25th year John Murphy was principal.

On January 18 it was announced that St. Peter's Presbyterian Church has bought back its manse and would prepare it for a minister.

The manse, at 37 Rollins St., Madoc, is the oldest stone home in Madoc. Until its purchase on December 22, 1983, it was owned by Mr. and Mrs. Robert Graham. They purchased it in 1970.

The house was built in 1857 by the Rev. Dr. David Wishart who came from Scotland to minister to the Presbyterian congregation in Madoc and later founded several churches in the area. The house was built to face a frame church which was destroyed by fire in 1875. The following year Dr. Wishart was instrumental in laying the cornerstone for the present St. Peter's Church, built from the McIntosh quarry to match his stone residence.

FEBRUARY

The month of February opened with the people in Cooper announcing their official mascot called the "Cooper Cub". They were preparing for their annual winter carnival.

A feature story written by Anna Kriedemann announced Father Robert Flurey as the new priest at the Sacred Heart of Mary Church in Madoc.

Also that month, The Review announced that for the first time in the history of the Marmora Cup Sled Dog Races, a computer was used to keep track of the con-

testants and their run completion times.

"To our knowledge, it's never been used before in Ontario-or Canada for that matter," said Doug Vineff, chairman of 1984 Marmora Cup.

At 4:45 on February 15, Madoc Fire Department was called to a chimney fire at 123 Durham Street in Madoc. The house owned by Brian Lovegrove, was occupied by Lawrence and Madeleine Goddard. None were injured in the smoke-filled house.

A fire official reported the fire apparently started in the fireplace and spread into the rafters of the roof, causing approximately \$17,000 damage.

At a special meeting February 17, Bicentennial Committee Chairman Brenda Hudson outlined some of the plans already underway and discussed further plans.

In February, Philip Hastings, a grade 13 student at Centre Hastings Secondary School, (CHSS), advanced on to Ontario Federation Secondary School Athletics (OFSSA) cross country ski race.

To qualify for the meet, Philip placed third at the COSSA divisional meet.

MARCH

March was a busy news month. Madoc Village-Council refused to silence Deputy-Reeve Tom Barton who opposed a Moira River Conservation Authority (MRCA) staff demolition. Jim Thompson, an eight year employee of MRCA was demoted from his position as superintendent and given a \$1,560 per year pay cut. Barton felt action should be taken to reinstate the man to his former position.

Frank Kelton, senior planning analyst for Northern and Central Gas Corporation Limited attended the March 6th village council meeting to outline the company's plans to run a pipeline into the core of the village in 1985 if given a franchise license. He said the company has already received a licence from Madoc Township.

When all the money was in, Centre Hastings See Review page 2

Former Hastings East MPP Clark Rollins was asked by Eldorado Cheese to make a

special Christmas draw December 22. Rollins assisted with acquiring funding and amalgama-

tion of four factories to Eldorado in the late 1950s and early 1960s. Winners drawn from the

box were: Tom Burnside, \$100; and Dorothy Jeffrey \$50. Both winners are from Madoc.

Seen from left to right are: Barb Franks, Clark Rollins, Cindy Whyte and Don McKinnon.

Council supports block parent proposal

Madoc village council supported a request from John Hall of Madoc for sanction of a block parent program in Madoc, at the December 19 council meeting.

"I'm not asking for money, I'm just asking

for council's sanction," said Hall at the meeting.

Hall said he has already received support from John Murphy, principal at Madoc Public School and Madoc Ontario Provincial Police Detachment. Commu-

nity Relations Officer Norm Papi was "most co-operative", he said.

Hall said Murphy pledged he will make a room available for a public meeting in the new year. A film,

"Where Can I Run" will be shown, and then interested parents in the community will form a block parent committee.

"Something has happened. I know that people know other peo-

ple that live here, but now people are coming into the village from outside," said Hall.

He said that anything done by the block parent committee must be authorized and sanctioned by the police. Campbellford has a block parent program in effect now, he added.

"The purpose of the block parent program is to protect children by providing several homes where they can go for protection and assistance when they are in danger," said Hall.

Costs for initiating the program are minimal, he said. People interested have to request to become a block parent, and must be screened.

Another thing Hall would like to see, is a method of identifying children. He hopes locals will set up a program of taking finger prints and pictures of children so parents will have something at home in case of emergency.

"They just printed kids at the mall in Belleville," said Hall.

Local man wins \$5,000

Clive Kingston of Tweed got an unexpected bonus this Christmas when his number came out of the drum December 15, during the Wintario Draw. How much did he win? — \$5,000.

"I'm just very delighted to have won \$5,000. I'm usually looking to win a free book," said Kingston, who is a teacher at Centre Hastings Secondary School.

He said that on December 14 he first looked at his ticket to see if he won a free book. He did not see any chance for a free book, so he set the ticket aside for a few minutes. Then he checked it again and saw he had won \$10.

Another look revealed he had won \$5,000.

"I guess everyone should check their tickets more closely," he said.

Kingston purchased the winning ticket at Becker's. While buying his ticket, he teased

manager Tony Willemssen by saying what he's going to do when he wins.

"I'm always speculating about what I'm going to do with the big prize—it's fun to do," said Kingston. "One thing I'm going to do is

take Tony Willemssen and his wife out to dinner."

He said he will pick up the prize money in the new year. Other than the dinner party, Kingston has no plans for the money.

This special evening was in charge of the Women's Auxiliary of the Legion catered.

St. Andrew's Sunday School concert was held in the church here on Sunday evening.

Mesdames Bernice Clarke, Jessie Holmes, Grace O'Rourke and

Goldie Holmes went to Belleville on Monday to see the show in the Mall. "Falling in Love" was shown instead of the modern version of The Christmas Carol.

Some time was spent in Christmas shopping.

Big Brothers and Big Sisters reported they raised \$7,500 during their Bowl For Millions. It was then announced March 21 that Bill Lahey, then manager of Madoc and District Recreation Centre, had decided to quit. He said dampness at the arena caused his arthritis to act up. Lahey was manager at the arena for four years.

On March 21, Daryl Kramp of Madoc was elected president of the Madoc Chamber of Commerce for 1984-85.

Bert Mann, director of Quinte Branch of Operation Dismantle, was appealed to locally March 21 to help with the

organization's Peace Petition Caravan Campaign.

Dan Jones, manager of Bert Jones Pontiac and Doug Pigden, Manager of Pigden Motor Sales both said last March that sales had increased steadily since 1982.

APRIL
Both Madoc Public and Madoc Township schools demonstrated a wide variety of ideas and perspectives in April during their regional science fair.

On April 4, The Review announced that Harold Brintnell of Madoc retired from his position at Rupert's Store, formerly Rupert's

Pharmacy, after working there the last 23 years.

April 8 marked the end of another maple syrup season at Palmateer's Sugar Bush.

In response to local petitions, the Ontario Ministry of Transportation and Communications, April 11, came back with a five-year plan to upgrade Highway 57.

Rudi Wycliffe, head of the Highway 57 study team formed by the ministry said completion of the improvements won't happen overnight.

MAY
May was a very busy month. The May 2 issue carried a story that read: "Madoc Village Reeve Terry Pigden recently announced that the village unknowingly paid a \$14,000 hold back fee to Lightfoot Construction Company twice, and probably won't be able to get it back."

A Peterborough bomb expert was called to Madoc Becker's on St. Lawrence Street May 1.

after; Manager Tony Willemssen discovered what he took to be an explosive planted in the ice cream freezer. The bomb squad removed the explosive and discovered it was a 2 1/2 inch fireworks mortar. It was taken from the scene and exploded.

Madoc Agricultural Society saluted Francis Tobin of Madoc for his long-time service to the society. Mr. Tobin first joined the society 50 years ago, then became a director. He later became president for two years. After that he was appointed secretary and held the position for 26 years. He retired in January, 1984.

On May 16, representatives of Madoc Township Council, MPP Jim Pollock and Hastings County Board of Education Chairman Tom Burnside planted a memorial bicentennial tree in front of Madoc Township School.

JUNE
Harold Govier, former assistant manager of the Madoc and District Recreation Centre was named manager. Madoc was the site of the first gold rush in North America—On June 27 and 28, gold nuggets were again found in a bicentennial re-enactment called "Gold Rush Days."

In June, businesses located on the main street in Tweed were happy that the road construction was nearly finished - ahead of schedule.

The June 27 issue announced that Ron Vaskos of Madoc was looking for nomination to run in the federal election for the Liberal Party. He was pre-

ing to run against Conservative MP Bill Vankoughnet, who was incumbent in the Hastings Frontenac Lennox and Addington riding.

JULY
Madoc village council unanimously voted to call a tri-council meeting (Madoc village, Madoc Township, Huntingdon Township) to "resolve" problems with the Madoc and District Recreation Centre accounting system. Council made their decision at their regular meeting held June 26.

Madoc council gave Moira River Conservation Authority (MRCA) the go-ahead with a study of Deere Creek which may result in a joint venture between the municipality and MRCA for improvements.

MRCA Chairman Ted Wilson and Manager Jim Kelleher attended the June 26 council meeting to discuss possible work on Deere Creek through the MRCA's 1985 budget.

Two local men were convicted of shooting deer off-season at Madoc Provincial Court held June 22.

Madoc Canada Day and Bicentennial Parade held July 2 was a success.

AUGUST

Rev. George Beals was inducted as new minister at St. Peter's Presbyterian Church, Madoc, and moved into the old church manse.

On August 1, The Review announced the first "pick your own" blueberry patch opened for business at R.R.1, Flinton, under the supervision of Henry and Lynn of Cobourg.

Ross Baker of Arden announced July 23 he will run for a seventh time as independent in the Hastings, Frontenac, Lennox and Addington federal election.

The largest group of Madoc boys ever completed their 1984 year with the Quinte Summer Hawks hockey club.

In an effort to make the new Residential Rehabilitation Assistance Program (RRAP) available to Madoc residents through Canada Mortgage and Housing Commission (CMHC), Madoc village council discontinued the Ontario Home Renewal Plan.

At the August 7 council meeting, Clerk Doug Parks explained that the Ontario Home Renewal Plan has run its course in Madoc.

On August 22, the finishing touches were being put on a tale processing plant at the old Marmora Iron Works land that will increase Canada Talc Industries' production from 15,000 tons per year to an estimated 100,000 tons per year. The plant, built by the Madoc mine, cost \$3.8 million and will employ approximately 20 people.

SEPTEMBER

Cosmie Taylor of Madoc was declared Madoc Fair Queen for 1984 at the annual Fair Madoc competition held at Madoc Township School September 6.

At age 84, Canada's oldest runner was vibrant with health September 6 when he arrived in Madoc.

John Henry Crawshaw, or "Harry", started running west on Highway 7 from Perth at about 4 a.m., and arrived in Madoc by 12

noon. Residents in Madoc, Marmora, Deloro and surrounding area were surprised by a sudden power failure on the evening of September 16. The failure was caused when an unknown vehicle bumped into a pole, damaging the wires on the old Deloro-Marmora road.

Madoc Bantam D. team sponsored by Bert Jones Pontiac Buick Ltd. came home Ontario Champions Sept. 20, from Clavering. The local boys beat host team Clavering 2-0 for the championship.

The 1984 Madoc Fair was well attended on the September 21-23 weekend.

OCTOBER

On the first day of this month, the village was lit up with the devastating fire on Durham Street, causing about \$200,000 worth of damage and injuring a Madoc Fireman.

Fireman Larry Carswell was taken to hospital with a badly broken leg after he was knocked to the ground by a shower of bricks from the burning building. No one else was injured in the fire, but four families were left homeless.

That same week, two small fires broke out in the village, but were quickly extinguished by firemen. A man of no fixed address was charged with arson in connection with the smaller fires. The Ontario Fire Marshall later reported the major Durham fire was "accidental".

Also in October, Madoc branch of Toronto Dominion Bank welcomed a new manager. Larry A. Curl succeeded Doug H. Usher, who retired after a 36 1/2 year career.

On October 18, the Peace Petition Caravan rolled through Madoc with its nuclear disarmament petition signed by hundreds of locals. The caravan ended up in See Review page 15

OPP Report

During the week of December 9-15, 1984, officers of Madoc Detachment of the Ontario Provincial Police investigated 50 general occurrences and nine motor vehicle accidents.

During the past week the RIDE program was set up in various locations within the Madoc Detachment area and 258 vehicles were checked. As a result of the spot checks, two persons were charged with impaired driving, one for failing to provide breath samples, two with liquor charges and four 12 hour suspensions were issued.

General Occurrences:

On Monday, December 10, 1984, Marie Merrill of RR 1, Roslin, Ontario, reported a break, enter and theft at her residence. Entry

was gained by forcing open a door on the south side of the residence. Value of property reported stolen was approximately \$1,400 including a 19 inch Sanyo TV, Akai portable radio, a large quantity of jewelry and a number of coins. Const. Longworth is investigating. Anyone that may have information regarding the theft is asked to contact Madoc OPP.

On Tuesday, Dec. 11, 1984, Robert Graham of RR 1, Tweed, reported a break, enter and theft at

his residence. Entry was gained by prying open a door. A quantity of jewelry valued at \$690 was reported stolen. Const. R. Garrow is investigating.

On Tuesday, Dec. 11, 1984, Phillip Cockburn of RR 2, Marlbank, Ontario, reported a break, enter and theft at his residence. Property valued at \$1,227 was reported stolen including a Panasonic VCR, Belcor 14 inch color TV and a quantity of jewelry. Const. R. Garrow is

investigating.

Traffic Accidents:

On Friday, December 14, 1984, at approximately 11:50 p.m. David P. Saulay of Madoc Township was driving his vehicle northbound on the Centre Line Road when he struck a piece of ice and lost control of his vehicle and went into the west ditch and rolled over. Damage was estimated at \$4,000. PC Leaver investigated.

In the Court:

The following cases were heard in Madoc Provincial Court, Criminal Division on Monday, Dec. 10, 1984.

Shawn K. Moreau of Coe Hill, pleaded guilty to taking a motor vehicle without owner consent and was given a conditional discharge and placed on probation for one year.

William D. Pressick of Havelock, Ontario, pled guilty to driving with more than 80 mgs. of alcohol in his blood and fined \$400.

Watch for spot checks

cent of the drivers received 12-hour licence suspensions.

Average levels through the year are 1.6 per cent impaired drivers and 2.5 per cent

12-hour licence suspensions.

In June 1983, the day-to-day provincial police campaign against drinking drivers was changed drastically with

How To Get Organized

You need two enthusiastic leaders to attend a 2-day Leaders' Workshop.

You need a minimum of 6 4-H'ers who are 12-21 as of Jan. 1, 1985 to form a club.

For more information contact Valerie Clark, Rural Organization Specialist, (Home Economics) or Wendy McWilliams, Rural Organization Specialist (Agriculture) at the OMAF office in Stirling, 395-3393 or Picton, 476-3224.

Local government

In 1985, the people of Ontario will elect over 5,000 representatives to serve in more than 800 municipal governments across the province. By comparison, Ontario sends 95 people to the federal House of Commons and 125 to Queen's Park, the provincial legislature.

Local representatives take their places on municipal councils, school boards, and electricity and public utility commissions. They will be involved in local government spending, which in Ontario accounts for more than \$14 billion in total.

Your representatives are directly responsible for overseeing local budgeting, policy-making, and long-term planning. Those functions are reflected in the services you see every day.

Campbellford dumps Havelock 8 - 3

Campbellford did everybody in the TVL a favor on December 19 when they dumped Havelock in their own rink 8-3. After scoring the first goal of the game, Havelock had trouble handling the puck while Campbellford could do no wrong.

Campbellford's R. Tinney and Havelock's Ken King locked horns early in the second period with the result that both were ejected from the game and fined. Those basically were the highpoints of Havelock's night but Campbellford played disciplined, skating hockey to skate away with the win.

Havelock's Jeff Foss opened the scoring at 15:06 of the first period when he tipped the puck in from in front of the net. Ken King and Craig Smith drew assists on the goal.

Campbellford's K.

Sharpe evened the score at 11:03 when he knocked in a rebound

after Chris Quinlan made the initial stop. R. McDonald and B. Mey-

ers drew assists. At the 6:20 mark of the period, Campbellford's S.

Anderson scored a powerplay goal off the faceoff to give his team a

lead which they never relinquished for the remainder of the game.

B. Meyers assisted on the goal. With 2:15 remaining in the period, K. Sharpe scored after Havelock failed to clear the puck out of their end. K. Free and B. Meyers assisted.

The second period was an exact duplicate of the first. Havelock's Troy Payne opened the scoring with some hard work in front of the net assisted by Larry McNeely and Buzz Hamilton. But Campbellford came back to score three straight goals to make the score after two periods 6-2 in favor of Campbellford. At 11:49, Campbellford's B. Meyers did a dry run of his eventual scoring play when he broke in on Chris Quinlan but failed to score. At 11:09, he again had a breakaway and this time scored unassisted. With 1:56 remaining in the period, R. Margott took a pass from F. Toms and scored easily as he was all alone in front of the net. With just :23 seconds left in the period, you guessed it, B. Meyers was back on a breakaway. He got the unassisted goal, proving that practice does make perfect.

Scott Sharp earned the shutout. Stirling was presented with medallions and penants following the game.

Special mention: Congratulations to Mike Moore who scored twice in the father-son game Sat. Dec. 29!!!

The third period had both teams getting off to slow starts but Campbellford's R. McDonald finally pulled his team out of the doldrums by taking the puck away from Havelock in front of their own net and scoring. With 1:50 remaining in the game, McDonald again scored assisted by F. Toms and K. Free.

Havelock's Mike Darrington ended the scoring at the :22 second mark assisted by Larry McNeely.

Cooney Farm Blues on a winning streak

The Stirling Atom team have won 14 consecutive games this season.

After winning the 'A' championships in Stirling and Havelock, they were determined to bring home more hardware from the Omemee tournament on December 28th.

The first game was against Manlyers who appeared to be strong in the opening period. However, they quickly ran out of steam. Stirling dominated the play in the 2nd and 3rd frames. The boys were passing well which resulted in seven goals for Stirling and one for Manlyers.

Scoring for Stirling were: Donohue, Rodgers, Torrance, Manlow, MacRae, Cooney and Ellis. Assists were earned by: Manlow - 3, McMullen - 2, Moore, MacRae, Striker, Torrance, Donohue, Reid, Ellis and Cooney.

The second and most demanding game was against Millbrook. Millbrook took an early lead. At the end of the period Torrance from Manlow and McMullen tied the score. Millbrook pulled ahead mid-way in the game so Torrance and Manlow took control of the puck until Torrance let one rip by the goalie to tie it up again. The puck see-sawed back and forth until Millbrook added a point and held their lead until 5:48 of the final period. A

fantastic setup from Torrance to MacRae was topped off as Manlow scored the tying goal.

Both teams had their chances in the final minutes of play but a sudden death overtime period was necessary. Scott Sharp played the puck well and held off the Millbrook team. At 1:30 Manlow took a hard

slapshot at the net and Torrance deflected it in for Stirling's win. Every member of the team gave 100 per cent and played exceptionally well.

Stirling had one hour to rest before the 'A' championship. With sweat running down the players' faces the team looked rather ex-

hausted. Parents wondered what the outcome would be. The boys sat quietly (an unusual occurrence) in the dressing room but came roaring out with 'Blues, Blues' for their last match. They were fired up and ready to go.

This is a team filled with determination, a team Stirling can be

proud of.

The Cooney Farm Atom Blues bombed St. James in the Omemee tournament 7-0. Scoring was done by McMullen, MacRae, Torrance, Striker, Rodgers, Cooney and Rutan. Assists were credited to Manlow - 2, Rodgers - 2, Donohue - 2, Striker - 2, and Torrance.

Br. 300 - Norwood Minor Hockey Report

Br. 300 Juveniles: On Wednesday, December 12 the Norwood Juveniles were at home to Warsaw. In this contest the locals were a little slow to start as Warsaw took a 3-0 lead in the first period. The locals added two in the second and two in the third with the winner coming at the 2:35 mark, to defeat the opposition 4-3. Scoring were: M. Gourley & C. Start each with singles while K. Heffernan added two. Assists went to: J. Stewart - 1, T. Kebert - 1, C. Dart - 1, and K. Hynes - 3.

J.J. Stewart Novice: On Thursday, December 13 the local Novice team hosted the Hastings Novices. The locals tallied four goals in the first period; two in the second and four in the final to shutout the opposition 10-0. Earning the shutout was goaltender Brian Holt. Scoring were: Ryan Buck scored singles while Warren Barr and Clay-

ton Heffernan each added two and Chris Heffernan managed the remaining four. Assists went to: K. Snetsinger - 1, R. Buck - 2, G. Holt - 1, R. Sedgwick - 3, C. Heffernan - 2, Clayton Heffernan - 2, Warren Barr - 2, B. Begg - 1, and K. VanWill - 2. Please note that although Hastings was shutout they played a very entertaining game with opportunities of their own; their goaltender made many good saves.

Lakeway Atoms: On Thursday, December 17 the Norwood Atoms hosted Ennis. This is the centre that all age groups seem to fear; when you say Ennis more's in town everyone seem to think here comes an annihilation. Well! Our Atoms did go down to Ennis but they played a super game. At the close of the first period the score was tied at two, while the second period ended with a 3-3 tie. The third period saw three goals

by the opposition but the locals had many changes but were unable to capitalize on their opportunities as Ennis more outscored them 6-3. Super game boys! Remember this - 'they can be beaten!' Scoring for the locals were: Rick Murray from Darrell Miles - Mark Stewart from Bobby Wilford and Robbie Walsh; the third by Steven Montgomery, unassisted.

Terjoleen Midgets: On Friday, December 14 the local Midgets played host to the Douro squad. In this contest the locals were on the scoreboard in the first ten seconds and they went on to add three more goals to their lead in the second period, but also allowed the opposition to score two in this period. The third period saw the locals let up and allow Douro to score three unanswered goals to defeat the locals 5-3. Scoring were: Jamie Patterson from K. Hamblin & B. Doherty - Glen Bock

rom K. Grant and T. Ward; the last goal by Greg Chamberland was unassisted.

Lakeway Pee-wees: On Thursday, December 13 the local Pee-wee team was on the road as guests in Hastings. This game began with the locals being the first to light up the scoreboard only to have the host centre come right back and tie the game in the final minutes of the first period. The home team added one more in the second and two in the third, with the locals managing only one in this period to return home defeated by a 4-2 count. Scoring were: Jason Rodgers from Greg Snetsinger then Greg added a single, unassisted.

On Friday, December 14 the local Pee-wee squad hosted Ennis more. This game proved to be in full control by the locals from the start as they soundly defeated the opposition 7-2. Scoring were: C. Snetsinger

E. Walsh and J. Rodgers each with single while D. Stewart added 4. Assists go to: M. Kerber - 2, D. Crowley - 2, D. Stewart - 2. See Norwood page 12

Game #1
Marmora Sweathogs 6,
Riverside Rats 5

In game one, Marmora Sweathogs played strong, positional hockey, scoring three consecutive goals by Don Hunter (Darcy Cook, Bruce Cook), Paul Bicknell (Lornie Gray, Marcus Strassburg) and Bruce Cook (Darcy Cook, Mark Andrews). The lone Riverside goal

was scored by Brian Kane at 1:12, assisted by Ron Johnston and Scott Anderson.

During the second period, one goal was scored by Bruce Cook of the Sweathogs with assists to Ralph Reynolds and Dave McKenzie.

Scoring for Marmora Sweathogs in the third period was Darcy Cook, assisted by Bruce Cook and Paul Bicknell. Riverside made an excellent attempt to even the

score with goals by Ron Johnston at 7:42 (unassisted) and from Bob Myers at 7:05 (unassisted). The Sweathogs came back with a final goal by Ralph Reynolds, assisted by Bruce Cook and Lornie Gray. Riverside scored twice more

with goals from Wally Jackson (Bob Myers, Darrell Anderson) and at 0:42 by Bob Myers (Scott Anderson, Tim Thompson) but Marmora Sweathogs held on for a well-earned win. The MVPs were Bruce Cook (Sweathogs) and Bob Myers (Riverside).

Game 2
Marmora Sweathogs 6 -
Marmora Esso 1

Again, Marmora Sweathogs played strong, disciplined hockey and the results showed up justifiably on the scoreboard. Penalties were at a minimum on both teams.

It wasn't until 9:06 of the second period, that the Sweathogs' Ralph Reynolds got the first goal of the game, unassisted. Marmora Esso responded at 2:55 with an unassisted goal by Mark Fluke.

The third period belonged to the Sweathogs with five unanswered goals: Scoring for the Sweathogs at 13:24 was Bruce Cook, assisted by Dick Derry, followed by Ralph Reynolds at 10:10 assisted by Marcus Strassburg. Mark Andrews scored at 9:06

assisted by Don Hunter and Rob Lavender scored at 6:57 assisted by Bruce Cook and Lorne Gray. Finally, Bruce Cook scored at 3:19 assisted by Paul Bicknell.

The MVPs were Ralph Reynolds (Sweathogs) and Dave Anderson (Esso).

Game 3
Polaris Stars 3 -
Crookston Wolf Pack 2

Crookston opened the scoring at 9:16 on a goal by Tony Douglas, assisted by Brian Levere and Gary Stapley which proved to be the only goal of the first period.

One goal was scored during the second period by Larry Jones of Polaris, assisted by John Maloney and Paul McKenzie.

Polaris had a goal at 11:57 of the third period from Gary Forbes, assisted by Tony Brownson. Crookston's final goal of the game was scored by Brian Levere at 4:57 assisted by Ray Stanfield while Polaris had their final goal at 0:47 from Tony Brownson, assisted by Paul McKenzie.

The MVPs were Eric McInroy (Polaris) and Tony Douglas (Crookston Wolf Pack).

Sunday, Dec. 30
Crookston 7 -
Riverside Rats 4

The MVPs for the game were: Gary Stapley (Crookston) and

Bryce Rowe (Riverside).

Game 2
Crookston Wolf Pack 9 -
Marmora Sweathogs 6
MVPs were: Gary

Stapley (Crookston) and Bruce Cook (Sweathogs).

Game 3
Marmora Esso 6 -

Polaris 0

The MVPs were John Wrightly (Esso) and John Crockery (Polaris).

Football helmets' safety queried

By Hugh Westrup

Football players wearing the "suspension" style of protective helmet risk injuries to the head, says a scientist from the University of Waterloo.

Tests by Dr. Patrick Bishop have shown that one out of five "suspension" helmets cannot meet standards set by the American National Operating Committee on Standards for Athletic Equipment (NOCSEAE).

In a suspension football helmet, the player's head is kept about an inch away from the helmet's hard plastic shell by a suspended, cloth webbing which fits snugly over the top of the head. Another type of helmet, the padded helmet, separates the head from the plastic shell with a layer of foam padding. Some helmets combine suspension and padding.

Sporting goods manufacturers ceased making suspension helmets in the mid-1970s, but many are still in use, especially in high school football teams. Dr. Bishop tested helmets that had been in use for an

average of eight years. His study shows that suspension helmets do not stand up to repeated use as well as the other two styles of football helmet.

Dr. Bishop tested all three types of helmet. The padded and padded-suspension helmets met NOCSAE safety standards 98 per cent of the time. Suspension helmets met NOCSAE standards only 81 per cent of the time.

A failure to conform to NOCSAE guidelines indicates that the helmet will not prevent the wearer from suffering a concussion (or worse) in the event of a blow to the head.

The problem with suspension helmets is that the cloth webbing begins to stretch, which reduces the protective distance between the head and the plastic shell," says Dr. Bishop. (Padded helmets may also become unsafe when the padding breaks down, or become

reduced in thickness from excessive use.)

Dr. Bishop suggests that coaches of teams that cannot replace their suspension helmets use only the newest helmets, or the least-used ones. "Or they can install padding and turn it into a padded-suspension helmet," he adds.

He advises against repairing helmets with glue or paste, which can corrode and weaken the helmet's plastic shell.

Dr. Bishop conducted his tests on a "drop rack". In this apparatus, the helmet is placed on a headpiece, which is dropped from a height of 1.5 metres onto a metal anvil. Instruments attached to the headpiece measure its rate of acceleration as it falls. A safe helmet, according to the NOCSAE, should significantly decrease the rate of acceleration of the headpiece when the helmet hits the anvil.

Jehovah's Witnesses hold convention

By Carl Smith

The Nanapanee District Secondary School was the center of attention for about 75 persons of the Madoc-Marmora area over the past weekend. This was the occasion of the circuit convention of Jehovah's Witnesses.

The speaker, Mr. Lawrence Grey, spoke on the subject, "War at Arm-

ageddon - is it near? What will it mean?" Mr. Gray said the Witnesses' understanding is quite different from the general view.

A total of 789 persons were on hand to hear Mr. Gray speak.

According to the latest report there are 80,900 active witnesses in Canada. They have experienced a 10.7 per cent increase over the past year.

Ontario Coat-Of-Arms carving unveiled

A white pine carving of Ontario's coat of arms was unveiled at Queen's Park recently by Natural Resources Minister Alan Pope and Margaret Birch, Parliamentary Assistant to the Premier and Chairman of the Cabinet Committee on the Bicentennial.

The carving - a bicentennial gift to the province - is the culmination of five months of weekend effort by 42 members of the Ontario Woodcarvers' Association.

It is significant that this coat-of-arms was carved from white pine - designated this year as Ontario's arboreal emblem. Mr. Pope said, "White pine played a major role in the early development of this province, and has always been a favored medium for artists."

The 42 woodcarvers, many of them amateurs, worked on the carving in groups of three or four

Your New Year's diet

At the beginning of each New Year, who doesn't come up with a New Year's resolution that they promise to keep?

This year, stick to good eating habits - it's one resolution you'll want to keep, says Monica Beaumont, a foods and nutrition specialist with the Ontario

Ministry of Agriculture and Food's rural organizations and services branch.

Eat a variety of foods, in moderation, and reduce the amount of fats, sugar and salt in your diet; many medical experts have linked a variety of diseases to the high consumption of fats, sugars, and salt. Eat a variety of foods

so that you are less likely to develop deficiencies or have an excess of any nutrient.

Gheek Canada's Food Guide to be sure you are eating a well-balanced diet; select foods each day from the following food groups: milk and milk products, fruits and vegetables, bread and cereal, and meat, poultry,

fish, dried peas and beans.

Select lean cuts of meat such as fish and poultry.

Limit your intake of butter, cream, hydrogenated margarine, shortening, and coconut oil and also foods made with these fats.

Trim off visible fat before cooking and limit your intake of organ meats.

Broil, bake or microwave foods rather than frying them.

Select low fat of skim milk and milk products.

Reduce the use of all types of sugars. This

includes white, brown, raw sugar, honey and syrups.

Select fresh fruits or fruits canned in water or fruit juices.

Use less salt at the table and in cooking.

Reduce your intake of salty foods such as condiments, pickled foods, fried foods, fast foods, popcorn, pretzels and potato chips.

Read food labels carefully to determine the amount of fat, sugar and salts in the product. Remember these items (fat, sugar and salt) come in many different forms.

Garden Festival '85

When it comes to the blah month of February, most people prefer to think spring.

The ideal place to do your thinking - and planning - for summer-time activities is Garden Festival '85 at Exhibition Place in Toronto.

The five-day show which incorporates the Flower and Garden Show with the Pool and Spa Show runs from Wednesday, February 20 to Sunday, February 24.

The Flower and Garden Show will fill the Automotive Building with thousands of fresh blooms, gardening ideas and professional assistance for those planning to expand or improve their backyards.

The Pool and Spa Show will feature the latest in swimming pools, spas, saunas, hot tubs, accessories and outdoor patio furniture in the Queen Elizabeth Building.

Both shows are available for the price of one: adults - \$4; children 10 and under free; students (11-18) - \$2; and senior

citizens - \$5.

"Last year was the first time we split the show into separate segments in two buildings," said Bernice Loveridge of Southex Exhibitions, the people who organize and manage the show. "With complimentary shuttle buses linking the two buildings, the idea seemed to work out well."

"People who are interested in pools, accessories or outdoor furniture know exactly where to go, while consumers who are looking for general ideas on backyard improvement can visit both shows."

Splitting the show into two spacious buildings also allowed visitors and exhibitors more room. Garden Festival '84 attracted record attendance, yet visitors and exhibitors were not

cramped.

The Flower and Garden Show will feature 12 stunningly beautiful landscaped gardens, urban gardens for apartments and condominiums, patio furniture, playground equipment, flower-arranging competitions sponsored by the Ontario Horticultural Association, Florida rooms, a Dutch flower and plant auction and special displays from the Royal Botanical Gardens and the Civic Garden Centre.

Visitors to either show can buy products, often at special reduced show prices, and can visit a horticultural marketplace to purchase anything from bulbs to fertilizer and house plants.

The Pool and Spa Show will be highlighted by swimming and safety demonstrations. Everything from saunas, spas, cabanas to pool heaters, outdoor patio furniture, fencing and patio surfaces will be on display.

Experts will be available to discuss the installation and use of pools, saunas, spas and hot tubs and suggest methods of improving home interiors and backyard recreational areas.

The Flower and Garden Show is sponsored by Landscape Ontario, Horticultural Trades Association. The Pool and Spa section is sponsored by CANSPA/Ontario Swimming Pool Association, Toronto Chapter.

MEMORIALS

KENNEDY In memory of a very good friend, Reg Kennedy, who passed away Dec. 18, 1978. As time unfolds another year. Memories keep you ever near. Silent thoughts of times together. Hold memories that last forever. Sadly missed by Pat, Shirley & the "Happy Gang" Patterson family. -11

McCLINTOCK Harper - In loving memory of a dear brother & uncle who passed away Dec. 27, '81. No one knows the silent heartache. Only those who have loved can feel. The grief we bear in silence. For the one we loved so well. Lovingly remembered by sister Blanche, Clayton & family. -11

NORMAN - In loving memory of our Grandson Doug, who passed away January 1st 1984. January comes with sad regret. The month, the date, we will never forget. You left us quietly, your thoughts unknown. But left us a memory, We are proud to him. So please treasure him God "in your garden of rest". For when on earth, you were one of the best. Forever in our thoughts, Sadly missed by Grama & Grampa Norman. -11

NORMAN - In loving memory of a dear son Douglas, who passed away Jan. 1, 1984. This month comes with deep regret. It brings back the day we cannot forget. And while your sleep a peaceful sleep, Your memory we shall always keep. We think of you in silence, And often speak your name. But all that is left to answer, Are your pictures in a frame. The parting was so sudden, And we had to wonder why. And the hardest part of all, Was we never said good-bye. If tears could make a staircase, And heart aches, a lane. We would walk the path to heaven. And bring you back again. Sadly missed by Mom & Dad Andrew & Norma Norman. -11

Computers

Computers and Children, a new \$4 million Ontario government program ensuring that the children of this province will have equal and adequate access to computers and related information technologies, was launched recently by the Honourable Susan Fish, Minister of Citizenship and Culture and the Honourable Larry Grossman, Treasurer. The first 15 of an eventual 230 community computer centres were opened by Ms. Fish and Mr. Grossman at Toronto's Centre Neighbourhood House. Connected with Toronto by an audio teleconference, the centres participating in the ceremonies were: London, West Bay (Manitoulin Island), Cornwall Island, Sudbury, Chatham, Peterborough, and two in Chapleau. Six other centres in Metropolitan Toronto were opened immediately following the launch.

Approximately 4,000 microcomputers will be placed in communities across the province, under the new program funded by BILD (Board of Industrial Leadership and Development) and administered through the Ministry of Citizenship and Culture. Existing, non-profit community organizations such as libraries, museums, art galleries, and Native, multicultural and service groups will house the computer centres. The primary objective is to provide computers and computer learning to children, regardless of their ethnic or socio-economic background, to ensure that no child is deprived of future employment prospects because of a lack of computer knowledge. Mr. Grossman said.

On December 17, the Stirling Atom team shut out Brighton 7-0. During the first period, Stirling scored an impressive five goals.

Ashley from MacRae and Donohoe began the points. Danny Striker assisted by Brock Ellis put in a lovely goal.

Torrance from Manlow and McMullen made

their play work. McMullen from Manlow and Torrance capitalized again. MacRae from Ashley and Donohoe scored the fifth point. Rodgers from Cooney and Reid were credited in the second period.

Final period was put in by Ashley with helpers going to Donohoe and Reid.

WANT TO APPEAL YOUR ASSESSMENT?

You still have time to appeal your 1984 assessment if you feel your home or business property has been improperly assessed.

Your assessment is important because the amount of property tax you pay depends on it, in that the assessed value of your property is multiplied by your municipal and school mill rate to determine your 1985 property taxes.

Notices of Assessment have been mailed to property owners and tenants whose assessments have changed since last year. Open houses have been held in your area to answer questions and amend assessment information if necessary. Open house dates and locations were announced in a previous advertisement.

The Assessment Roll has now been delivered to your municipality for the purposes of calculating the amount of taxes you must pay on your property in 1985. For information on your assessment, the Assessment Roll is now available for review at your Municipal Office during regular business hours. If you feel your property has been improperly assessed, and you have not yet made your appeal known, you still have until January 8, 1985 to deliver or mail an appeal to the Assessment Review Board. **And remember, even if you did not receive a Notice of Assessment, you still have the right to appeal.**

Appeal deadline—January 8, 1985

The Assessment Review Board is an impartial body reporting to the Attorney General of Ontario, which provides you with an additional opportunity to have your assessment reviewed if, in your opinion, it is not fair and equitable with similar properties in your area. The Review Board is more informal and relaxed than a regular court of law. You may present your own case, retain a lawyer or ask a relative or friend to speak as your agent.

To help you in filing your appeal, Notice of Appeal forms are available from the Assessment Review Board, your Regional Assessment Office or your Municipal Office. As well, you can use the reverse side of a Notice of Assessment or write a letter stating the property address and roll number, together with your reasons for appealing. Appeals should be forwarded to the Regional Registrar of the Assessment Review Board listed below.

Historical Society plans public meeting

A few weeks ago the residents of Marmora witnessed the relocation of the Marmora Station building from its site on the railway, where it stood for about 100 years, to a new site in the village park. It is hoped to restore it to its original condition and appearance and maintain it as another evidence of Marmora's historic past. This relocation has been accomplished by the Marmora Historical Foundation with the financial assistance and the co-operation of the councils of the Village and the Township.

The acquisition of the railway station has roused the interest of many people in the community and the present membership in the Foundation would like to give all those interested an opportunity to participate.

To this end a public meeting will be held in the Community Centre on 11th January 1985 to which everyone is invited.

Mr. Donald M. Wilson, author of the recently published book "Lost Horizons" will be guest speaker. He has done a great deal of research on the local railways.

It is hoped that all those interested in the activities of the Marmora Historical Foundation will attend this

meeting. If those who are interested in the foundation but cannot attend this meeting would so advise Stella Bennett or Andre Philpot it would be much appreciated.

The Marmora Historical Foundation had its beginning in 1978 when the Rev. Don Rutherford and Andrew Philpot prepared and submitted an application for a work project entitled "Marmora Historic Museum". The project employed three workers for three months gathering historical records, photographs and information of all kinds.

This project clearly demonstrated that a great deal of history occurred in and around Marmora and as much as possible of this information should be gathered and preserved before it is gone forever. Also at about this time Arthur Dunn of Ottawa appeared on the scene. Mr. Dunn has a particular interest in the technology of the Marmora Ironworks which was established in 1820.

In 1979 a few more individuals joined Mr. Rutherford and Mr. Philpot and formed and incorporated the Marmora Historical Foundation. In that year approval was obtained for a second project "Marmora Dig 1979" by which three students

under the direction of Arthur Dunn uncovered some of the existing remains of the Marmora Ironworks.

In 1981 the Foundation obtained approval of a third project "Reconstructing our Past" in which three students under the guidance of instructor Peter Hebner, prepared paintings portraying some of the structures as one would have seen them in the period 1820-25. These paintings have been and still are on view in various locations in the Village.

In 1982 the Foundation, this time with the financial support and assistance of the Ontario Heritage Foundation sponsored "Marmora Ironworks Archaeological Project Site Mapping". The project under the guidance of archaeologist Rita Michael accomplished a very accurate mapping of the site of the ironworks locating the various buildings, workshops, etc.

This past summer Trent University conducted an archaeological training school on the site which carried on further exploration of the site. It is expected that this school will be continued each summer.

Four years ago the Marmora Historical Foundation was offered an antique steam engine

on condition that it could be preserved. The Lions Club came to the rescue and they built a shelter in the village park and moved the steam engine into it.

With the generous help and co-operation of the local councils, the Lions Club, Federal and Provincial governments

much has been accomplished by the Marmora Historical Foundation in a few years. There is, of course, unlimited scope for this sort of enterprise.

Appreciation night

Doug Tipper retired as Agricultural Representative of Hastings County on November 30, 1984 after more than 20 years of service in that position.

An Appreciation Night has been arranged as follows: at Knights of Columbus Hall, Trenton on Friday evening, January 11, 1985. A social hour from 6:30 p.m. to 7:30 p.m., followed by a meal and program.

Correction

A picture and outline of children announced as winners of a Legion contest in the Christmas issue said the youngsters were winners of a Christmas contest. In fact, the children won the Legion contest about the meaning of Remembrance Day. There were three categories: posters, poems and essays.

Youth Education Coordinator Jean Bully of Madoc said the posters were done "beautifully".

The public school students received cash prizes. Youngsters who won first in the Madoc contest go on to compete at the district level, then on to the provincial finals.

1984 review

Continued from page 2
Ottawa where signatures from across the country were presented.
NOVEMBER

On November 2, Canada Talc workers in the Madoc mine went on strike when contract negotiations broke down. But by November 14, the workers went back with the new contract in effect.

Madoc Library Board voted November 13, to rescind its June 12 motion setting a user fee for residents of Elzevir Township. The user fee was put on hold by the board on September 11, following heated objection from both Madoc village council and Elzevir Township council.

Also in November, the Centre Hastings Secondary School Senior Football Centurions won the Bay of Quinte championship against the Centennial Chargers 21-9. It was the first time ever for the school.

Another news event for the month was mentioned at the beginning of this review...the

new Madoc water tower, reported Totten Sims Hubicki Associates, in need of \$264,700 worth of repairs and renovations.

It was announced that the \$299,000 reconstruction of the main dam at Lingham Lake and four nearby saddle dams was finished November 8.

A life-long resident, and a man recognized for his community work in Madoc over the years, died at Belleville General Hospital November 16. Samuel William Danford, 80 of 326 Durham Street, suffered a lengthy illness.

DECEMBER
And in this month, Christmas became history for another year.

It was announced that the Moira River Conservation Authority formed a restructuring committee to look into possible changes to the present executive system. Madoc Deputy Reeve Tom Barton was upset that he was not appointed to the committee after he initiated proposals for change of the internal committee structure.

In December, Madoc's council decided to go ahead with more testing of the water tower before making a decision on what type of repairs to carry out.

A fund-raising banquet and auction for Ducks Unlimited held at Catholic Church Hall

November 28, raised thousands of dollars.

On December 12, The Review announced that the five area municipalities were still looking for a new landfill site.

The Ontario Municipal Board told Marmora Council that it was charging Fabeth Nursing Home too much for water and sewer.

Santa Claus was shot in the neck December 1 during the Santa Parade held in Marmora.

The hard-working, fast-skating MTM Hurricane Randy Gray was named top player in the Junior C League December 13, when he received the Molson's Award.

Second Class Mail Registration No. 1016 35'

OMAF announces 1985 appointments

Bill Broadworth, Thunder Bay agricultural representative for the Ministry of Agriculture and Food, became business advisor for the central region as of January 1.

Broadworth, formerly of Madoc, is a graduate of the University of Guelph in agronomy. He has worked as an assistant, associate and county agricultural representative for the ministry since 1963.

Douglas Farrell, a pork producer from RR 2, Roslin, will replace

Sid Fraleigh of Forest as a member of the Agricultural Research Institute of Ontario.

After four years on the board, Fraleigh stepped down from his position following his election to the House of Commons.

An OMAF publication stated: "Membership on the 15-member Agricultural Research Institute of Ontario reflects various sectors of the agricultural industry. As a full-time pork producer, Farrell will

ensure that the concerns and interests of the pork industry continue to be expressed on the board.

"The Agricultural Research Institute of Ontario is responsible for reviewing research programs at the ministry's colleges of agricultural technology, horticultural, agricultural and research stations. The institute makes recommendations to the Minister to ensure that the programs meet the needs of Ontario agriculture."

Spencer elected Loyalist chairman

Dianne Spencer of the Tweed area was elected this year's chairman of the Loyalist College Board of Governors at a meeting December 13, 1984.

Spencer served as vice-chairman of the board in 1984, chaired the Building and Finance Committee in 1983 and was chairman

of the board's Multi-Year Plan Committee in 1982. The woman is a graduate of the University of Toronto with an honors B.A. in English. A former journalist and editor, Mrs. Spencer is still active as a freelance writer.

The board's vice-chairman for 1985 is

C.F. Doreleyers of Napanee.

Doreleyers served as chairman of the Building and Finance Committee in 1984. He was first appointed to the College Board of Governors in January of 1983. A graduate of Queen's University, Doreleyers practices law in Napanee.

Eldorado Cheesemaker Robert Boyle poses with a block of cheese last

week. Boyle is standing in the new addition built on the plant to increase

its storage space. Boyle has been cheesemaker at Eldorado for the past five years.

Cheese factory expands

In order to keep up with the increasing retail demands and the need for more storage space, Eldorado Cheese is undergoing expansion and renovation.

Eldorado Cheese President Don McKinnon predicts the 2,400 square foot addition to the factory's west side and renovations to its present cheese storage facilities will have cost over \$60,000 when completed.

The new addition will primarily be used for dry storage, along with loading and unloading commercial trucks and cheese vans.

"It will make it more livable in here," says McKinnon.

The major reason for the expansion, says McKinnon, is a projected increase in retail sales in 1985. Since the company began selling cheese to retail outlets in 1978, the demand has increased steadily. By 1984, Eldorado Cheese vans were serving over 200 stores, which represents about 65 per cent of cheese being produced at the factory. And McKinnon says this year retail sales will demand 75 per cent of the plant's production.

At the present time, Eldorado Cheese has approximately \$1 million worth of packaged cheese stored at a Milk Marketing Board warehouse in Belleville. McKinnon says that if a rumored closure of the Belleville facility takes place, then Eldorado Cheese may "have to expand the cold storage even further."

We've heard rumors for over two years about it closing," McKinnon says. "I don't think it's a good idea, really."

All grading of local cheese is done at the Milk Marketing Board in Belleville. McKinnon is unsure of where the grading would be done if the warehousing operation is discontinued.

Cooper cross-country ski clinic set

There will be an all-day cross-country ski clinic at Cooper Community Centre on January 19, starting at 9:30 a.m.

Organizer John Hastings says the clinic will cater to both beginners and more advanced skiers of all ages. It will include both indoor and outdoor instruction by a qualified coach from the National Capital Division of the Canadian Ski

Association.

The instructor will also make use of video and films and will include advice on waxing equipment and on further skiing opportunities for both tourists and racers across the province," says Hastings.

There will be a hot mid-day lunch provided to participants.

The afternoon will be spent on the 5 and 10 kilometer trails putting

into practice the new skills skiers have learned.

"This is an excellent day of fun and learning for the entire family, but everyone attending should be able to ski at least 5 kilometers," Hastings adds.

Following the afternoon of skiing, there will be a chance for participants to learn about the "Jack Rabbit Program" for younger skiers.

The day will end with refreshments.

Cost for the day including a hot lunch is \$6 for adults and \$3 for children.

The clinic was organized by the Cooper Winter Carnival Committee and the Central Ontario 'CC'. For further information, you may call John Hastings at 473-4847 or Les Tarrant at 473-2504.

The Ministry of Consumer and Commercial Relations has closed down an American-based mail scam operation out of Toronto and warned consumers to disregard a questionnaire distributed by the operation.

An investigation by the ministry's business practices division revealed that an unregistered company calling itself Federal Testing Authority had, during the past few weeks, distributed through the mail a 10-question survey to 50,000 households in seven Ontario cities.

For completing and returning the survey, along with a cheque for \$16.80 "to cover postage and handling", questionnaire recipients were promised a gift, claimed to be worth between \$260 and \$2,000.

Consumer minister Dr. Robert Elgie says anyone who received the Federal Testing Authority questionnaire should discard it.

"Consumers should be very cautious when asked in any way to send money through the mail. If there are doubts about the legitimacy of a mail

solicitation, this ministry or the Better Business Bureau should be contacted immediately," Dr. Elgie warned.

On December 13, the ministry issued a cease and desist order against Federal Testing Authority of Miami Beach, Florida, and its Canadian representative, Leo Popkin, also of Miami Beach.

During a December 12 interview with ministry investigators in Toronto, Mr. Popkin voluntarily

signed a letter authorizing the Ministry of Consumer and Commercial Relations to take possession of all correspondence directed to Federal Testing at its Adelaide St. W. Toronto address.

At that time, 176 letters from questionnaire respondents were seized. All mailed responses to the Federal Testing Authority questionnaire will be returned to sender by the ministry.

Poker run to be held

The Wanderers Recreational Club, Stoco, is sponsoring a poker run on January 12, to start at 11:30 a.m. at Stoco Hotel.

Club President Kevin Bartholomew said the poker run will run with or without snow. They will welcome ATC riders instead of snowmobile riders if there is

insufficient snow on the ground.

"Last year we tried the same event, but we bombed out because of bad weather," said Bartholomew.

He anticipates about 20 ATC riders, "if we're lucky", if the snow conditions do not improve before January 12.

Monday night, January
7, 1985. A very big
"thank you" to Santa

for helping us when he
is so busy.
The draw for "Alice"
the Cabbage Patch Doll,
with her wardrobe and
feeding set, was held
following Santa's depart-
ure, and was won by

Mrs. Leona Cook,
Mado.
A very special thank
you to Mrs. Brenda
Hagerman, for creating
the wardrobe and to
Fran London of "London
Station", and Rosanne
Chapman of "Today's
Girl", for displaying our
prize and selling our
tickets; also to Cathy
Bancroft for our feeding
set.

A thank you to all the
parents who helped in
the sale of our tickets.
Happy New Year!

Loyalist resource centre for women busy

The women's resource centre of Loyalist College presents "Food for Thought" sessions every Wednesday from 12 to 1 p.m. in room 219PC on the mezzanine floor of the resource centre. There will be free coffee for you to enjoy, so why not pack a lunch and enjoy it with us?

Following are the topics that will be covered in these noon hour sessions:

January 2 - The Life and Times of Rosie the Riveter. With humour, insight, sadness and anger, five Rosie's describe their work histories before, during and after World War II.

January 9 - Nana, Mom and Me. Documentary about three generations of women: heroic drive and persistence in an environment that offers little encour-

agement.

January 16 - Men under Siege? A crisp and engaging portrait of people struggling to define new roles for men and women (told in their own words).

January 23 - If You Love This Planet. Academy Award winning presentation of the devastating consequences of nuclear war, along with an impassioned plea for survival.

January 30 - This Film is About Rape. A painful subject presented in a compassionate manner, which explodes some of the myths associated with this crime.

February 6 - Not a Love Story: A Film About Pornography. One of the most controversial, widely discussed N.F.B. productions, this film chronicles the attempts of two women to find out what pornography is, how it functions and how it affects relations between men and women.

February 13 - On a Par, Not a Pedestal. Affirmative action: an example of the American experience, with a particular focus on its impact on women.

February 20 - The Pinks and the Blues. Documents the subtle way in which we still stereotype boys and girls from the moment they are wrapped in pink or blue blankets.

February 27 - Our Dear Sisters. Single parenthood in 'Native society, where a mutual support system operates to make the separation between work and motherhood unnecessary. A reservation

where motherhood is something "sacred".

March 6 - When the Honeymoon is Over. Family violence: the experience of four women from different backgrounds.

March 13 - A Man's Place. Five men, who feel they have cast off the fetters of traditional male role, describe their lifestyles.

March 20 - Mothers are People. A widow with two school-age children expresses the day care dilemma: "I had to lie... say I'd never let my children, come between me and my job... You have to be well off to have children in Canada."

March 27 - The Power Pinch - Sexual Harassment in the Workplace. An entertaining presentation of everything you need to know on the subject. Narrated by actor Ken Howard.

April 3 - Chris and Bernie: A Film about Single Parents. Two mothers, divorced and working, rotate housework, babysitting and jobs to give each other a mutual opportunity to pursue their respective careers.

April 10 - Killing Us Softly: Images of Women in Advertising. A humorous and spirited presentation on how ads are used to sell not only products - but values, goals and self-images: old and new stereotypes of women.

April 17 - The Sexes: Roles. Stereotypes exact a damaging toll. This documentary trac-

es the development of confining role models and discusses some of the changes that are occurring, not only for women, but for men as well.

April 24 - The Tender Tale of Cinderella Pen-

guin and A Token Gesture. A hilarious retelling of the well-known fairy tale featuring a cast of thousands - all penguins. - and - An animated film gently poking fun at all the stereotypes applied to the sexes.

Stirling Legion Peewees on the move

Win "B"
Stirling Legion Pee-wee Blues came up some exciting hockey over the holidays and won the "B" Championship in the annual Port Hope Pee-wee Tournament.

The boys played four games in two days winning three of them over some stiff competition to capture the Century 21 sponsored trophy.

Blues 2 - Oshawa

Scott's 1

A goaltenders' dual was the feature of the first contest with Stirling's Rodney Torrance and Bruin's Kevin LeBlanc winning the game MVP awards.

Drew Allenby

counted the Blues' first marker from linemates Adam Kostien and Jason Vanslyke. Bill Pickering's rocket was the winner late in the third period, helpers going to Tony Brett and Damon Osborne.

Peterborough 2 Blues 1

In the second game, the Blues hit a tough positional team and couldn't penetrate the Petes' blue line until the 3rd period. Drew Allenby counted the Blues' marker, assists going to Jason Vanslyke and Scott Blackburn.

Blues 5 Colborne 3

The Blues came up with an overall team effort to upset Colborne (Colborne defeated Blues 7-3 in an exhibition game). The Blues built up a 3-goal lead by the late second period.

Bill Pickering had two goals, one from his own blue line with a man short, Jason Vanslyke, Adam Kostien and Drew Allenby, one each. Helpers went to Drew Allenby (3), Bill Pickering (2), Adam Kostien (2) and Jason Vanslyke.

Blues 2 Bewdley 1

Bewdley's ace Rob

Dunford scored early in the first on a hard-slapper to the top corner, but goaltender Rodney Torrance locked the door, giving his teammates a chance to come back. Not even a goal play by Dunford when he charged Torrance in the crease late in the game could put Bewdley on the scoreboard again.

The injured goalie finished the game but will be out for two weeks with torn shoulder muscles.

Two goals early in the third won it for the Blues. Jason Walsley netted the first with Drew Allenby drawing the assist. Jason Vanslyke scored the winner after some tough corner work by Jason Walsley.

Rodney Torrance and Jason Walsley were MVP winners for the championship game. The boys all received medallions for their

victory.

Blues 2 Brighton 2

In Trent Valley League action, the Stirling Pee-wee Blues fought to a tough 2-2 tie with the hard-skating Brighton crew on Saturday night.

With ace puckstopper Rodney Torrance on the shelf with an injured shoulder, the Blues called on the services of Cooney Farms' Scott Sharpe, up from Atoms, to play goal.

The Blues all put forth a fantastic effort to shut down the Brighton snipers and protect Scott. The Stirling shooters had 3 goal posts in the contest which would have given them a well-earned victory.

Scoring for the Blues were Chris Maybee and Jason Vanslyke with Scott Blackburn. Jeff Sharpe, Tony Brett and Drew Allenby drawing helpers. Scott Sharpe played well in net.

The Stirling Pee-wees' goaltender Rodney Torrance held off the

attackers in play over the holidays and took home the B Champion-

ship honors in tournament play in Cobourg.

Wiggins scores winning goal

The Pee-wee Bs carried their record to 12-2-1 with a 3-1 victory over Bancroft on Sat., Dec. 29.

Bancroft scored first on a goal by Bryce Robinson from Tim Jenkins. Five minutes later Gordon Preston scored from Robbie Treverton to tie the game. Dale Sagee and Sean O'Rourke set up Jeff Wiggins with what proved to be the winning goal at 7:50 of the second. Late in the

period Pat Graham scored the insurance marker from Wesley Cromwell and Pat Mahoney.

In Tweed, on the 27th, Mador skated away with an easy 15-0 victory. Pat Graham scored four and added an assist. Wesley Cromwell had two goals and four assists. Also counting for two goals each were Pat Mahoney, Jeff Wiggins, Gordon Preston and Joe Kehoe. Dale Sager had a single. Assists went to Dale

with three, Pat Mahoney, Mike Goulah and Joe Kehoe, with two each. With single assists were Robbie Treverton, Craig Hill and Jeff Wiggins.

Earlier in the holidays the team had defeated Frankford 9-0. Point-getters were Sager with two, and Preston, Hill, Lucas, Mahoney, Kehoe, Wiggins, and Treverton. Graham and Goulah as well as the aforementioned eight had assists.

No chauvanism here

The Mador Novice team participated in a one-day tournament in Tweed and came home with runners-up in the "B" Championship.

In their first game of the day they dropped a 5-0 decision to Frank-

ford. Maurice Deering was voted the game's MVP for her outstanding play in the game.

In game two the team won a 2-1 decision over Kingston. Tom Sandford scored both goals to bring his total for the year to three. Marcie

Deering received an assist. MVP was Brad Bateman. Special mention to be made to the outstanding play of Gerry Brownson who is reported to have made five saves on break-aways.

In the championship

game, the boys ran out of steam and dropped a 3-0 decision to Deseronto. MVP for the game was Terry Trotter. Again, special mention made to Gerry for outstanding play was made by coach Doug Phillips.

Campbellford doubles Havelock in TVL

The goaltenders kept both teams honest in TVL action between Campbellford and Havelock last Wednesday night, but Campbellford emerged the winner on the strength of three straight goals in the first and second periods. Both teams, for the most part, stuck to playing hockey as only these two teams can. Both teams had many scoring opportunities but the goaltenders managed to hold the final score down to 4-2.

The two teams had a scoreless tie going into the final minutes of the first period before Campbellford finally popped the twine. Campbellford's Paul McEvoy scored the first goal at 6:25 of the period on a two-on-one break that Greg Cole had no chance on. Prior to that goal, both teams

had several chances that looked like sure goals, but the goalies were already showing flashes of brilliance. Bob Meyers assisted on the Campbellford goal.

The fast, exciting hockey continued in the second period before Kevin Sharpe scored on another two-on-one break for Campbellford. Havelock's Greg Cole had been putting on a one-man show to that point, but Sharpe's goal, assisted by Ed Grills, was a soft shot that caught Cole watching the other open man.

With 2:46 remaining in the period, Campbellford got another break in front of the Havelock net. Rod McDonald attempted to pass the puck from the face off circle to the right of Cole to a Campbellford player in front of the net

but the pass deflected off a Havelock defender behind Cole. Dave Giles and Frank Toms drew assists on the goal.

Havelock finally denied Campbellford's twine at the :57 second mark of the second period when Ken King scored after some nice team work and passing in the Campbellford end. Kevin Wrightly drew the assist.

Campbellford opened the third period with a goal at 12:06. Some nice passing by Campbellford resulted in Gerry Pearson's goal assisted by Bob Meyers and Paul McEvoy.

Havelock's Ken King rounded out the scoring in the game at 9:53 when Mike Roffey made a nice pass to King, who was open in front of the net. King slammed the

Larry McNeely misses on this shot on the Campbellford net last

Wednesday in Havelock and Ken King was unable to get the

rebound. The goaltenders were hot or else the game might have

ended with a score much higher than 4-2 in Campbellford's favor.

Madoc splits two

Madoc split two exhibition games losing 5-2 to the Stirling A team and defeating Wellington 9-1.

To date this year, in six exhibition games, Madoc has 4 wins, 1 loss and 1 tie. They have outscored their opposition 40-19. This leaves McMaster's GOA at 5-16.

In the 9-1 victory over Wellington, Steve Bancroft led the victory with 5 goals and 1 assist. Jon Richardson counted two goals, Jason Bailey had 1 goal and 2 assists.

while Derek Chapman had a goal and an assist. Steve Brinks counted for one assist, while Allan Danford had two assists.

In their 5-2 loss to Stirling As, Bancroft and Bailey had goals, with assists going to Shawn Chapman, Derek Chapman and Brent Forestell.

Steve Bancroft leads his team in scoring with 17 goals and five assists in exhibition play. His total for the year in exhibition play and league play is 37 and 15.

The annual TVL Tournament was held in Hastings over the weekend with Prentice Brothers of Oshawa defeating Oshawa Shippers 2-0 in the final. The Cobourg Lawn Rangers won the B championship. The home team Regional Redi-Mix went down in its second

game. In other Hastings hockey the Pee-wee team reached the A final of the Keene tournament on Saturday. They lost the game 10-7 in a real shootout.

On Saturday, Dec. 22, the Novice Blues travelled to Tweed for regular league play and defeated the opposition by a score of 2 to 0.

Scoring the only goals of the game were Greg Barr and Trevor Cooney with Pat Jeffs picking up one assist. Greg Woodbeck and Dale Kahler shared the shut-out. Congratulations to John Clegg, who was named game star.

On Thursday, Dec. 27, the Stirling Novice team travelled to Warkworth for tournament play. An excellent effort was shown by all players in game one

against Port Hope with Stirling coming out on top with a 4 to 3 win. Greg Barr scored a hat trick for Stirling with Pat Jeffs and Bobby Allen each picking up one assist. Stirling's remaining goal was fired into the

Cooney Farm Blues

The Stirling Atom team played excellent defensive hockey Jan. 2, when they defeated Campbellford 4-1. This is the Blues' 15th consecutive win.

Manlow from Ashley and McMullen netted the first goal. Ellis, Moore, Reid and Rutan used their defensive skills to keep the play at

net by Pat Jeffs with Trevor Spry and Trevor Cooney each picking up one assist.

Hats off to our fine defencemen Bobby Allen, Kael Pollard, Scott Haines and Darryl Dafeo who make some

one end of the ice. Torrance knew precisely where to land the puck as he picked up a hat trick. Assists were earned by Manlow - 3, McMullen, MacRae and Reid.

Campbellford's lone goal came late in the third period off the stick of Deryk Robertson.

Shaw shines

Marty Shaw turned aside 17 shots to hold Tweed scoreless in two periods of play to lead the way to a 6-0 victory on Friday last.

Madoc outshot Tweed 28-22 in the game. Arron Beal, also playing in goal had the misfortune to be injured after one period of play. Leading the offensive attack was Ian Ketcheson with two goals and one assist. Jason Bailey, Jeff Sawkins, Jason Francis and Paul McMaster also scored. Assists went to Ian Richardson, Shawn Chapman, Jason Bailey and Derek Wood.

On Saturday the boys

had a relatively easy day in goal, only facing five shots as Madoc defeated Colborne 4-0. Scoring for Madoc were Shawn Chapman, assisted, Jeff Sawkins and Jason Bailey. Unassisted, and Ian Richardson from Bailey and Clayton Curl.

This brings the Pee-wees' record to 14 and 1 on the year. Bailey still leads the team and the league in scoring with 35 goals and 35 assists. Jeff Sawkins is second with 22 goals and 25 assists.

To date the team has outscored their opposition 135-24 for a team GOA of 1.60.

TVL

pass home.

The third period became somewhat chippy but the referees showed no shyness in throwing players into the penalty box, forcing players to stay honest and stick to hockey. The game was

certainly the best played and most entertaining game of the season.

Campbellford has now defeated Havelock in two straight games and appears set to close the gap between themselves and the first place Havelock squad.

NEW YEAR'S RESOLUTIONS

Hawks

BY ISABELLA SHAW

After five weeks of house league play, there appears to be something to report. There has been a problem getting names and numbers on game sheets.

Finally, there appears to be a pattern developing and it appears that the Hawks are in front of the pack with 4 wins and 1 loss. Other teams are the Flyers, the Canadians and the Kings.

Scores for this week's games were: Canadians 5 - Kings 4, and Hawks 5 - Flyers 4. Kurt Rosnuk of the Flyers is leading point-giver with 17 goals and 8 assists. Pat Graham of the Flyers is second with 8 goals and 5 assists.

Sanford scores winner

Tom Sanford scored his first goal of the year and with it the Novices won their first game of the year. The novice team defeated Tweed 1-0 in Saturday morning action. Tom's goal was assisted by Brad Bateman.

These two teams was a scoreless tie, so it is obvious these two teams are evenly matched. Gerry Brownson, playing his first game in goal recorded the shutout.

In Bancroft on December 22, the boys dropped their second game to Bancroft by a 4-0 score. Gerry Brownson, again, guarded the pipes.

In two games Gerry's GOA is 2.00. Brother John's GOA is 2.50 in six games. The novice team record now stands at 1 win, 6 losses and one tie, for 3 points.

Cooney Farm Blues

On Jan. 5th, Stirling Atom team downed Bancroft 2-0.

Trevor Torrance from Jeff McMullen scored in the opening minute of play. The entire game was a constant battle for

control of the puck. Stirling's defensive players, Reid, Ellis, Moore and Rutan, and goalie Scott Sharp maintained the shutout. Late in the third frame Andrew Rodgers from Jeff MacRae secured the win.

Physiography textbook of Southern Ont

The Physiography of Southern Ontario, a major reference book for anyone wanting to understand southern Ontario, was released in its third edition on December 4 at the Geoscience Research Seminar in Toronto.

statistics on agriculture and population taken from the 1981 census, as well as updated precipitation and stream-flow data. The area of study has been extended to include all of Ontario south of North Bay.

The first half of the updated textbook includes an overview of southern Ontario's glacial history and bedrock geology as well as detailed descriptions of its surface landforms, sand and gravel deposits and major river systems. The last half deals with such topics as populations distribution, agricultural patterns and soil types in 55 physiographic regions.

Lyman J. Chapman and Dr. Donald F. Putnam are the co-authors of the text, which was published by the Ontario Geological Survey of the Ministry of Natural Resources together with Ontario's Bicentennial Commis-

sion. Copies costing \$20 may be obtained through the: Public Service Centre Ministry of Natural Resources Room 1640, Whitney Block Queen's Park Toronto, Ontario M7A 1W3 or Ontario Government Bookstore 880 Bay Street Toronto, Ontario M7A 1N8 or Publications Services

Section Ministry of Government Services 5th Floor, 880 Bay Street Toronto, Ontario M7A 1N8 For mail orders, please call 416-965-6015. If paying by cheque, please make it payable to the Treasurer of Ontario. The five large-scale maps - 1:255,440 - which were included in the second edition will also be available at the same locations for \$10 a set.

New information in the third edition includes

Peewees win Stirling Invitational

BY ISABELLA SHAW

Madoc Peewee Bs won the Stirling Invitational B Tournament held recently by defeating Marmora 6-2 and 6-5 and Frankford 15-0.

Pat Graham was voted the game's MVP. He scored two of the game's six goals. Other

goal scorers were Wesley Cromwell, also with two and Joe Kehoe and Dale Sager with one each.

In game two, the first goal of the game proved to be the game winner. It was scored by MVP Wesley Cromwell. It was Madoc all the way with thirteen markers

before the game was over. Other goal scorers were D. Lucas with two, D. Sager with two, J. Kehoe with two and G. Preston with two. Singles were scored by W. Cromwell, P. Graham, P. Mahoney and J. Wiggins.

In the third game for

the A Championship, Madoc again played Marmora and defeated them for the second time; this time by a 6-5 score. The teams played to a 2-2 tie at the end of the first. D. Sager from Wiggins and P. Mahoney unassisted scored for Madoc. In the second, Madoc out-

scored Marmora 5-1 on goals by Cromwell from Goulah; Graham from Trevorton and O'Rourke and Kehoe from Wiggins and Sager. MVP for this game was Joe Kehoe.

Madoc Peewee Bs returned home with the A Championship.

Havelock Novices defeat Douro

On Sun., Jan. 6, Havelock's Nordic Cresting Novices hosted Douro in a fast-paced

game. The final score was 5-2 in Havelock's favor due to hard work and good effort on the

part of the boys.

It seemed that the boys were no sooner on

the ice when Douro fired one in the net. During the second period, Havelock hammered away at Douro putting in four goals.

In the third period, Havelock put in their fifth goal and Douro retaliated. Havelock

goals by: Cory Holland, Travis Toms, Jamie Menzies, Adam Levesque and Jason Fitzpatrick. Assists by: Bryce Levesque, Jason Marandvik and Chris White. Douro's goals by: Jason Labossiere and John Garvey. Assist by: Paul Vollerling.

480,000 minor hockey players

The Canadian Paraplegic Association and The Bob Rumball Centre for the Deaf, announced today that 480,000 pledge sheets have been distributed to minor hockey teams

across Canada to participate in the Ford "Three Star Challenge".

The Ford "Three Star Challenge" asks each minor hockey player to

collect pledged based on the number of goals that his team will score during their first three league games between January 1 and January 19, 1985.

This is the largest fund raising project ever attempted by the Canadian Amateur Hockey Association with a potential of raising millions of dollars for charity over the next few years.

Half of the pledges collected will stay with the player's team that collects them, for team projects, the other half will be divided equally between The Canadian Paraplegic Association and The Bob Rumball Centre for the Deaf to assist persons with spinal cord injuries and hearing disabilities.

In addition, that team may be one of the 15 teams from across Canada who will win a weekend with the Maple Leafs in Toronto in five regional selections if it:

(A) Scores the most goals in the three league games.
(B) Collects the most money in pledges.
(C) Is selected in a draw from participating teams in their region.

Winning teams and two coaches will be flown to Toronto on Friday, March 1st. They will attend a hockey clinic presented by The Professional Hockey Alumni Members, skate on Maple Leaf Gardens ice, watch the Leafs practice, visit the "Hockey Hall of Fame" and attend the Leaf-Islanders game Saturday, March 2. Then, they will have breakfast with the Maple Leafs on Sunday morning.

For sure, it will be a weekend that any young hockey player in Canada will never forget.

The Ford Motor Company of Canada, Ltd. has completely funded this program to allow 100 per cent of the monies collected to go to the three above mentioned organizations.

Celebrate Local Government Week

Jan. 14-19, 1985

Local Government Week is your opportunity to learn more about how local government works for you. Take advantage of the special events and activities being offered in your municipality, to find out more about the people — elected, staff and volunteer — who work on your behalf.

Municipal councils, school boards, hydro-electric and public utilities commissions are all involved. Find out what's happening in your community and remember, as a citizen, you have an important role to play.

It's yours. You're it.
You decide.

Asincere "thank you" to my friends, relatives, neighbours, and friends for gifts, cards, enquiries, flowers, baskets of fruit and endless kindnesses & love shown to me during my stay in Kingston General Hospital. Wishing you all the best in 1985. Gerald V. Taylor. 2-12

THE family of the late Maitland Kirk wish to extend their sincere appreciation to all friends and relatives for their support and acts of kindness during my recent stay at BGH. Special thanks to Rev. W. Bridges and the United Church for their exceptional efforts. 5

I wish to thank my husband, family & friends for their care & comfort they gave me while I was in hospital & since coming home for the beautiful cards, flowers & fruit during my stay at BGH, for the doctors & nurses who cared for me after my accident & comforted me & all for their loving care. May God bless them all. Mrs. Murray Morgan. 5

To all my friends, a warm, "Thank you!" for the many kindnesses & prayers shown in word & deed, while I was a patient in Belleville General Hospital, & since my return home. A happy new year to you all! Burton Morton 5

CARD OF THANKS

THE family of the late Robert Gordon Bailey wish to express our sincere thanks to relatives, friends & neighbours during the illness & passing of our loved one. The many acts of kindness, prayers, cards, phone calls, floral tributes, donations to the Gideon Bible Society & Cancer Fund were greatly appreciated & will always be remembered. Special thanks to Rev. F. Puters for his prayers & comforting words. Also, our thanks to the pallbearers, the Color Party Branch No. 99, all those who brought food to the house & the ladies at the Marmora S.C. Building who served lunch after the service. The Bailey Family. 5

THANK YOU to relatives & friends for gifts, cards & visits to my mother-in-law, Mrs. Helen McKinnon, & Mrs. Myrtle McCormick, at the Horvath Retirement Home, Deloro, over the Yuletide. Special appreciation to the staff and to all who offered me rides to the Deloro. Best wishes for a happy 1985! Wilma Brady. 5

We would like to thank our friends & neighbours for their kindness & making it such a memorable day. A special thanks to MPP J. Pollock for plaque & kind words spoken to me on our behalf. God bless you all! Elva & Clarence Scott. 5

We wish to thank our family, friends & neighbours for the lovely gift of a colored TV & remote control, also for gifts, flowers & cards, & plaque from Mr. Jim Pollock, MPP, on our 60th wedding anniversary. To our children for the lovely support! We cherish them all. May God bless each and every one of you. When you can, we will enjoy your company. Murray & Annie Morgan. 8

THE family of the late Maitland Kirk wish to extend their sincere appreciation to all friends and relatives for their support and acts of kindness during my recent stay at BGH. Special thanks to Rev. W. Bridges and the United Church for their exceptional efforts. 5

I wish to thank my husband, family & friends for their care & comfort they gave me while I was in hospital & since coming home for the beautiful cards, flowers & fruit during my stay at BGH, for the doctors & nurses who cared for me after my accident & comforted me & all for their loving care. May God bless them all. Mrs. Murray Morgan. 5

To all my friends, a warm, "Thank you!" for the many kindnesses & prayers shown in word & deed, while I was a patient in Belleville General Hospital, & since my return home. A happy new year to you all! Burton Morton 5

WITH deep appreciation I wish to thank Dr. C. Derry, Drs. & nurses in Belleville General Hospital & Hueli Dues Kloping. Also Rev. Hilary Scruton for her prayers & visits. Our friends, neighbours & family for their kindness & flowers while I was a patient in hospital & since returning home. Sincerely Ed Alexander. 5

We would like to express our gratitude to all our friends & neighbours who braved very bad weather to attend the Bennett Hockey Game given in honor of my late husband, Eldon Gray. A very special thanks to the Marmora Oldtimers Hockey Team, who organized this event, & to all those who helped sponsor the game. Randy & Shawn were presented with Eldon's hockey sweater & stick by the Marmora team. A \$5 tie with Madoc Oldtimers made an exciting & enjoyable game. A special thanks to all who watched. Thank you all for your participation, friendship & generosity. Sincerely Gloria, Randy & Shawn Gray. 5

THE family of the late Maitland Kirk wish to extend their sincere appreciation to all friends and relatives for their support and acts of kindness during my recent stay at BGH. Special thanks to Rev. W. Bridges and the United Church for their exceptional efforts. 5

CARD OF THANKS

A grateful thanks to all for calls, cards, gifts & visits while I was in the hospital, & since returning home. A special "Thank you" to Barry Caverly & Don Barrons for their promptness & caution in getting me out of the woods. Everett Barrons. 5

Kerosene heater safety

Carelessly used, kerosene heaters can take lives in exchange for the instant warmth they provide.

At least five serious fires have been started by kerosene heaters this year, leaving one Ontario resident dead.

With proper care and maintenance, these popular appliances can provide safe home heating for many years, says Dr. Robert Elgie, Minister of Consumer and Commercial Relations in Ontario.

But a few basic rules must be followed to avoid accidents, he says.

Most importantly, be sure to read and carry out all manufacturer's directions. If instructions say the heater must be placed at least three metres from the nearest combustible surface don't decide two metres will do. Read the manual again when the heater is brought back into use for the winter.

Clean the heater and inspect it for defects. Always fill the fuel tank outside and never use anything but kerosene.

Kerosene for use in home heating units is clear and colorless, but several different grades of fuel have similar characteristics.

An improved grade called "1K" or "K1" was recently introduced in Ontario. It is the purest grade on the market and only this kerosene should be used in heaters. Lower grades can leave gummy deposits on the wick which could combine with other problems in a heater to create poisonous carbon monoxide fumes.

Carbon monoxide is a colorless, odorless gas that causes headache, dizziness, drowsiness, nausea and, in large doses, death.

Use of poorer grades of fuel can also cause heaters to smoke and give off odors.

Storage containers for many fuels are now universally color-coded to help avoid mix-ups that could cause injury. When buying or storing kerosene, always put it in a blue plastic fuel container designed for the purpose.

When carrying kerosene home in a car, place it securely in the trunk and leave at least one window fully open. Never transport the fuel in a closed trunk where the fumes could build up.

Kerosene should not be stored in or near a house, nor should it be used after about 100 days as it will begin to deteriorate. Fuel that has past the 100-day shelf life could foul-up heaters with deposits. Buy only enough to last about three months at a time. If some fuel is left over, take it to a service station and ask the attendant to dispose of it. Do not pour kerosene down drains, sewers or onto the ground.

Although kerosene heaters have been used

in Ontario for decades, their popularity soared a few years ago.

Most units now sell for between \$100 and \$250.

When buying a heater, be sure it has been certified by the Canadian Standards Association (CSA), Warnock-Hersey Professional Services Ltd., Under-

writers Laboratories of Canada (ULC) or the Canadian Gas Association (CGA). Make sure the unit is the right size for the room and never use a kerosene heater in a poorly ventilated area.

These appliances and the fuel used to operate them should be kept out of children's reach.

4-H Basic Baking

A new project, Basic Baking, will get organized in January. Here's a chance for you to become more involved with the youth in your community by becoming a 4-H leader.

To prepare leaders for the project a two-day Leadership Workshop will be held on the following dates: January 15, 16, 1985. Madoc United Church Hall; January 17, 18, 1985 - Picton United Church Hall; January 21, 22, 1985 - Foxboro United Church Hall.

Club leaders also have the opportunity to experience leadership within their county Leaders' Association. Within the Association, leaders are encouraged to take an executive position, chair a committee or at least be an active member of the association by making an honest effort to assist in the direction, planning and evaluation of the county 4-H program.

Leader associations may be new to some, but the leadership potential they have to offer is not new.

As you can see, leadership opportunities exist every day for members and leaders alike.

For more information about organizing a Basic Baking 4-H project in your area contact Valerie Clark, Rural Organizations Specialist (Home Economics) or Wendy McWilliams, Rural Organizations Specialist (Agriculture) at the Ontario Ministry of Agriculture and Food office in Stirling 395-3395 or Picton 476-3224.

The leadership opportunities in 4-H today can make you a leader in your community in the future. You have the potential within yourself and the 4-H program has the opportunities to tap that potential. Why not take advantage of it?

If the Shoe Fits

By Ralph Heron Manager

"Rule of Thumb"

Perhaps you think that if you have a thumb-width of space between your heel and the shoe, the shoe is of adequate length. My nephews happen to have a second toe that protrudes one-half inch beyond his big toe. How would his shoe fit under this rule of thumb fitting procedure? There are so many oddities in human feet - that is why the services of an experienced shoe fitter are essential to assure foot health and to avoid deformities that can cause a lifetime of difficulties in normal work, play, and sports activities. We invite you to protect your family's foot health by letting the conscientious and competent shoe fitters at Walkwell fit your shoes.

Bowl For Millions ready

By Shirley White
Centre Hastings Bowl
for Millions Campaign
is ready to roll!

Honorary Patron,
MPP Jim Pollock, asks
that supporters of the
big Brothers and Big
Sisters of Centre Has-
tings organization
please check in with
area co-ordinators to
obtain their pledge
sheets.

Madoc residents con-
tact Honorary Chairman
Jack Martin, Fire Chief
or Patti Dunford, Madoc

Co-ordinator, for all
information and sched-
ules and planned activ-
ities during the Bowl
for Millions Week which
is February 2nd to 9th.

Marmora residents
should contact John
Miller, Marmora Co-
ordinator for their in-
formation and pledge
sheets.

Tweed residents
should contact Debbie
Kervin, Tweed Co-
ordinator.

Each area has its
own schedule and activ-

ities planned so that
each area can effective-
ly compete to raise the
most money. Tweed
area has been top
fundraising area for the
past two years, but
Madoc is looking ex-
tremely well organized
this year so it could be a
close race in 1985!
Jim will be bowling
and collecting pledges
again this year, as he
has for the past two
years. He even got
pledges from Bill Davis,
Premier!! As Honorary
Patron he is hoping that
this will be the most
successful year for this
fundraising event.

Prizes for top fund-
raising individuals are
exceptional this year.
First prize is a weekend
for two, (two nights
stay) at the fabulous Inn
on the Park, Toronto ...
one of the Four Seasons
Hotels. The agency is
including one hundred
dollars expenses as well
to help with food and
gas costs. Second prize
is an accomodation only
weekend for two at
Journey's End Hotel
anywhere in Canada
and third prize is an
accomodatiuon only
weekend for two at the
excellent Ramada Inn in
Trenton.

Evangelists coming to Pentecostal

Wannamaker Ministries will be appearing at Madoc Pentecostal Church for a week of prayer from January 6 to January 11.

The services will be held Sunday, January 6, 11 a.m. and 7 p.m. and Monday to Friday at 7 p.m.

Evangelist Boyne Wannamaker, director of Wannamaker Ministries, a native of Belleville, Ontario, was converted to Christ under the ministry of the late Rev. Laurie Price.

A short time later he received the Baptism of the Holy Spirit at Lakeshore Pentecostal Camp, Cobourg, Ontario. Soon after this he received a call to Gospel Ministry.

He graduated from Eastern Pentecostal Bible College, Peterborough, in 1961, and is an ordained minister of the Pentecostal Assemblies of Canada.

Mr. Wannamaker married the former Belle Whalen, a lady minister from Newfoundland. They have two children, Desmond, Rolland and Lynette Susanne.

The Wannamakers have pastored a number of churches in the Maritimes, N. Sydney, Clam Point, Western Shore, Nova Scotia, Young's Cove, N.B., and Murray River, P.E.I. He was guest speaker at Native Camp in Seneterree Quebec, for the last two years.

Boyne and Belle are gifted musicians and singers, using such instruments as guitar, steel accordion and auto harp.

Fires destroy house, cabin

Two fires last week devastated the homes of Richard and Darlene Parks in Queensboro and William Griffin of Jarvis Lake Road.

The Queensboro fire took place January 7, and left the Parks family with dog, possessions and home in ashes.

At about 4:15 p.m. that evening, Richard and Darlene, with an 8-month-old baby, went over to her parents', Ed and Alice Canniff. Some 10 minutes later Melvin Gordon of Queensboro knocked on the door and said the Parks home was on fire.

"At about 4:30 I ran to the house and saw it was flaming on the new part of the house at the air vents in the roof. I went to the back door, but couldn't get in

because of too much smoke, so I went to the front door and smashed it open to try to get the dog out," said Richard Parks.

The smoke and flames were too much for Parks, so he had no chance of rescuing the dog. Neighbor Carl Gordon, however, managed to reach in one of the windows of the house and save the family cat.

Don Barnett, Tweed fire chief, said Madoc Fire Department was called to the fire first, even though Queensboro was in the Tweed district. By the time the two fire departments arrived at the scene, the house was completely engulfed in flames, so firefighters focused on protecting the homes on either side.

"Our house went up like nothing," said Parks. "There were three other houses that could have gone up, but they saved them."

The Parks family had only owned the home, valued at approximately \$30,000 for a few months before the fire. They say they lost about \$25,000 worth of possessions inside the home, excluding personal items not replaceable.

"I don't feel too happy, we were just getting on our feet," said Parks.

Tweed Fire Department has not determined the cause of the fire, but they have not ordered an investigation to find out.

On January 10, a cabin owned by William

Griffin on Jarvis Lake Road was destroyed by fire, but there were no injuries.

Madoc Township Fire Department Dispatcher Lloyd Winterburn said one truck and an emergency van was called to the fire at 10:30 a.m. When they arrived, the building was "completely involved" he said.

The firefighters managed to save a large garage close to the cabin that was actually three times the size of the cabin, but the cabin itself was "completely gutted".

Eight firefighters fought the blaze, with five more standing by at the fire hall. The fire was extinguished by 1:30 p.m.

Betty VanderVoort and Larry Hall of Cooper attend some of the top art and craft shows in Ontario. Betty is seen here holding a piece of

spalted wood—partially decayed wood with grains stained by minerals from the ground, and a heart box they produce. The sliding lid

on the box has spalted wood veneer circles for a beautiful finish. For story and photos, please turn to page 6 in The Review.

CNIB grateful for donations

Representatives of the Hastings and Prince Edward Counties division of the Canadian National Institute for the Blind (CNIB) picked up about \$75 from a collection cup at Madoc Canadian Tire recently, which will help pay for the "Talking Book Program" in the district.

"We would just like to say thank you to the people in the community and to Canadian Tire manager Ken Gibson for the money," said John Wheel, first chairman of the Hastings and Prince Edward CNIB Advisory Board.

Talking books are actually four-track tape machines that do not record, they just play, said Andrew W. Murie, district administrator. The machines, tapes and maintenance are supplied free of charge to any "visually impaired" person who would like one.

There are 160 talking book users in the district, with about 30 of them here in Centre Hastings, said Murie. It costs approximately \$7,000 per year to run the service, which is in its third year here. The tape machines are valued at \$175 each.

The repair service, which is taken care of by Wheel and retired technicians of Bell Telephone and Northern Telecom, can cost as much as \$170 per year for each machine.

"A way we supplement the cost is to put plastic jugs in Canadian Tire stores in Madoc, Trenton, Bancroft, Picton and Belleville during Christmas and they turn money donated over in a cheque to CNIB," said Murie.

Murie said Centre Hastings is one of the few areas where people do not have to wait for the talking book service. People are given a machine quickly, without having to go on a waiting list.

"These machines are good for older people who can't read. Retired people read for a large

part of their day, but when their eyesight fails, they lose that activity. The time can now be filled by a talking book machine," said Murie.

He said a group of volunteers in Toronto record a wide variety of books for the program. The tapes reproduce novels for children, right up to philosophy or religion.

"The tapes cover a full spectrum of topics, like in a library," Murie said.

The Canadian Tire fund-raising campaign for talking books brought in a total of

about \$2,000, which means CNIB will pay an approximate difference of \$5,000 for the program. But Hastings and Prince Edward division does not have the money.

The division, formed in 1981, provides approximately 14 services for visually impaired people, from low vision nurses to rehabilitation teachers. Total income is estimated at \$94,000 while projected 1984 expenses is set at \$155,000. This leaves a deficit of approximately \$61,000 to be absorbed by the federal government, said Murie.

Seen here is Jason Danielis of Queensboro examining the charred remains of what was once

the parks home. Some of the foundation itself has turned to crumbling ashes.

Secure against B & E's

Due to a recent rash of break enter and thefts in the area Madoc Detachment of Ontario Provincial Police (OPP) are urging locals to take more precautions to prevent

burglary.

Community Services Officer Norm Papi says there are a number of things people can do to help discourage potential burglars. People with homes that have windows that go up and down vertically should nail a block of wood on the top sill so it cannot be forced up. People with horizontal sliding windows can wedge a piece of dowling between the sliding portion of the window and the frame.

"The dowling will fit right into the tray that the window slides on and will not open, even if the small locks on them are broken. The thieves would then have to break the window to gain access," says Papi. Papi suggests that people with only one key lock in the handle of their doors should add a dead-bolt lock as back-up with a separate key.

"It makes it much harder to gain entry. One lock can be slipped with a credit card or

forced with a screwdriver, but with a dead-bolt, it won't slide so they might have to smash the door to gain access," Papi explains.

Another suggestion Papi makes is to leave a nightlight on outside the house so that if owners go out, the neighbours can see if there is someone prowling.

"And if you go out at night, leave some lights on or leave the radio playing. If people hear the radio, they may think someone is in the residence, even if they get no response at the door," he adds.

He says that if people are going away for a period of time, they should make sure the neighbours know. If they get a newspaper delivered, make sure it is cancelled or get someone to pick them up. He says it might even help to give a neighbour or relative a key to the house to check it periodically.

Keep watch, urges OPP

Continued from page 1

Another precaution people can take if they are leaving the home for longer periods of time is to put timers on lights so they turn on at night and off in the day. He says if thieves see lights on in a house 24 hours a day, they may find out there is nobody home.

There has been a number of daylight robberies recently, which would probably indicate they (thieves) are getting bolder. It is hard to

say some break and enters are not reported right away. They have lots of methods to determine if anyone is home before they go ahead and do it," says Papi.

Papi says another thing people can do in a community is set up a neighbourhood watch program. People living in blocks can get together and watch the houses and know who should be in the neighborhood and keep an eye on any suspicious activities.

There are lots of communities that have

neighborhood watch programs. They have signs at the edges of their towns saying 'neighbourhood watch community', he says.

"It is people in the neighborhood that keep the program going," Madoc has never had a neighbourhood watch program. There is a meeting set for January 31, at Madoc Public School, starting at 7:30, to see if there is any interest in starting a Block Parent Program, which if started, will give children in the community a place to run in case of danger.

MTC says reportable damage raised

Ontario Ministry of Transportation and Communications officials have announced the amount of property damage in reportable motor vehicle accidents was raised to \$700 from \$400, effective Jan. 1, 1985.

The new minimum better reflects the continually increasing costs for parts and labour to repair motor vehicles which have been involved in accidents.

The \$700 reportable accident/property damage level applies to all motor vehicles, including motorcycles and mopeds as well as off-road vehicles.

An MTC spokesman

noted motorists should be aware that if they are involved in an accident which results in personal injury or property damage exceeding \$700, they must report it to the police.

The last increase in the reportable accident/property damage level was in January of '78.

Day school holding draw

Tickets are now available on an original Paul Thrane water color painting valued at over

\$500. All proceeds from the draw to be held May 31, will go to Centre Hastings Adult Day

School in Madoc. "Funds raised will be used to offset the cost of rent and phone which

must come from community projects," said Adult Day School teacher Laura Thompson.

Paul Thrane comes from Denmark and has been painting full time since 1972. His many paintings are on display seven days a week at his studio home on Highway 7, 3.5 miles east of the junction of Highway 37.

The painting to be raffled off will be on display at London Station in Madoc during January and February.

Further information concerning either the painting or the school may be obtained by calling Laura Thompson at 473-4200 (Mon. - Fri. 9 a.m. to 3 p.m.).

Laura Thompson, teacher at Centre Hastings Adult Day School

stands with the Paul Thrane water color to be

drawn for. All proceeds will go to the school.

Is justice being done?

By John Bennett

The talk in the coffee shops and livingrooms about our criminal justice system is usually based on the theme of how easy the criminal is treated and how the victim is forgotten. No doubt the victim is forgotten but our society punished by the those always treated with kid gloves?

No legal arguments other than his honest belief that his actions were of such importance.

The breathalyzer case boiled down to the precise time the police asked for the test. Was it made by an officer at 9:25 or by another at 10:18?

The youth has a temper and maturity has yet to catch up with it and it gets him into difficulty. He apparently had a rough 17th year of life and had gotten into trouble a couple of times and spent some time in jail at 17. He wasn't treated with kid gloves.

The trouble in 1983 and 1984 had cost him a year of education. So, last fall he went back to Campbellford High School and begged to be allowed to return to school. School officials didn't want him back and tried to convince him to go to a community college for upgrading instead. A solution that would have meant a tuition fee and daily travel to Belleville or Peterborough. I don't know but from his

appearance in court this youth probably couldn't afford that.

The school officials relented and agreed to take him back only if he would sign a contract agreeing to not break any rules at all, that is to be perfect.

The judge after listening to the barrage of legal precedents put forward by the lawyer for the man charged in the breathalyzer case reserved judgement and invited the lawyer to send in written submissions and send the man home to his family.

The youth stood trial with only himself as defense council. The evidence given by the vice principal of the school was that the youth had been spotted smoking just inside the school door the same day he signed his contract and the very next day he was expelled.

The youth was understandably upset by being given the old heave-ho in just one day and got very angry, and loud. He also used commonly used four letter words to punc-

tuate his anger. The words and the anger continued outside the school. He even uttered an idle threat at the vice principal.

Most cases like this would have not gone any further but for some reason (likely to make an example - we don't know because the youth had no lawyer to ask the vice principal) charges were laid against this obviously troubled youth. Needless to say the youth was found guilty.

So, today the middle aged man who could easily have killed someone when he drove his car off the road is at home waiting to hear whether or not he'll have to pay a fine. The youth with a grade 10 education is sitting in Cobourg jail learning criminal skills and nursing a grudge against society that will probably result in more illegal acts when he is released. Let's hope something will happen to set him in the right direction in the future. I don't believe his experience in a court of law last week did.

OPP Report

During the week of December 30 to January 5, officers of the Madoc Detachment of the Ontario Provincial Police investigated 50 general occurrences and three minor accidents.

During the past week, six persons were charged with impaired driving, six with liquor offences and eleven 12-hour suspensions were issued.

RIDE Program

During the week of December 31 to January 6, officers of the Madoc Detachment conducted random spot checks. A total of 110 vehicles were checked. As a result four people were charged with impaired driving, nine 12-hour suspensions were issued and two people were charged with liquor violations.

General Occurrences

On Wednesday, Jan. 2, 1985, PC Eadie and PC Hill stopped a

vehicle on Highway 14

for a traffic violation.

Further investigation

revealed that the vehicle

was stolen from

Toronto. The following

charges were laid: 1)

Bruce Edward May of

Toronto, was charged

with possession of stolen

property (auto),

possession of house-

breaking tools and

breach of probation; 2)

Jeremiah Francis Dono-

van of Toronto was

charged with possession

of stolen property (au-

to), possession of stolen

property (driver's li-

cence), possession of

house-breaking tools

and obstruction; 3) Car-

roll Mildred Attwell of

Toronto was charged

with possession of stolen

property (auto) and

possession of house-

breaking tools. Attwell

was released on a

promise to appear and

May and Donovan were

held in custody at a bail

hearing. All three are

scheduled to appear in

Madoc Court on Mon-

day, Jan. 7, 1985.

In the Court

The following cases were heard in Madoc Provincial Court, Criminal Division, on Monday, Dec. 31, 1984.

David C. MacFarlane of Thornhill, Ontario, pled guilty to impaired driving. He was fined \$800, his licence was suspended for nine months and he was put on probation for one year.

Sylvia Jane Bovin of Marlbank pled guilty to mischief. She was given a suspended sentence with probation for one year, the terms of which are not to enter the Marlbank Hotel and to do 100 hours of community service work.

Rodgers-Stinson wedding

A quiet but pretty wedding took place on Friday, December 21, 1984, at the home of Leslie and Robert Morrow in Oshawa, when Carolyn Alice Stinson was united in marriage with Evan Grant Rodgers.

The bride is the daughter of Ruth Laing and the late Jack Laing of Sutton and the groom is the son of Helen Rodgers of Toronto and Don Rodgers of Stirling.

Brooke Stinson was the ring bearer and

George Austerbauer acted as witness. The Rev. Henry Fischer officiated.

Following the ceremony a reception was held in the Chimney Room of Steve's Steak House and later at the couple's new home in Oshawa.

The bride is employed in the Engineering Division of Bell Telephone, Oshawa, and the groom is Senior Planner with the Department of Planning and Development, City of Oshawa.

Grants announced

Mr. Hugh P. O'Neil, MPP Quinte, is very pleased to announce that the following grant has been approved in our area:

A grant in the amount of \$5,522 to the Quinte Dance Centre in Belleville.

This grant has been designated to provide the Quinte Dance Centre with 100 per cent funding for the youth employment project entitled: "1985 Public Performance and Ballet

Boutique Assistant."

This grant has been approved by the Ministry of Citizenship and Culture, and Susan Fish states in her letter that:

"The Ministry is pleased to assist the Quinte Dance Centre in providing this opportunity for young people to work in the field of citizenship and culture. I believe your winter project will be of benefit to them as well as to your community. I wish you every success in this endeavour."

Barnard-Shaw wedding

A very pretty, double-ring ceremony was solemnized at 3 p.m. on Saturday, December 8th, 1984, in St. Andrew's Presbyterian Church, Stirling, with Rev. Wm. Campbell officiating, when Kelly Ann Shaw, eldest daughter of Mr. and Mrs. Wayne Shaw, RR 2, Stirling, became the bride of Richard Edward Barnard, son of Mr. and Mrs. Ted Barnard, 54 Victoria Street, Stirling.

The altar was decorated with candelabra with lighted tapers, red poinsettias, white carnations and trailing ivy. White satin bows with poinsettias decorated the guest pews. The traditional wedding music was provided by Mrs. Paul Sharp.

The bride, given in marriage by her parents, was radiant in her mother's floor-length wedding gown of antique silk organza over taffeta, featuring a scooped neckline and long lily point sleeves,

with back bow accented the chapel train. She wore a derby style hat with chantilly lace, seed pearls and a fingertip veil. She carried a cascade bouquet of red and off-white roses with baby's breath and white streamers.

Mrs. Gloria Wilson, RR 3, Stirling, friend of the bride was matron of honor and was gowned in a long red brocade taffeta dress with cummerbund and a long sleeved jacket with a stand-up collar. She carried a white fur muff with red poinsettias and white ribbon. She wore a comb of poinsettias and baby's breath in her hair.

Miss Diane Shaw, RR 2, Stirling, sister of the bride, Mrs. Sharon Mitts, Foxboro, cousin of the bride, and Miss Marg Barnard, Stirling, sister of the groom were bridesmaids and wore identical gowns to the matron of honor and carried fur muffs with poinsettias. They also wore combs of poinset-

tias in their hair. Pearl necklace and earrings were also worn by the girls which were gifts from the bride.

Miss Andrea Donnan, RR 2, Stirling, friend of the bride and groom was a demure flower-girl. She was gowned in a dress similar to the bridesmaids'. She carried a white wicker basket full of poinsettias, red and off-white roses, baby's breath and white ribbon. She also wore poinsettias in her hair and a silver locket, a gift from the bride.

Mr. Larry Barnard, Stirling, cousin of the groom was the best man. The ushers were Mr. Dale Mitts, Foxboro, cousin of the bride, Mr. Bob Ray, Roslin, friend of the groom, and Mr. Kevin Johnston, Stirling, cousin of the bride. The groom and his attendants were attired in grey tuxedos.

The bride's mother received the guests in

the reception room of the Stirling Recreation Centre, wearing a floor-length mint-green dress with grey accessories and a pink rose corsage. She was assisted by the groom's mother, gowned in a floor-length raspberry dress with grey accessories and a pale pink rose corsage. Mr. Gordon Mitts, Stirling, uncle of the bride, was the master of ceremonies. After a formal reception, a dance was held.

For a wedding trip to Florida, the bride chose a street-length dress of turquoise organza with matching satin cummerbund and cuffs and grey accessories. Her corsage was pink roses.

Out-of-town guests were present from Kingston, Barrie, Picton, Hamilton, Georgetown and Flint, Michigan. Upon their return, Rick and Kelly have taken up residence at 60 Elgin Street, Belleville. Previous to her mar-

riage the bride was honored at a family shower, given by Sharon Mitts, a shower given by Gloria Wilson and a community shower given by Sandy Donnan.

Woodworkers extraordinaire

Cooper United Church, workshop of Betty VanderVoort and Larry Hall, was built in 1966. now the home and workshop of Betty VanderVoort and Larry Hall.

Larry and Betty display shows, a large jewelry box. The box, made with, at least eight different kinds of exotic hardwoods, sells for \$195 each.

BY STEVE GOMBOS
They're perfectionists. That's the only way to describe Betty VanderVoort and Larry Hall of Cooper.

Working with their hands and their hearts, this couple combine creativity with fine woodworking skills to come up with a line of exotic hardwood products saleable at some of Canada's top craft shows.

But it took over 10 years of hard work to bring the business to the point where the couple could be selective with the shows they attended. In fact, it wasn't until last November, when they moved into the building formerly known as Cooper United Church, that they had a workshop they were happy with.

Betty VanderVoort, founder of the business, first introduced herself to woodworking in Toronto during the late 1960s. She started with household renovations and cabinet work, but by 1974, she was doing craft woodworking and attending her first craft shows. Some of her early craft work included making candles, recycling crates to blanket boxes, and making trivets, which still bring in the company's "bread and butter" today.

"At that time I was scuffling around. I didn't know exactly what I wanted to do in crafts," she said. During her first year of business she established herself on the craft circuit, while Larry Hall, then a self-employed commercial illustrator, helped Betty on a part-time basis. The two worked in the small basement of a Toronto house, using a radial arm saw as their main power tool.

By the end of 1974, the workload became too heavy for Betty alone, so Larry decided to go into business fulltime with her. At that time both dreamed of moving to the country, and Larry realized that as an illustrator, he would be tied to the city.

The two travelled to all sizes of art and craft shows from Windsor to Ottawa. During the summers, they often had 10 to 12 shows per weekend to choose from.

"It seemed everyone from Kiwanis to church groups would organize craft shows," said Larry.

As more money started coming in, the two began purchasing more tools. By 1978 they had purchased a table saw, and had decided to go into working with hardwood. To convert to the hardwood production meant purchase of more equipment.

"The only way to work hardwood is with a jointer and planer, which is expensive,"

explained Larry.

The couple eventually bought used industrial equipment, which they claim is a better buy than new "handyman" tools. Piece-by-piece they picked up a jointer, planer, edge sander, large bandsaw and overhead router. Finally, they purchased a compressor for finishing the wood.

The next step was to eliminate the small craft shows and go for the biggest ones. But to get in meant passing the scrutiny of judges at the big shows, who only allowed products of high quality and originality to be displayed.

They now attend only the major craft shows in Toronto and Ottawa.

"It is very competitive. The big shows in Canada could have a maximum of 500 exhibitors," said Betty.

The list of crafts they produce is constantly changing. They say their main focus is on items for the kitchen, but they plan to expand to other areas of the home in future.

"The longer we work at it, the smaller the stuff gets," said Betty. "I hate to waste a piece of wood."

Both Betty and Larry say they like making crafts with wood from Canada, but the demand at craft shows is for products made of exotic wood.

Some of the Canadian wood they use are bird's eye maple, elm, oak, iron woods and birch. The couple claim the most beautiful wood in the world can be found out in in most people's wood pile. Spalted wood — partially decayed wood that is stained by minerals soaked up from the ground is lying all over the country. The result of this decaying process can be a network of beautiful black lines following the grains of wood. But if the decaying process is too far advanced, the wood becomes worthless for craft work, they said.

"It is hard to put a price on spalted wood, because you can't buy it. You can only pick it up," said Betty.

Larry and Betty buy the bulk of their tropical wood from outlets in Cambridge and Toronto, who import mainly from Africa and South America. Wood names one would encounter at their shop includes zebra (grain and coloring like zebra stripes), purple heart (purple color), Remu (chocolate brown), Padak (bright red color when finished), teak and many more.

The wood they buy is sold either by the foot or by the pound. They could pay \$25 per foot for boards of exotic wood and \$20 to \$30 a square foot for very thin veneers.

A list of wood products is on page 11.

JACK FLEMING FRANCIS

Jack Fleming Francis died suddenly at the Belleville General Hospital on Friday, December 21, 1984. He was 62 years old.

He was born in Huntingdon Township and the son of the late Mr. and Mrs. Walter Francis. He was predeceased by his wife Ruby Leona McCann. He was a member of the United Church.

Mr. Francis is survived by two daughters, Sheila (Mrs. William Bird), RR 1, Madoc; Shirley (Mrs. Terry Romain), Prescott; and three sons, Jack of Belleville, Gene of Shannonville, Ralph of RR 5, Madoc, and his grandchildren.

Mr. Francis is also survived by the following sisters and brothers, Edna (Mrs. Leland Richardson), Marmora Dorothy (Mrs. Jack McCaughen), Trenton, and Doug and Harold, RR 5, Madoc.

He rested at the McConnell Funeral

Home with service in the chapel on Sunday, December 23, 1984, with Rev. Annette Reinhardt officiating.

Bearers, all nephews, were Ralph Garnet and Laverne McCann and Wayne Daniel and Paul Francis.

Interment was at White Lake Cemetery.

RONALD ARTHUR DENYER

Ronald Arthur Denyer, in his 72nd year, died Wednesday, December 18, 1984. Mr. Denyer was the son of the late Mr. and Mrs. Arthur Denyer, and husband of Mildred (Reid) Brickman.

Born in Belleville, Mr. Denyer worked for 36 years at Stewart Warner Corp., Belleville. After his retirement, he moved to Madoc, where he met Mildred Brickman. In 1980 they married.

Mr. Denyer will be missed by brothers Leslie of Port Hope and Sydney of Toronto.

Obituaries

The funeral service was held December 21, 1984, in St. John's Anglican Church, Madoc. The service was conducted by Rev. Paul M. Kompass, the rector, with interment at White Lake Cemetery.

Pallbearers were: Robert Bonter, Cecil Haines, Sydney Denyer, Leslie Denyer, Clayton McCann and Bill Wong. Mr. Denyer was a member of Christ Church, Belleville, and later of St. John's Anglican Church, Madoc. He sang in St. John's Anglican Church choir.

LEONARD GEORGE SUMMERS

Leonard George Summers, 72, husband of Mrs. Bessie Summers of the Red Carpet Mobile Trailer Court, died suddenly January 1, 1985, in Chetwynd, B.C., while holidaying with his eldest son.

He is father and father-in-law of Arlene and Harold MacDougall, Calgary, Arthur and Lucille Summers, Chetwynd, B.C., Wayne and Lolly Summers, Cargill, Ontario, Albert and Bonnie Summers, Calgary, Dennis and Lucille Summers, Otter Creek, Ontario, and Ivan and Betty Summers, Calgary.

He is also survived by 19 grandchildren and

was predeceased by a granddaughter, Tanya Summers.

Mr. Summers was born in England and emigrated to Canada in 1929. He spent most of his life in Elzevir Township before coming to Calgary in 1980. He was a veteran of World War II, having served overseas as a heavy artillery gunner. Memorial services were held January 5, from the Kingdom Hall of Jehovah's Witnesses.

Edmund Francis Ray Smith

Edmund Francis Ray Smith of 348 Timothy Street, Newmarket, passed away suddenly on January 1, 1985, at the age of 43. Mr. Smith was born in Toronto to Annie Allt and the late Clifford Smith. He was

husband of Irene Smith (nee Phillips).

Mr. Smith is survived by his mother, his daughter, Mrs. Fred Thompson (Hope) of Newmarket, and brothers Dale of Madoc and Lyle of Surrey, B.C.

Mr. Smith was educated in Madoc, was self-employed and was a member of St. John the Baptist Anglican Church, Madoc.

The funeral service took place at St. Andrew's United Church, Marmora, on January 4, with the Rev. Walter P. Mittler and the Rev. M. Compass officiating. Interment will take place in the spring at the Marmora Protestant Cemetery. Pallbearers were Doug Pack, Shawn Pack, Shane Wray, Garry McInroy, Ross Gordon and Randy Warren.

Springbrook Women's Institute

Mrs. Myrtle Cassidy was hostess on Wed., Dec. 19, for our Christmas meeting.

Her home was beautifully decorated for the festive season. President Isabel McInroy welcomed all and opened the meeting with a poem, "As the Old Year Ends".

The roll call was given with 14 members answering "Something

my mother would have served at Christmas".

The secretary-treasurer, Laura Barlow, reported for the blind canvass with the total of \$470.50 being handed over to the CNIB.

Members were reminded of a leadership course to be held at Loyalist College, Jan. 22 - Mar. 12.

A motion was made to give a donation to the

4-H Club to assist with upcoming projects.

Happy Birthday was sung to two members, namely: Jeanne Williams and Myrtle Cassidy, both celebrating December birthdays.

A gift was presented to Myrtle (having reached a certain milestone in her life) by Bernice McKeown.

A short programme followed with Jeanne

Williams giving a humorous reading "An essay on husbands".

Bernice McKeown read about the Christmas flower, "the poinsettia". Two contests were presented by Agnes Erickson and Myrtle Cassidy, followed by carol singing.

Everyone opened their gift exchange and

gifts from secret friends from a well laden Christmas tree.

The WI Grace was said and members moved into the dining room where a smorgas-borg lunch was displayed with many goodies.

Christmas greetings were extended and a social time enjoyed.

Lung cancer epidemic among Canadian women

The death rate for lung cancer in Canadian women is on the rise. "In fact," says Dr. C. Kuebler, Medical director of the Hastings-Prince Edward Lung

Association "it is by far the most important female cancer with regard to increasing mortality rates. In relation to the other leading causes of cancer, it has risen from

ninth position, in 1965, to second position in 1981. (Breast cancer is currently in first position. By the year 1987, lung cancer will become the leading cause of

death for Canadian women."

Why this rapid increase? "The answer is simple," says Dr. Kuebler. "Smoking." Women began to smoke in great numbers after World War II and the epidemic of lung cancer evident in the male population in the 1950's is now being repeated in the female population.

But in the midst of this growing concern

there is good news. Smoking is on the decline. January 17-23 is National Non-Smoking Week. If you are a smoker who wants to quit, join the many thousands of Canadians who intend to break free of the smoking habit during this week. Your Lung Association can help you kick the habit.

Call 613-962-2186 today to ask about Freedom From Smoking in 20 days. Remember, Your Lungs Are For Life.

Brown bag lunch

Centre Hastings Support Network will feature adult education at its January 28 brown bag lunch to be held at noon in the Hastings-Prince Edward Health Unit sub-office in Madoc.

Two adult educators

speaking at the meeting will outline what facilities are available in Centre Hastings for adults who wish to upgrade their education levels, what courses are available, what fees are involved, day care, transportation and

more. A special feature of the brown bag lunch will be a hot lunch that will be cooked fresh by a support network team. Chili will cost \$1.50 per person and coffee will cost \$.25 each. Every one is invited.

Bethel UCW

Dorothy Young was hostess for the Christmas meeting of Bethel UCW. Her home was beautifully decorated in the Christmas theme.

The president, Donna Russett, opened the meeting with a Christmas poem.

Dorothy Young and Elsie Ketchen were in charge of the program. Elsie opened with a

Christmas poem. The hymn, "As with Gladness" was sung. The scripture was taken from Luke 2:1-20. The devotional entitled, "There is a Present" was given by Elsie.

The offering was gathered and dedicated by Elsie. It will be divided between the two nursing homes in Stirling. The hymn "Hark the

Herald Angels Sing" was sung.

Jean Pollock favored us with a solo. Dorothy gave several selections on her electric organ after which Santa Claus arrived with the gifts. At this time we each received a gift from our secret pal.

Jean Pollock, Donna Russett and the hostess served a lovely lunch.

board, 10 different patterns of trivets, two sizes of plant racks, garlic boards, spice racks in three sizes and two finishes, spoon racks (six variations),

letter racks, hardwood trinket shelves, pipe racks, and "night tray" jewelry boxes for men. They also make a climbing teddy bear toy and "Rainbow Maker".

fashioned after an old folk toy called a "Buzz" or "Button Toy", that dates back to the Romans. Costs for the products range from \$3.50 to \$195.

To come up with a new design takes time. They say they spend about a week designing a new product, making jigs and choosing tools.

"You start with your ideas and put them down on paper. If it works on paper, you have half the design battle down. Then you must go to tooling and making up jigs, etcetera," said Betty.

Larry added that there are always things overlooked, and sometimes a test run ends in costly waste.

Every item they produce is unique—either in design or in the type of wood combinations used. Their jewelry boxes, running at \$195 each, contain no less than eight different kinds of exotic hardwood. At least 25 separate pieces of wood fit together to complete each box.

HOME AND WORKSHOP

After three summers and a fall of renovations, Betty and Larry moved into the former Cooper United Church.

The renovations, costing over \$30,000, included completely rebuilding the interior and insulating, to accommodate a 1,200 square foot workshop, storage area and a 1,600 square foot living space. They built a 14 x 16 foot addition on the back of the building to add a kitchen and bathing area. They rewired the building, reworked part of the foundation, dug a

well, and replaced the exterior siding with identical, but new wood. Work on the interior of the building is still not finished.

Before their decision to purchase the old church, the couple spent an entire winter hunting real estate from Highway 401 to Highway 7 and from Peterborough to Perth. Their idea initially was to buy land and build from scratch, but they later decided to renovate and save time.

"The neighbors were a phenomenal help when we were here working in the summer," said Larry.

One local man brought them a pump to use in their well and another brought a cement mixer to save them mixing by hand.

"If you've got the gumption to go ahead, it seems the locals will go ahead and help you," said Betty.

The foundation for Cooper United Church was laid in 1860 and in 1866 the building was completed. An addition for Sunday School was built 10 years later. The church closed in 1968 when Cooper congregation merged with Queensboro Church. The property changed ownership a number of times, but Larry and Betty are the first since its closure to occupy the building.

The couple are uncertain of what new stages their craft business will go through. They hope to try their hands at making miniature doll houses, steam bending and jointing in the near future. It will mean continued studying, experimenting and more equipment. The two are planning the purchase of a lathe in the near

future, which will open the way to many more crafting adventures.

Larry explained that the more proficient a craftsman becomes, the longer each piece takes to make. This often drives his or her prices up into the thousands. There is a smaller market for the high quality work shown in galleries and the craftsmen often have financial difficulties.

"Anyone who's good does gallery work, but they often must sell it for thousands of dollars, so they sell less. It's almost like being penalized for getting better," said Larry.

Those of us who have met Betty VanderVoort and Larry Hall will recognize that no matter what they choose to do in the future, they will put everything they've got into it.

In the top picture Larry (foreground) runs a piece of exotic hardwood through the planer, while Betty examines potential boards at the back. The shop within the church is set up with an efficient dust collection system. In the picture left, Betty is seen cutting a piece of spalted wood with a handsaw to see if it is usable...It turned out the wood was too decayed for their purposes.

The January meeting of the Queensboro branch of the WI was held in the Hall on Wednesday evening, January 9, with Mrs. Mervil Lees as hostess. The president, Mrs. Ken Cassidy, opened the meeting in the usual way. The roll call, "bring a childhood picture of yourself" was answered by 14 members and one visitor. The minutes of the last meeting were read and treasurer's report given. It was reported that \$325 had been collected for the CNIB last fall.

Queensboro Women's Institute

Correspondence was read. Several thank-you cards were received from those sick and shut-ins who had received gifts of treats at Christmas time. Others thanked us in person. It was decided to send a donation to the health unit.

Mrs. David Gordon, curator, was in charge of the program, which she began with a sing-song of rounds.

She then read the motto, "Many hands make light work", which had been composed by Mrs. Sutton.

stressing the good of working together.

Nothing was done about the Tweedsmuir History. Several members asked how to get back history about the times when their homes might have been built. Next was a contest,

guessing at how many kisses were in a jar. It was won by Mrs. Ken Cassidy. Mrs. Gordon gave a reading, "Just For Today".

Mrs. Sutton read a comic article, "The sasquatch is alive and well and living in

Queensboro". This part of the meeting finished with a bingo game which was enjoyed by everyone.

The meeting closed with The Queen and lunch was served by the hostess and her assistants.

Hurricanes levelled by Dukes in 5-1 defeat

BY STEVE GOMBO

The Wellington Dukes levelled the MTM Hurricanes 5-1 in a Junior C hockey match in Madoc last Tuesday night, getting themselves off on the right foot in 1985.

Both Bill Langridge for Wellington and Dave Bunnett for MTM played exceptional games in net, but a few shots too many on Bunnett decided the game. In addition to the goalies, Hurricane Kevin Morley was named Dixie Lee star.

In the first period, Hurricanes came out hot and hungry for a goal, but in a matter of minutes their steam lost pressure. At 4:05, after holding off repeated attacks, Bunnett was beaten by Wellington's

Paul Ireland, with an assist going to Rich

VanVlack. But that wasn't

enough for the Dukes. With 1:47 left in the

first period, Dan Davies put the puck in with Rob

Holmes and Jamie Branscombe making assists. Score at the end of the first was 2-0 for Wellington.

In period two, the sluggish play continued with both sides unable to connect. The second ended with the score still at 2-0.

It could have been a tongue-lashing between periods or the rest that brought Hurricanes on top of the third moving faster and passing the puck. At the half-way mark, Tom Clement poked the puck in from behind the net to score the first and last Hurricane goal for

the night.

Some 52 seconds later, Wellington decided to improve their 2-1 situation by scoring another goal. Bunnett made a couple of tight saves, but Jamie Branscombe managed to put a rebound past him to set the score at 3-1 for Wellington.

From then on it was Wellington all the way. In the last two minutes of the game Jim Young and Rick Turpin scored to put the final score at 5-1. The first goal was unassisted and the second was assisted by Jamie Branscombe and Dan Davies.

Down and out was the story of the Hurricane-

Duke game in Madoc last Tuesday night.

Wellington Dukes won the Junior C game by a

score of 5-1.

Bantam Bs tie Apsley

Madoc Bantam Bs hosted Apsley in exhibition play and skated away with a 3-3 tie. Kurt Rosnuk scored all three goals for the hat trick.

Madoc led 2-0 at the end of the first with Rosnuk assisted by Derek Lucas at 2:01 and Rosnuk unassisted at 0:12.

In the second Kurt scored his third assisted by Mark Mahoney at 3:33 mark. Score at the end of the second was 3-1 for Madoc. Apsley tied the score at three in the third. This was the way the game ended.

This team is coached by Randy Gray and Ray Cassibo.

Marmora DVSA win back to back

By Susan M. Cuddy
The Marmora DVSA Bantams have finished their schedule with back to back games with Madoc. On December 22 Madoc won by 2. The first goal of the night was an unassisted goal by Kevin Doyle. Madoc

tied the game but Tim Cassidy assisted by Doug Prindle moved Marmora ahead by one to end the first period. Madoc got the only goal in the second but pulled out in front with four more goals in the third to win the game.

Marmora Peewees had busy holiday

By Susan M. Cuddy
The Marmora IGA Pee Wees had a busy holiday season as they competed in two tournaments - on December 27 the lads went to the Douro and made it to the A finals. Their first game they met Manvers and won 3-1 in an exciting game.

Todd Ellis scored Marmora's first two goals assisted by Evan Robinson and Jamie Clemens on one and

Robbie Cole and Mike Shorts on the other. The third goal was taken unassisted by Stephen Hutchings.

Game number two was against the host team. Douro in which Marmora won 5-1. Doug Fluke was the big scorer in this game with a hat trick, two of these goals were unassisted. Assists on the third goal went to Bernie Cassidy and Andy Meers.

Evan Robinson also

received an unassisted goal and assisted Todd Ellis on his goal with Mike Shorts.

The final game of the day was Marmora versus Norwood and try as they did Marmora was defeated 9-1. The single goal was scored by Bernie Cassidy assisted by Doug Fluke.

The Most Valuable Player award was given to Marmora's own number 14, Bernie Cassidy. December 29th saw

the boys in Warkworth and even though they played hard, they failed to come up with enough games to win the tournament.

The first game was against Picton and they lost 3-1. It was a tie game until the third period when Picton scored twice. Scoring for Marmora was Bernie Cassidy assisted by Todd Ellis.

On the second game against Oshawa, Mar-

mora thrilled their fans with a 3-0 score. Bernie Cassidy started off the scoring assisted by Doug Fluke. Stephen Hutchings got the second goal unassisted followed by Evan Robinson.

The third and final game was against Oshawa and Marmora was defeated 4-1. Todd Ellis assisted by Evan Robinson and Robbie Cole received Marmora's only goal.

Stirling in Wellington

At the Wellington Atom tournament, Jan. 13, the Stirling team played exceptionally well and brought home another 'A' Championship trophy.

Rob Donohoe assisted by Mike Moore scored the opener against the host team.

Although Wellington's game plan was to score three quick goals to frustrate Stirling, their first goal by Reg Gallagher did not come until the second period. Trevor Torrance wasted no time in regaining our lead. Gallagher netted his final goal as Stirling's defense caught on to his moves and kept Reg in check for the remainder of the game.

Rob Donohoe put in a beauty on a pass from Torrance and Reid. Jeff McMullen completed the play from Manlow. Manlow from Donohoe

put in Stirling's last goal bringing the score to Stirling 5, Wellington 2. Scott Sharp, who worked his glove hand overtime was presented with the MVP award.

In game two, Stirling's powerful team shut out Deseronto 7-0 with ease. Trevor Torrance led the scoring with 2 goals and 2 assists. Jeff McMullen had a great game putting in two and earning one helper. Donohoe netted two and Manlow had one goal. MacRae and Rodgers picked up an assist each.

MacRae received the MVP award.

In the final game match, Stirling led no doubt that they were the champions. It was truly a team effort with precise passing. The offense and defense combined their skills to defeat Belleville 7-2.

Jeff McMullen from Trevor Torrance netted the first goal. Belleville slipped ahead by one in the second period.

Donohoe and Rodgers set up MacRae for the tying goal. Torrance assisted by McMullen gave us the lead. Stirling continued to put on a show for the spectators.

Rodgers from Donohoe made an excellent play which stunned the goalie. Todd Reid set up a play to Manlow who assisted Torrance in getting a goal. Team play resulted in the final two goals being scored.

Ruttan moved the puck up the ice to Torrance who in turn put it on the stick of Manlow. Manlow fired it deep in the corner of the net.

Adam Cooney and Jeff Ashley worked the puck to Danny Striker who netted a terrific

shot. Todd Reid received the MVP award for

playing an outstanding game. The boys were pre-

sented the 'A' Champ penants following the game.

To date, Stirling's record is 27 wins, 5 losses, two ties.

Community volunteers set campaign

January 28 is the "kick-off" date for the 1985 Ability Fund campaign for the Ontario March of Dimes.

The Campaign Chairperson for our district is Barbara Althouse assisted by JODE members.

A team of more than 20 volunteers will be calling on homes in this area. Please make them, welcome, turn on your porchlights and give as generously as you can.

The Ontario March of Dimes faces an enormous job. Hundreds of people become disabled through accidents or diseases each year. For some, disability strikes in the prime of life when they are building careers or raising families. Then there are people who were born with disabilities who need help as they reach adulthood. There are also many who face disability for the first time when they reach old age.

When disability strikes, the Ontario March of Dimes is there to help a person discover their new potential and their abilities. The organization offers: computer job training; employment and other job training; wheelchair, electronic aids and other devices; medical clinics; camping holidays; assistance for groups of disabled people so they

The Hon. Paul Martin watches with interest as Tony Diamanti demonstrates his ability on a microcomputer using specially adapted equipment.

Tony, who has difficulty speaking because

of his disability, is one of many participants in a new work study program which focuses on the business applications of microcomputers for employment opportunities.

In another Ontario

March of Dimes project, microcomputers in the home setting are also being investigated. Disabled adults use microcomputers for correspondence, communication and recreation. Paul Martin recently joined the Ontario March of Dimes as Honorary Campaign Chairman. He will represent the agency during its campaign, from January 1 to February 15, and throughout the year.

Dairy Queen Novice Blues

In exhibition play on Tuesday, Jan. 8th, the Stirling Novice Blues were defeated 2-1 by Picton.

Scoring Stirling's only goal mid-way in the third period was Trevor Cooney with assists going to Bobby Allen and Kris Bateman.

On Saturday, Jan. 12th, Havelock travelled to Stirling for exhibition play with Stirling coming out on top with a 6-2 victory. A great effort was shown by all the team with Greg Barr starting the scoring on a

lovely, unassisted goal.

With the score 1-0 and five minutes remaining in the game, Trevor Cooney started skating circles around the Havelock players and fired in three goals, his first hat trick of the season. Havelock got on the scoreboard with one minute remaining as Pat Jeffs fired in two goals to clinch the win. Trevor Cooney and Pat Jeffs each picked up one assist.

Congratulations to Trevor Cooney and Pat

Jeffs on being named game stars for their outstanding play and effort shown during the game.

On Sunday, Jan. 13th, Bancroft travelled to Stirling for regular league play and went home with a 3-1 victory. In an exciting end-to-end game which could have gone either way Stirling's only goal was scored by a determined Greg Barr unassisted.

Congratulations to Bobby Allen on being named game star.

Midgets

The Marmora midgets hosted Stirling on January 4 and lost 5-2.

After two periods the score was tied 2-2 with goals from Chad McCurdy unassisted and Greg Coens assisted by Chad McCurdy.

Stirling took over then and scored three more to end the game.

Stirling Midgets chalk up another

Stirling Midget Blues chalked up another victory on Jan. 11, when they defeated the visiting Bancroft squad by a 7-3 score. Although Darryl Burke scored for the visiting team to take an early lead, Stirling replied with two goals to lead 2-1 after the initial period.

Stirling scored three times in the second frame to Bancroft's lone marker to take a 5-2 lead and clinched it in the third period with two more goals again to Bancroft's single marker.

Stirling's scoring statistics were: Rob Fisher and Jeff Thompson, 2 goals and 1 assist; Curtis King, 1 goal, 2 assists; Brad Thomson and Troy Eagleton with 1 goal each; Brian Martin and John Genereaux with 2 assists

each and Jim Davis with 1 assist. Bancroft marksmen were Burke with 2 and Jeff Fallis with 1.

Robert Fisher played a very strong game - his best of the season. The game was relatively quiet with only 11 minor penalties being assessed - 8 to Stirling.

Terry Fraser guarded the Blues' net with Brad Burke the Bancroft net-minder.

Unfortunately they met their match when they entertained Madoc on Sunday, Jan. 13th. The first period was scoreless with both teams unable to capital- ize on scoring oppor- tunities. However Murray Stickwood put Madoc in the lead in the second frame but Stirling's Jim Davis came back with two quick goals to take a 2-1 lead.

Penalties proved costly to the Blues as Madoc took advantage of power plays and scored four unanswered goals in the third frame to win 5-2. Scott Chapman and Pete Ringelmann tallied two goals each for Madoc. Stirling's Brad Sharpe and Madoc's Lorne Brownson both played very strong games between the pipes in this very competitive match.

Norwood Minor Hockey

Home Hardware Bantams: The Norwood Bantam team played Warsaw in league action on Wednesday, Jan. 9th. In this contest Norwood overpowered the opposition by a 6-2 count.

Scoring were: J. Crawford, B. Irwin and M. Payne (2). R. Buchanan and T. Ryan.

J.J. Stewart Novice:

On Thurs., Jan. 10th, the Norwood arena was the site for minor hockey action. In Novice hockey action. Our Novice team played Havelock. This proved an easy win. This proved an easy win. This proved an easy win.

Scoring were: Ryan Bock assisted by K. Snelinger and J. Quinlan; the other two scored by Chris Heffernan, assisted by C. Heffernan; and R. Sedgwick.

Lakeway Atoms: In Atom action the locals were at home to Havelock and went down to defeat in what proved a close contest by a 3-1 count.

The lone local goal was scored by Mark Stewart assisted by R. Murray and D. Miles.

Lynch's Pee-wees: The Norwood Pee-wee team hosted the Douro squad. This game proved very little difficulty for the locals as they shut out the opposition 9-0.

D. Crawford and J. Sandford shared the shutout. Scoring were: singles to W. Gee, M. Kerber, T. Murray, J. Rodgers and B. Miles; while G. Snelinger and A. Hamilton added two.

Home Hardware Bantams

The Bantams were at home to Havelock. This again proved little trouble for the local squad

as they shut out the opposition 6-0.

S. Toms had the shutout.

Scoring: singles to B. Irwin, J. Jones, T. Ryan and R. Buchanan; while C. Townsend added two.

Terjoleen Midgets: The local Midget squad hosted Warkworth in league action. This contest proved very evenly matched as it saw the locals trailing by a 3-2 count at the start of the third period.

They came in in this period, tying the score at the 4:11 mark and putting the winner in at the 5:4 second mark.

Scoring were: Jamie Patterson from M. Payne, Glen Bock from

B. Doherty, Bryan Doherty from T. Ward and J. Patterson, and the winner was scored by Terry Cation from D. Taylor and G. Chamberlain.

Runnersup

The Stirling Legion Pee-wees lost a squeaker in the "A" Championship in the Bancroft tournament on the weekend by losing 3 to 2 to Bowmanville. Stirling completely outplayed the opposition in the first half but could not capitalize on scoring opportunities.

Drew Allenby was voted Most Valuable Player of the game. Drew also had 4 goals in the three games of the tournament in order to qualify for the A Championship.

Stirling first had to beat Innisville by a score of 3 to 1 in which Tony Brett was voted Most Valuable Player and Rodney Torrance collecting the shutout.

In the next game Belleville was next to fall to the host Stirling Pee-wees by a score of 4-1. Scott Blackburn was voted Most Valuable in that game and once again Rodney Torrance came up hot.

Coaches Gary Torrance, Peter House, Shawn Allenby and Manager Bill Osborne were happy with the play in the Bancroft tournament. All players worked very hard and all should be complimented on the play. With only three weeks left to play in regular season the Stirling Pee-wees have 4 wins, 4 losses and 2 ties.

Their next game is Wednesday night in Campbellford.

Napanee tourney

Madoc Midgets gained only one point in three games at the Napanee Tournament.

In the first game Gananque doubled the score to defeat Madoc 6-3. Ringelmann, Melvin and Denison scored for Madoc. Assists went to Powell, Danford, Chapman and Ringelmann.

In game two, Belleville and Madoc played to a 2-2 tie. Goal scorers were Chris Daniels and Paul Alkenbrack. Murray Stickwood collected an assist.

In their third game of the day, they dropped an 8-4 decision to Cobourg. Duncan Koszwick and Peter Ringelmann had two goals apiece. Assists went to Steve Bancroft and Troy Melvin.

Hastings Peewees take Warsaw 3-1

The Hastings Pee-wees showed why they've been doing so well when they met Warsaw in Hastings last night. They scored the visitors' first goal with a fine back checking score of 3-1.

The game settled in to a defensive battle in the second period with no goals being scored until 8:03 of the third period.

Brian McMillan who has moved to defense this year finally connected on his fourth breakaway of the night to put Hastings up 2-1.

The diminutive P.J. Scudis, who had an impressive game, killing penalties and taking

important face-offs put the game away with 6:04 left on an unassisted breakaway. He ended the exciting play.

as he does just about every play, flat on his face, but not until after he had put the puck by the goalie.

Hastings Pee-wee captain Kirk Fleming was

knocked down by teammates after scoring last

Thursday in a game against Warsaw.

Marmora in Norwood tourney

VISUAM M. CUDDY
The Marmora team was invited to participate in a tournament on Dec. 15. Their first game was with Uxbridge and Marmora won 11-2. Scoring for Marmora were Steve Bedore with 3 goals, 1 assist; Kevin Doyle with 2 goals and 2 assists; Jamie Nicolson with 2 goals, 1 assist; Steve Pascoe with 1 goal and 2 assists; Doug Rindell, Russ Broadent and Shawn Prindle each scored once. Assistants went to Tim Cassidy (2), Terry Deline (2), Matt Gaddy (1), and Troy Bertrand (1).

Their next opponents were Oshawa and Marmora won 5-1. This game was a very tough game and when it was finally over the boys were definitely tired.

Marmora scorers were Steve Pascoe with 2 goals, 1 assist; Steve Bedore with 1 goal, 4 assists; Steve Coens and Terry Deline (1 goal each); Tim Cassidy and Kevin Doyle each got 2 assists each.

The boys were only given an hour's rest before they had to go back on the ice to meet Norwood for the "A" championship.

Marmora played a good clean game, with no penalties but were unable to come up with a win. Norwood scored twice in the first period but couldn't get any in the second and got only one in the third. Marmora was unable to score any goals. Tim Cassidy was voted most valuable of the tournament.

On Dec. 29th the

Bantams hosted an eight-team tournament. The teams invited were Peterboro Devils, Stirling, Peterboro All Saints, Norwood, Trenton, Madoc and Ennismore.

Marmora met the Devils in the first game and won 3-2. Scoring first for Marmora was Tim Cassidy assisted by Steve Pascoe and Kevin Doyle, second was Jamie Nicolson assisted by Steve Pascoe and Tim Cassidy assisted by Tim Cassidy and Kevin Doyle.

Game number two saw Stirling beat the All Saints 5-4, game number three Trenton downed Norwood 6-0 and in number four Ennismore lost 5-1 to Madoc.

In the semi-final rounds the All Saints beat the Devils 4-1. Marmora beat Stirling 3-0 with Kevin Doyle getting all three goals with an assist going to Terry Deline and Steve Bedore.

Ennismore beat out Norwood 3-2 and Trenton beat Madoc 5-1.

The All Saints met Ennismore for the B Championship and won 5-3, and Trenton won over Marmora 5-3 for the A Championship.

Steve Bedore scored all three goals for Marmora with Steve Pascoe getting 2 assists and Tim Cassidy and Jeff Clemens each got one assist.

This tournament displayed some of the best hockey games of the season and a good crowd was also on hand too.

The Bantams invited Norwood on Jan. 5, for an exhibition game and this time the team was fresh and ready as they downed them 5-2. Kevin Doyle scored a hat trick and an assist; Jamie Nicolson and Jamie Teetsra each scored once with assists going to Jeff Clemens (2), Russ Broadent (2), Steve Bedore (1), Tim Cassidy (1), Steve Coens (1) and Evan Robinson (1).

McMillan scores winner

On Monday, McMillan, playing boys' hockey despite receiving a card from the Ontario Minor Hockey Association, was left in a 3-2 lead in the Douro last night, giving Hastings a 3-2 victory, the first of the season.

The game was an even one with end action and some goaltending at the end of the rink. Scoring was by Hastings' Jarcombe at 6:20 in the first period and by Jeff Well- and Danny Lynch.

He made it 2-0 with 1:45 left in the period, assisted by Alfie Ford and Jeff Beavis.

The second period was scoreless until the 30 second mark when Douro's big gun, Jason Julian, finally broke Hastings' shutout with a goal assisted by Spencer Hickey.

At 8:33 of the third period, Julian tied the score unassisted on a breakaway.

Hastings didn't let up and kept the pressure on the visitors narrowly missing several shots and averting Julian's rushes until McMillan

scored in a scramble for the puck in front of the Douro net. McMillan plays more like her defenseman father

(Mick) than her free-wheeling brother on the Pee-wee team. She was tough in the corners, in front of the net and not

afraid to retaliate when checked. She was assisted on the goal by Alfie Ford and Brett Alexander.

Marmora tykes play their best

Susan M. Cuddy's best game of the season took place last night when the Marmora Tykes (4 and 5 old) hosted Havelock.

Robinson and Levere dressed the squad, which is a

job in itself, and led the team onto the ice for their first game. It's clear by the 9-2 score that Havelock has been practicing more than us but our boys definitely gave their best.

At the end of one period Havelock had a

5-1 lead. Scoring for Marmora was Jonathan Fluke assisted by Jenny Hutchings. At the end of the two periods it was 8-2. Jonathan Fluke

scored again assisted by Julie Davey and Jenny Hutchings. Havelock scored once more in the third.

There will be a re-match in Havelock on January 15th and it will be a game worth watching.

Legion news
 By Susan M. Cuddy
 The Marmora Legion Novices hosted Belleville on December 22 and although the score was 9-1 for Belleville it must be remembered that our Novices do not play in a league and do not have regular games. All the boys enjoyed the game especially Marc Robinson who scored Marmora's only goal.
 After the game the kids were treated with a visit from Santa who handed out candy canes.

Marmora Lions Atoms

By Susan M. Cuddy

The Marmora Lions Atoms were very busy the month of December with a game a week starting December 7 in Madoc. It seems that Madoc who are first in the league had no mercy for Marmora as they beat them 10-0.

December 13 they travelled to Frankford for a better game winning 4-2. Jason Nicolson assisted by Brad McNevin and Ivan Sopha assisted the scoring with Frankford close behind ending the first period.

Marmora moved ahead in the second with a goal by Jason Nicolson assisted by number 15 who doesn't appear on the game sheet. Ivan Sopha gave Marmora a two goal lead in the third but Frankford narrowed the gap again. Jason Nicolson clinched the game with a hat trick assisted by Brad McNevin.

Frankford returned to Marmora on December 22 and it was a turn around game with Frankford winning 4-1.

Jason Nicolson scored Marmora's lone goal assisted by J.F. Bertrand and Brand McNevin.

On December 29, the Atoms hosted Madoc again and even though they suffered a loss again they were able to get on the score board four times with a final score of 10-4.

Madoc scored four times in the first period but Marmora came back with two at the start of the second period. Scoring for Marmora were Jason Nicolson assisted by Brad McNevin and John Paul Bertrand and Ivan Sopha assisted by Shawn Pascoe and Kenny Lynch. Madoc scored again and in 25 seconds Marmora hit the net again with a goal by Ivan Sopha assisted by Brad McNevin and John Paul Bertrand.

There was another exchange of goals in the third period with Ivan Sopha getting a hat trick on an unassisted goal. Madoc went on to score four more goals to finish the game.

Madoc Atoms win two

BY ISABELLA SHAW

Madoc Atoms won both league games over the holidays with a 10-4 victory over Marmora and a 4-0 victory over Frankford.

In the Marmora victory Scott Tracey collected six points with four goals and two assists. Brad Phillips was second with two goals and three assists. Also with two goals each were Chad Bateman and Tim Burnside.

The Atoms' record now stands at 12-0 in league play. They have outscored their opposition 91-37 with Goals. Against average of 3.08.

Davidson, Robert Tokley, Chad Bateman, Tim Burnside and Brad Bateman with two each; with a single assist was Joe McCaw.

Chad Bateman scored the hat trick and Tim Bailey had three assists in the 4-0 victory over Frankford. Another goal scorer was Tim Burnside from Scott Tracey.

The Atoms' record now stands at 12-0 in league play. They have outscored their opposition 91-37 with Goals. Against average of 3.08.

Bancroft nine goals

BY ISABELLA SHAW

Madoc Bantams played two games last week and came home with a win and a tie. They travelled to Belleville on Wednesday and Stephen Bancroft performed well scoring all five goals for the tie.

The fifth goal was scored with only 40 seconds left in the game. Assistants went to Alan Danford with three and Trevor McTaggart, Steven Brinks and Derek Chapman with single assists.

In seven exhibition games this year, Steven has 22 goals and 5 assists.

Back in league play, Madoc handed Marmora a 5-2 loss on Friday evening. Bancroft scored his first of four for the evening unassisted at 12:54 of the first. His second tied the score at two at 8:30 of the second, assisted by Trevor McTaggart.

croft scored his first of four for the evening unassisted at 12:54 of the first. His second tied the score at two at 8:30 of the second, assisted by Trevor McTaggart.

In the third, Madoc was in charge all the way as Bancroft and Brinks combined for goal number three at 11:05. Then at 10:09 Bancroft scored his fourth unassisted and at 8:40 Steven Brinks scored unassisted. Both these goals were scored with Madoc playing two men short.

Madoc's record for the year is 8 wins in league play. They have outscored their opposition 59-11 with GA average of 1.37.

Marmora girls and boys

The girls and boys were at it again in an exciting hockey game in which the boys won 2-1. The first goal, scored by Billy Beckford and assisted by Kenny Lynch wasn't obtained until halfway through the second period. The boys felt hot and came up with another quick goal by Kenny Lynch, assisted by Richie Morrison.

The teams battled on until the 51 second mark of the third period when Kelly Price scored assisted by Christa O'Shea and Charmaine Newton.

There has only been one goal win in these games but soon the one goal win will be for the girls as they improve each week.

Foster Care Program - a learning experience

BY STEVE GOMBOS

"I think it is one of the most satisfying things people can do. All things that are worthwhile are not easy," said Ed Hughes, former foster parent.

Ed and wife Michaelene of the Ivanhoe area have taken five foster children into their home over the past year and a half, and claim it was a learning experience for both themselves and the children. Each learned to realize their potentialities and their limitations.

A house with room to spare and an urge to share their 'good fortunes' with others prompted the couple to contact Hastings and Prince Edward Children's Aid Society to see about becoming foster parents. Now that Ed's ministerial studies at Queen's University have intensified, however, the couple have had to reluctantly discontinue fostering. They hope to take up fostering again once Ed completes his last two years of study and gets a permanent ministerial posting.

Janet Vinpinner, foster care co-ordinator for

Hastings and Prince Edward Children's Aid Society (CAS), said there is a need for at least 10 more foster homes in the Stirling, Madoc and Marmora area. She said Hastings County has a total of 90 foster homes, with about 25 in this area. There are approximately 145 children of varying ages and needs presently in the foster care program; 52 per cent of whom are teens.

"The majority of children come from parent-child conflicts, which reflects our society today," said Vinpinner. "There are conflicts within the family unit, which results in the child having to be removed."

Vinpinner said the type of children now entering the foster care program are different from the ones who entered it a decade ago. She said their problems are becoming much more complex and more frequently relate to conflict and sexual abuse.

"I've seen an increase in sexual abuse. Nine years ago when I started with the organization, it was more neglect. Now, there's

more conflict and sex abuse," said Vinpinner.

In proportion to the increasingly complex problems children are having, CAS has had to intensify its foster parent screening process. And once potential foster parents pass the screening, more interviews are needed to properly match the needs of the child with the strengths of foster parents.

There are five stages of screening potential foster parents go through before actually being matched. The first is initial contact, where CAS takes basic information about the people. They are then asked to an orientation meeting held every three months, which are designed to explain the full concept of fostering.

"Most people do not understand what fostering is all about," said Vinpinner.

Potential foster parents must have a 'stable relationship', and be between the ages of 25 and 55. They must have experience with children. Vinpinner noted that people who have not lived

Sled dog races coming

While most of us dread seeing any more snow fall, members of the Sled Dog Race Committee were smiling from ear to ear as more and more snow came down last week. They were putting the finishing touches on the

trails for the races and the new snow was like putting the final touches on a very pretty cake.

Bob Drummond, who is in charge of trails for the event, couldn't have been more pleased with the snow. "We've got enough snow now as long as we don't lose any of it," he told Cembal Publications. "We now have a new trail brushed out along Beaver Creek so that we don't have to use Beaver Creek if we don't want to. That means that if we do get flooding on the creek, it won't really affect our races."

Mike Vilneff, John Hewitt, Wayne Cox, Don Shannon, Jamie Drummond and the Katimavik young people spent a good deal of last week brushing out the new trails and Bob Drummond was very pleased with and thankful for their work.

"The brushing and everything should be completed or nearly finished now so I'll start marking the trails next week (this week)," Mr. Drummond told Cembal Publications.

Sheila Golden, the member of the race committee in charge of registrations, says there has been a lot of interest in the Marmora race this year, but they don't have many confirmed entries yet although

that isn't unusual. "In most cases, rather than have the entry forms tied up in the mail, they bring them with them when they come to the race," she said. "In the long distance races, we've had interest shown by Robert Shaw of Michigan, Jerry McEwen of Michigan, and Jim Walsh, a new racer from New York, has also indicated he is looking forward to racing this year in Marmora."

The mid-distance (60 mile) race has proved popular in the past and has drawn the most interest so far this year.

The Whites, two brothers from New York, have indicated they are going to try to make the Marmora race this year as have repeat racers Mel Milleron of Warren Ohio, Jim Ochlschlager of Cincinnati, Ohio, Brian Held of Campbellford and Jan Cox of MacDonald's Corners, Ontario. Another new racer showing interest this year is Mike Smith of Oshawa.

Then of course, there are the locals who are keeping low profiles at this point but who always pop out of the woodwork on race day. There is bound to be at least one McEwen team in the race, Bob Allen, who raced in Pennsylvania last weekend, and a former winner of the mid-distance race, will

likely race and the race committee is hoping that Ted Sexsmith, last year's winner, will also come back to race.

The sprint races were disappointing as far as numbers of entrants went last year, but the race committee is expecting a much better turnout this year. The sprints this year have been dropped from 10 miles to seven, something the sprinters have been requesting. The race committee also thinks the trails will be better this year and that should make the contestants happy.

"We were up to the Mjnden sprints (a first year event) and were talking to many of the racers there a couple of weeks ago," said Bob Drummond. "A great many of them stated that they loved to attend our event, so we expect good things there this year."

Fundraising is going well this year, but everyone is reminded of the mugs, hats and buttons that are available as well as tickets that are on sale. Next week, the committee plans to introduce a new draw if things go as planned and donations are always welcome.

After this week, there is only one full week to race day. This weekend, events begin for

Clemons receives excellence award

George Clemons, Brantford, Ontario, was presented with an "Excellence" award by Agriculture Minister John Wise early in December, 1984. Mr. Clemons was one of nine men and women to be recognized for their important contributions to the advancement of Canada's agri-food industry.

The awards were developed to mark the 50th anniversary of the Canadian Agricultural Outlook Conference, an annual event organized by Agriculture Canada

to discuss the agricultural economic situation and trends for the coming year.

The candidates were judged on the scope of their work, the length of their service in the industry, the range of their involvement throughout their careers, demonstrated leadership and the social and economic impact of their individual contributions.

Mr. Clemons, whose portrait has earned a place in the Canadian Agricultural Hall of Fame, scored top marks in every category and was a logical candidate from Holstein Canada, the Association that he directed for forty-three years as secretary. In this capacity he guided the improvement of Holstein cattle and encouraged through his vitality and dedication, the large scale of exporting of Canadian Holstein cattle abroad.

Internationally acknowledged as "Mr. Holstein", George's

trade promotional activity spans the globe, and several decades. He was responsible for major breakthroughs in exports to numerous countries, accomplishing this through personal initiative; participation in government missions, trade fairs and exhibits; government negotiations and support of commercial exporters. Mr. Clemons can look with particular pride to the major role he played in negotiating the largest sale of Holsteins ever executed, over \$3,000 head of cattle to Cuba.

Today, the exporting of Canadian cattle has become a major industry involving the developing of a superb cow which is much in demand throughout the world. Mr. Clemons made this happen because of his personal charm, his imaginative response to opportunity, and his continuing commitment to export.

banquet on February
19th.

Comrade David Cle-
mens was nominated for
the vacant position on
the executive committee
and passed by members
present.

The cleaning of the
hall was discussed as
was the installation of
the new furnace and if it
would be possible to
commemorate those
who have passed on
who served in the
Second World War as
we did for the World
War One veterans. The
hall at this time has no
wall to hang pictures,
but maybe they should
start being collected for

the future.

Zone F-3 Convention
will be held in Picton on

the first month of the
new year and if you
have not paid your
dues, time is running
out. No new cards have
come in. Watch for the
list at the bar when they
do arrive.

To celebrate the 60th
anniversary, Legions
across Canada will be
selling red tulips to
commemorate the year
(the last anniversary
was celebrated with
yellow tulips). Also the
cookbook will be printed
by Branch 228 as part
of its participation.

Ontario to participate in Youth Year

The focus will be on
Ontario's 1.5 million
young people from 15 to
24 years of age as
Ontario participates
this year (1985) in
International Youth
Year. Canada is one of
113 countries marking
I.Y.Y. The year was
designated by the United
Nations.

The Secretariat for
Social Development,
through its Interna-
tional Youth Year Co-
ordination Unit, is lead-
ing Ontario's partici-
pation.

"I believe that the
dreams of the young are
the touchstones of our
changing society," said
the Honourable Gordon
H. Dean, Provincial
Secretary for Social
Development and MPP
for Wentworth. "The
motivation, energy, and
achievements of Ontario's
youth make them one
of this province's
greatest resources,"
said Mr. Dean.

The objective of Ontario's
International Youth Year
campaigns is to promote
positive images of youth in
the eyes of society as well
as in the eyes of young
people themselves. Foc-
ussing on the theme,
"Visions of the Future",
Ontario's celebra-
tion will highlight
young people's valued
contributions to the

community.

Municipalities, com-
munity groups, educa-
tional institutions, asso-
ciations, government
ministries and busi-
nesses will be encour-
aged to mark Interna-
tional Youth Year with
special events.

"This year affords
adults the opportunity
to join with young
people in a celebration
of Ontario's greatest
asset, our youth," Mr.
Dean said.

Library news

BY KATHLEEN KOMPASS

"I sent a letter to my love and on the way I lost it. A little doggie picked it up and put it in his pocket."

If you're wondering "whose dog?" and "where can I find him?" the answers are

at the library. Madoc and District Public Library is again sponsoring a homemade valentine contest for children.

This year there will be four categories. The Friday pre-school program has been so successful that these

eager artists are to be included. The divisions are pre-school, kindergarten to grade two, grades three to five, and grades six to eight.

Three prizes of silver dollars will be given in each category. The valentines must be home-

made, they should be colorful and any material could be used.

Last year's contest had a bicentennial theme. Two old-fashioned dolls representing Mr. and Mrs. Coe (early Madoc citizens) received the

cards. The library board would like to repeat the "old-fashioned" theme this year. TV heroes, cartoon characters or popular dolls would NOT be appropriate...

This year the Coes have gone to visit some cousins in Bytown (Ottawa as we call it today). They have left their dog at the library to receive the cards. The dog's name is Val. Please send him a card as he's very lonely.

IOOF hold first meet in 1985

Madoc Lodge #179 has had an active start to the new year.

Since the first meeting on January 2, we had our first degree team conferring degrees on three candidates: Roy Ingham and Ernie Guimond of Madoc Lodge and William Ellis of Springbrook Lodge. Attending the ceremony were lodges from Thomasburg, Tweed, Stirling, Camp-

bellford and Marmora. A beans and buns lunch was enjoyed after this January 12th event.

The last regular meeting of the month, which was this past Wednesday, was highlighted by the official visit of the District Deputy Grand Master Bro. Perry Brownson.

This month has also been busy with plans for a February 20, reception from the Grand Master of the Grand

Lodge of Ontario, Bro. John L. Savage. The reception is to be held at the Anglican Church Hall.

The First Degree Team has also been requested to put on the Degree next month in another district.

What does Chamber do?

MADOC

What does the Chamber of Commerce really do?

Although the following item originates with the Edmonton Chamber of Commerce, it is equally applicable here in Ontario. Reprinted with the kind permission of the Brantford Regional Chamber of Commerce.

You have probably heard that question asked at one time or another, and you may have wondered about it yourself. It is a legitimate question, and many people—including those to whom the chamber is very important—have no real concept of exactly what a chamber of commerce is, how it works or what it is actually for in the first place.

There are a lot of misconceptions about the chamber. For example, there are those who believe the chamber gathers statistics, prints nice brochures, visits new businesses, answers enquiries and advertises what a great place the local area is in which to work and live.

They are right, up to a point. They're fringe activities of the chamber, things done as a matter of routine because they need doing. But they alone aren't why the chamber is there.

The primary functions of the chamber go far deeper. The chamber of commerce is a catalyst—a common vehicle through which business and professional people work together for the common good of the community.

A better community means better business conditions, and the chamber works for a better community for everyone. This brings us back to that original question: What does the chamber really do? There is, in the final analysis, one prime reason for the chamber to exist: to do whatever is necessary to keep the local area's economic condition at a level where businesses will risk their resources in the locality in the hope of making a profit—everything else is just a means to this end.

In any community, it is the profitable operations of business that provide all other benefits. Only by succeeding in the fundamental goal of encouraging such operations can jobs be provided which produce the wealth to finance all the governmental, civic, educational, cultural and charitable needs that communities are faced with every day.

That leaves one final question: Who is the "we" that does all this? We are you! The staff, the chamber member and all of your business professional friends who are also chamber members.

You are the chamber of commerce. You provide the ideas, the drive, the goals, the funds and the voluntary services to keep the chamber doing what it does. You are the chamber, and without you, there wouldn't be any chamber. Ask yourself: Who would do all those things if the chamber didn't?

Industrial waste treatment discussions

Five more public consultation meetings will take place throughout Ontario in January and February to discuss the plans and progress which the Ontario Waste Management

Corporation (OWMC) is developing for industrial waste treatment and disposal facilities.

January 22 - Sarnia, Best Western Guildwood Inn. January 29 - Kingston, Public Lib-

rary, February 5 - Thunder Bay, Holiday Inn. February 7 - Sault Ste. Marie, Empire Room. February 12 - Ottawa, Holiday Inn. All meetings begin at 7:30 p.m.

The first in this round of meetings took place in London on December 5, chaired by Carol Canzona, past president of the Provincial Council of Women of Ontario, London Chapter, with 125 people in attendance.

"I was very encouraged by the turnout and

the high interest at the London meeting," Dr. Donald Chant, Chairman and President of the Ontario Waste Management Corporation (OWMC) said. "It is evident that there is a wide and diversified concern about the need for control and detoxification of hazardous waste in Ontario. Every community has some industrial waste and many disposal methods are just not good enough. Goodness knows the danger signs are clear; with the

damage to the Niagara River from untreated wastes and the less dramatic but still important local threat such as PCB contamination of a creek that flows through the City of London."

OWMC has narrowed its search for sites to eight, all of which are within the Golden Horseshoe and will select a preferred site or sites from among them within the next several months based on an analysis of over 40 factors.

Springbrook News

Mr. and Mrs. Stewart Brownson are spending a holiday in Florida.

Dinner guests of Mrs. Esther Leonard on Sunday evening were Mr. and Mrs. Doug Radnor, Mr. and Mrs. Don Radnor, Mr. and Mrs. Brian Radnor and Mrs. Alice White, all of Havelock, when three family birthdays were celebrated.

Mr. and Mrs. Bill McKeown, Mr. and Mrs. Ralph Thompson and Mr. and Mrs. Harry Danford have returned home after spending a holiday in Florida.

Mrs. Ida Barton is spending some time with her daughter and husband, Mr. and Mrs. Russell Sargent at Oshawa.

The Seniors Happy Time met at the home of Mr. and Mrs. Henry Eriksen on Thursday. Mrs. Eriksen extended a welcome to all. Hazel Mumby gave a reading and Mrs. Eriksen showed slides on their trip to Denmark, California and the Atlantic provinces.

Some games of euchre and crokinole were enjoyed, followed by lunch and a social time.

Carmel card party

The weatherman wasn't very nice on Friday night, January 18, but several people journeyed to Carmel for their regular card party. There were eleven tables of euchre.

Ladies' high scorer was Orà Hagerman, second Sharon Sayer second Sharon Sayers and low Roxanne Finch.

Men's high scorer was Jack Dainard, second Sybil Smith playing a man's card and low was James Hoard.

The door prize went to Dennis Grills. Eileen and Harry Brooks, Susan and Paul Brooks, were conveners for the evening. They served lunch and gave out the prizes.

Our next card party will be Friday, February 1, at 8 p.m.

Rembrandt is said to have produced 700 paintings, 500 of which remain.

Ron Reid writes ...

Mephibosheth

Mephibosheth! An unusual name, but the account of his life is a remarkable story. He is not a well-known Bible character, but the story of his life, found mainly in 2 Samuel 9, and known to the serious Bible reader, contains symbol and spiritual substance for the soul. Hence my few lines about Mephibosheth.

Mephibosheth was the grandson of King Saul and the son of Jonathan. He was only about five years old when his father with his grandfather were killed. It was a tragic end for both these noble men, but the young child in the care of his nurse fled lest their lives also be taken. And then the tragedy struck for Mephibosheth. In her haste, his nurse let him fall, breaking both legs.

For the rest of his life, Mephibosheth remained crippled.

Following the war when David was enthroned as King and a measure of peace was restored to the land, it was in the heart of David to shew kindness to any who might have been spared who were of the household of Saul. Following enquiries, David was informed that there remained Mephibosheth, Johnathan's son, crippled, and barely subsisting in a place called Lodebar.

David wasted no time in ordering his servants to call on Mephibosheth and invite him to the Royal Palace. Mephibosheth arrived fearing the worst, but was soon to discover King David had understanding, love, provision and security for the rest of his

life. He accepted the king's gracious offer to sit continually at the King's table and enjoy the warmth and security that David was more than willing to shower upon him.

The story of Mephibosheth and King David, his benefactor, is a beautiful illustration of the Sinner and his Saviour. The story depicts, in part, the great love and kindness of Jesus Christ for sinners seeking to survive in a land of Lodebar, the place of no pasture.

The rayages of sin in the human heart can leave us spiritually crippled with little, if any, strength to rise above our bondage and spiritual disability. That's why the message and ministry of Jesus Christ to fallen humanity is so important. That's why at the commencement of His three-and-a-half

Rev. Ron Reid

years of public ministry. He said: "The Spirit of the Lord is upon me, because he has anointed me to preach the Gospel to the poor; He has sent me to heal the brokenhearted, to preach deliverance to the captives and recovering of sight to the blind, to set at liberty

them that are bruised; to preach the acceptable year of the Lord." (Luke 4:18, 19).

If you are living in Lodebar, (the place of no pasture) hear the call and invitation of the Lord in whom is forgiveness, pardon, peace and provision for every need of the soul.

Pollution conference

BY NANCY WIERDA
Are you concerned about the amount of pollution in our environment today?

If you would like to learn more about this controversial subject, then March 2nd, 1985, is a date to mark on your calendar! The Moira River Conservation Authority, in conjunction

with other local Authorities, will be hosting a Pollution Conference at Loyalist College in Belleville.

This one-day conference is entitled "Pollution, The Environment and Water". Its purpose is to inform the general public on a wide range of pollution-related topics.

Keynote speaker will be Mr. Peter Crabtree, Assistant Director of the Water Resources Branch of the Ministry of the Environment. A panel discussion on acid rain will follow in which Ontario Hydro and possibly Pollution Probe and Environment Canada will take part.

There will be seminar sessions held in both the morning and afternoon. Participants will have a variety of topics to choose from, including Stream Habitat Improvement, Solid Waste Management, Agricultural Pollution, Outdoor Education for Teachers, and many, many more.

The public will be informed soon where to pick up their registration forms. The conference will run from 9 a.m. until 3:15 p.m.

Please call your local Conservation Authority for more information.

Annual Outlook Conference completed

Agriculture Canada has recently completed its 50th Annual Outlook Conference. Most experts are not predicting any major changes in either supply or demand assuming normal weather conditions and a stable political climate.

According to the forecast, beef producers should expect some relief in '85 in the form of higher prices following the current decline in production. In the U.S., slaughter levels are expected to be reduced by 3 to 5 per cent over 1984. Overall cattle numbers in Canada are at low levels and

the economists expect even further declines over the next few years. Prices for A-1 and A-2 steers in Toronto are forecast to follow price movements in the U.S. The average price forecast is \$84 to \$88 per cwt. in the first quarter of 1985 rising to \$85 to \$90 in the second quarter with some slight easing in the last half of the year. Prices for feeders are also expected to be stronger in '85 as the herd liquidation comes to an end.

Little change is expected in the North American hog supplies for 1985 with some

strengthening predicted for prices during the first half of the year due to lower marketings. Larger hog supplies may result in an easing of prices later in the year and into 1986. Expansion phase of Canada's hog production which began in 1983 is forecasted to turn around in the first half of '85 averaging slightly below year earlier rates. However, the lower production will last only through the first half of the year with production increasing during the second half. The prediction is that hog production will remain at the 1984 record level of about 14.5 million head.

Index 100 hogs in Ontario should average in the mid 70's during the first half of '85 and increase seasonally during the third quarter. The average is expected to be about \$2.00 more than '84 at about \$74 per cwt. Any major changes in tariffs with the U.S. would of course affect this price.

In the dairy sector, a static demand for dairy products and the reduction in the export subsidy are expected to

result in a 1.6 per cent decline in milk production during the '85-'86 dairy year. Industrial milk production is predicted to run about 47.1 million hectolitres while total milk production will reach 73.6 million hectolitres. Production of skim milk powder continues to exceed demand adding to the world surplus. Skimmilk powder prices are expected to remain close to the GATT minimum of \$600 a tonne. Milk production costs are not likely to rise significantly due to lower feed costs so that relative profitability of milk production could improve.

Pollock patron

JIM POLLOCK, MPP
Hastings-Peterborough

I was honored to be invited by the Big Brothers and Big Sisters of Centre Hastings to be their honorary patron for the 1985 Bowl for Millions campaign. Bowl for Millions is the main fund-raising project sponsored by Big Brothers and Big Sisters and helps them carry on their most worthwhile work. By bowling or supporting a bowler in this campaign you will be helping many children.

Celebrity Bowl is scheduled for February 9, 1985, and I will start off the afternoon at Tweed Bowling Alley at 1 p.m. Municipal reeves from that area will be joining me at that time and reeves from the Madoc and Marmora area will be bowling at some time during the afternoon at their respective alleys. Federal Members Jack Ellis and Bill Vankoughnet have also been invited. Depending on the time factor, I hope to call at Madoc and Marmora throughout the afternoon. Representatives of various organizations, schools and churches, have been invited to participate at their local centre. As usual these three centres, Tweed, Madoc and Marmora, will be competing to see who can raise the most money for Big Brothers and Big Sisters.

I want to thank and congratulate the merchants in Centre Hastings for their support and supplying prizes for this event. I will be actively seeking pledges for my bowling efforts and hope many will see fit to support me.

With the Provincial Leadership Convention taking place at the end of January, I will certainly endeavor to obtain a pledge from each of the candidates. As in the past, I have been able to obtain a pledge from Premier Bill Davis, and hope to have a pledge for 1985 Bowl For Millions from the new premier, also.

Thurlow approval for non-profit housing

The Township of Thurlow is one of 26 municipalities that has received approval to proceed with municipal non-profit housing units this year. Municipal Affairs and Housing Minister Claude Bennett announced recently.

In addition to 21 senior citizens' rental units being allocated to Thurlow, 25 other Ontario municipalities are also receiving allocations for municipal non-profit housing.

Bennett said he was pleased that the federal government had made an early decision about the 1985 social housing allocations to Ontario.

"This has enabled us to move quickly, identify the communities that will receive assistance and distribute the units to municipalities. They, in turn, can start preparing for early construction starts," he said.

A total of 1,843 rental units will be built under the municipal non-profit housing program which is administered through the province and funded under a federal-provincial agreement.

Through Canada Mortgage and Housing between the federal and provincial governments.

Sentinels by the roadside

BY MIKE SINGLETON

We've all seen them. Stern - almost pompous-looking, they pose atop their "thrones". Some on posts. Others on poles. Many in craggy, twisted trees, reminiscent of haunted castles. Stoically, they survey their domains.

Red-tailed hawks are, by far, Ontario's most common raptor. Immediately distinguished by their large chestnut-red tails, they vary from light brown to almost black. Found everywhere south of tundra, they feed on any mouse-like mammal they can catch - voles, moles, mice and even lemmings.

Unlike most birds of prey, red-tails don't migrate. Instead, they "stake out" a fallow field, roadside or other grassy verge where an abundance of mice and small rodents will sustain them through the winter.

Fluffed and stilled to

conserve energy, they silently pass the winter by, hunched over feet and folded legs to insulate these, their heat-losers. From time to time, they take to wing, soaring high above the fields. Like U-2 pilots, their gaze resolutely fixed below, they search for the tiniest movement.

There! Even from 100 feet the tiny flick of a mouse's head - indetectable by you or I - signals the prey immediately. Another mouse has wandered those treacherous-tunnels from beneath the snow's protective mantle. Drifting lower and lower, the red-tail eases slowly into range. Then, with instantaneous, computer-like precision, the wings draw back, tail redirects, and the hawk pounces with outstretched talons. Sustenance captured, his lordship returns to the throne.

Thus, the red-tails - "tails" as they're called by birders - pass the winter by, awaiting spring's warmth. Triggered by lengthening days and abundant food will come redistribution, pairing and nest-building.

All too soon will come that furious period of nest-building, when thousands upon thousands of sticks must be

gathered and arranged into bulky, conspicuous nests.

Sparsely lined with bark shreds, these platforms will be placed high in either deciduous or coniferous towers. Here, protected from all but the most determined climbers, the 2-4 chicks will hatch, feed voraciously on all manner of shredded morsels and sledge toward adulthood.

We're fortunate in having such an abundance of red-tails in Ontario year-round. They not only provide captivating viewing; they also play a key role in controlling rodent populations. With mouse populations, so also float red-tail numbers. Several adult mice consumed per day preclude literally thousands of progeny per year.

Wise indeed are the landowners who recognize the red-tails' contribution to a healthy landscape. They'll be endowed, not only with a more stable and interesting wildlife system, but also with countless special moments, views of feeding, of stately poses; of young learning their way.

The next sentinel you see deserves a second thought.

Dave McDuff, professional cross-country skier from Ottawa skis through the wilds of Cooper last Saturday

during a ski clinic. McDuff gave tips on skis, waxing and technique during the day-long event.

Thursday bowling

Ladies' high single, January 17, at Thursday Night Bowling went to Dianna Cook, who rolled a 278 game. She went on to total 638 for the ladies' high triple.

Mike Newland was on top for the men, scoring 303 as high single and 704 for men's high triple.

Bowling over 200 were: Dianna Cook, 278, 224; Ken Adams, 237, 232; Cliff Preston, 237, 204; Kim Taylor, 237; Earl Langdon, 225, 221; Brian Sharpe, 224; Jeff Bingham, 213; Ken Moon, 219, 200; Lena Rose, 211; Janice Newland, 210; Leona Cook, 208; Lorne Miller, 205; Clarence D., 204.

Team standings in the first week of series two show Shell in front with four points, Snow Birds second with three points (3001 pinfall), Dianna's Hustlers third with three points (2603 pinfall), Corner Pins fourth with one point (2631 pinfall), Hurricanes fifth with one point (2422 pinfall), and Peepees sixth with no points (2260 pinfall). Mike Newland was winner of the 50-50 draw.

Hurricanes roll over Huskies

BY STEVE COMBOS

The MTM Hurricane pendulum swung the other way last Thursday night in Madoc where they dumped Frankford Huskies 16-4.

The Hurricanes were involved in a similar game situation on home ice early in the season, but the shoe was on the other foot. Gananogue G-Men went home with a 15-4 win to their record.

The Hurricanes skated out last week with pads on straight and looking rested. Randy Gray, Doug Reid and Pat Doran played especially sharp during the first minutes and that edge stayed consistent throughout three periods. They were eventually named stars for their effort.

Doran scored the first goal for Hurricanes only 4:15 into the game, with Reid and Gray making assists. But 10 seconds later, Huskies rushes in for a tie-up goal. Greg Webster scored with Angelo Lentini and Bruce Martin taking assists.

Then things settled into a serious hitting game, that looked as if it could have gone either way. At 9:47, however, Hurricane goalie Dave Bunett missed a slap-shot by Husky Bruce Martin to put Frankford ahead 2-1. Assists were made

though penalties were kept to a minimum.

by Greg Webster and Jim Barnable.

Hurricanes came back in the latter part of period one to score two more goals. The first, with 9:23 left, was made by Dave Nickle, assisted by Tim Willemssen and Barry Smith; and second was scored by Tim Willemssen, with Tom Clement and Dave Nickle making assists.

Period two started with Hurricanes on top again. Gray made it look easy at 2:17 when he took it down for an unassisted goal. The score stood temporarily at 4-2.

Husky Angelo Lentini kept things tight by scoring two minutes later. Assists went to Kirk Baker and Greg Webster.

Then Hurricanes flared red, scoring an amazing five goals in two minutes. The intimidated Husky goalie was benched directly after the fifth goal. Respective Hurricane scorers were: Randy Gray (12:11), Pat Doran (11:22), Brian Hobson

(10:50), Mike Burris (10:23), and Peter Brady (10:11). Assists went to: Barry Smith, Doug Reid (2), Randy Gray, Dale Prevost (2), Pete Brady, Tom Clement, Tim Willemssen and Brian Hobson.

With 4:28 left in the period, Husky Mark McDowell popped a goal in to set the score at 9-3 for Hurricanes. Assists went to Bob Nauss and Angelo Lentini.

An MTM power play goal by Tom Clement ended the period at 10-4. Assists went to Tim Willemssen and Mike Burris.

The Hurricane momentum continued through period three, and they scored five more unassisted goals. Scorers were: Randy Gray (2), Dave Cante, Tom Clement and Pat Doran. Assists went to: Doug Reid (3), Pat Doran (3), Dale Prevost, Kent Jarvis and Randy Gray.

The next Hurricanes home game will be January 22.

Ennismore wins

Havelock Nordic Cresting hosted Ennismore Sunday, January 20, in an exciting game with Ennismore winning 4-3.

Havelock started the action early in the first period when Cory Holland put in the first goal assisted by Bryce Levesque. A few minutes later they reversed order and Bryce Levesque put in the second goal with Cory Holland as-

sisting. Dan LaFrance retaliated by scoring a goal for Ennismore.

Ennismore came on strong in the second period and scored two more by Dan LaFrance and Steve Worr.

The third period stayed scoreless until the last two minutes when Dan LaFrance got Ennismore's 4th goal and Adam Levesque came right back with a See Nordic page 2

NHL Oldtimers play in Norwood

Bill Sutherland is one of Norwood's biggest hockey fans and that's probably one of the reasons this year's Chamber of Commerce Winter Carnival is concluding with an NHL Oldtimers' hockey game. Players like Norm Ullman and Eddie Shack will be facing off against former Peterborough Petes in a contest this Sunday at 5 p.m. in the Norwood arena.

For the many local Toronto Maple Leaf Fans it will be a chance to relive some memories from better times. Eddie Shack was the spark of the Leaf teams throughout the sixties. Although he was rarely a starter he was always in demand when the big guns were flat.

According to Sutherland who is co-ordinating the Carnival, Shack is still the 'Entertainer' and the darling of the crowds.

"We are going to have a very good time this Sunday and I fully expect to fill all 650

seats in the arena. Sutherland told Cembal Publications last week.

Tickets are on sale at the Havelock IGA, Norwood Home Hardware, Friendly Town Shoppe, Lakeways Automotive and most other member businesses. They will not be available at the door on Sunday. "We will only have advance ticket sales so it is important for fans to get their tickets ahead of time and as soon as possible. Tickets have been going very well" said Sutherland.

The Norwood and Havelock tyke teams will provide entertainment between the second and third period to round out the day.

"These were great hockey players in their day and they can still put on a show. I'm looking forward to it and I'm sure everyone will have a great time," said Sutherland.

The members of the NHL Oldtimers will be: Wayne Wood, Bob Wall, Dale Rolfe, Norm

Ullman, Bob Nevin, Mike Pelyk, Bobby Lalonde, Eddie Shack, Jack Valliquette, Dan Hinton and Wayne Carelton. They will play the Goffland Petes: Bob Curtis, Randy Reid, Bob Jamieson, Lorne O'Don-

nell, John Vanderburg, Bill Plager, Greg Marchen, George Godson, Bob Rivard, Bob Lacey, Bill Dobin, Bob Allan, Ted Collins, Don McNeill, Clint Watts, Pat Casey, Bud McDougall, Coach Dan Floyd, Trai-

ner Bill Ainsworth, Manager Bill Woodbeck.

Marmora Peewees place second at tourney

The Marmora I.G.A. Peewees went to Keene on Jan. 5 for a tournament and came up the 'B' runner up. The first game was a loss as they were beaten 5-0 by Tweed. They won their second game 4-1 over Warkworth.

Evan Robinson and Doug Fluke both scored twice and got two assists each. Robbie Cole and Brad Falls got 1 assist each.

In the 'B' Championship game Marmora lost to Keene 5-2. Bernie Cassidy scored both goals with assists going to Todd Ellis (2) Andy Meers (1) and Evan Robinson (1). The Peewee Bs

hosted Stirling on January 8 and won 4-1. Scoring for Marmora was Calvin McKeown assisted by Gordie Morrison and Kevin Nobes. Glen Kelsh with two goals assisted by Casey Price on both, with Kevin Nobes and Kelli Price each assisting once. The fourth goal was scored by Calvin McKeown, assisted by Glen Kelsh and Kevin Nobes.

This team has really put in a lot of hard work to get their game together and so have Garry and Judy Nobes the coach and manager. I hope more spectators will come out and support this team.

Two local racers did well in the snowmobile drag races sponsored by the Norwood Legion

Branch 500 last weekend. Garry Rodgers of Havelock placed first in the 250 supermod class

[left] and Paul Craig of Norwood took to first one in 600 super mod and one in super pro.

Madoc Midgets sweep weekend games

BY ISABELLA SHAW

Madoc Midgets swept three games over the weekend and amassed six points for their efforts.

This brings their league record to 12 wins and two losses for the year.

League play officially ended on January 17, and playoffs started on the 18th of January.

Starting on Friday evening, the Midgets came out in front of a

saw game with Marmora by a 5-4 score. Madoc led 2-0 at the end of first with goals by Duncan Koswika from Chris Daniels and Steve Needham from Dave Denison. Marmora outscored Madoc in the second with four goals by Steve Meers, Kelly Cook, Albert Wood and Kevin Doyle. Assistants went to Steve Bedore, Steve Pascoe, Doyle, Dwayne Bertrand, Wood and Cook.

Madoc's scorers were Duncan Koswika and Paul Hagerman from Murray Stickwood. In the third the teams exchanged goals with Kevin Doyle and Craig Nobes combining for Marmora and Troy Ringelmann and Troy Melvin countering for Madoc. This brings Pete's

goals for the year to 16, which leads the league.

On Sunday the boys travelled to Stirling to win their second by a 5-2 score. Stirling led 2-1 at the end of two, but Madoc scored four unanswered goals in the third to win the game.

Scoring for Madoc were Pete Ringelmann

with two; Scott Chapman with two and Murray Stickwood with one. Assistants went to Paul Alkenbrack, Steve Needham and Troy Melvin.

Finishing the weekend swing, the boys handed Stirling their second loss in as many games by a 5-4 score. At

one point in the game. Madoc trailed by a 4-2 score and three goals in the last four minutes set the stage for the victory.

Duncan Koswika scored the winner with only 12 seconds left in the game. Other scorers were Troy Melvin, Paul Alkenbrack, Dan Powell

and Pete Ringelmann. Pete also had three assists, with Dan Powell and Troy Melvin adding single assists. Pete Ringelmann leads his team in points with 21 goals and 10 assists. He is also currently in front of the league with Troy Eggleton of Stirling in second.

The MVPs were Marc Strassburg (Sweathog) and Tim Thompson (Riverside).

Stirling Peewees' tournament

to eliminate Mt. Bridges by a score of 2-1.

Goals were scored by Drew Allenby and Jason Vanslyke. Drew Allenby was voted most valuable player that game.

In the next game, Stirling Legion elimi-

nated the tough King City team by a score of 3-2. Chris Maybe and Scott Blackburn had their hands full by keeping King City's big gun off the scoreboard. Donny O'Neill and Rodney Torrance played an excellent game and were named MVPs.

In the final game, Stirling lost to Oak Ridge by a score of 4-2. It was a very exciting game. All players have to be complimented for their play in the tournament. They worked hard and the village of Stirling should be proud of their young hockey stars.

Stirling's next game will be Friday night against Lakeview, 7 p.m., on home ice.

Esso doubles Wolf Pack 6-3

assisted.

The third period was much more active with five Esso goals and two for Crookston. Scoring for Esso were Bill Reynolds (Tony Cembal, Cliff Reid), Cliff Reid (Bill Reynolds, Jim

Maloney), Frank Toms (Francis Doyle, Jim Davis), Mark Fluke (Doug Wood, Glen McCoy) and Cliff Reid (Tony Cembal, Bill Reynolds). The Crookston goals were scored by Gary Stapley (Tony Douglas, Tim Thompson)

son) and Brian Levere (Gary Stapley, Tim Thompson).

goal for Havelock. Unfortunately time ran out for Havelock in spite of a strong effort.

On Sat., Jan. 19, Havelock's Nordic Cresting Novices emerged as the "A" runners-up losing to Oshawa 6-1 in the Millbrook Novice Tournament.

Havelock's goal by Adam Levesque assisted by Travis Toms. The boys worked hard all day and should be proud of their effort.

Their first game was against Manvers with Havelock winning 4-1. Havelock went on to play Millbrook in an exciting game that resulted in a 3-5 win in a sudden death overtime period. Good work boys!

Dynamic Stirling Atoms chalk up another championship

BY LINDA MANLOW

The Stirling Atoms were dynamic in King City as they chalked up their 24th consecutive win. The Blues received praise for their outstanding team effort.

The Cooney Farm Blues scored twice in the opening minute against Mount Brides, Andrew Rodgers from Jeff MacRae and Rob

Donohue netted the first. Trevor Torrance from Eric Manlow followed. Danny Striker set up Jeff Ashley for Stirling's third. The second period was scoreless. Torrance added two goals for his hat trick in the third with assists to Manlow and Rutan. Manlow fired in the last shot. Helpers went to Tor-

rance and McMullen. Rob Donohue was selected as MVP of the game. Scott Sharp was in net for the shutout.

Game two had to be the most spectacular match of the entire tournament. The host team, King City, was fired up and led Stirling 2-0 mid-way in the first frame. "Grampa" Tor-

rance decided it was time to move and put in an unassisted goal. With the period coming to a close Manlow tied the score with assists going to Torrance and Reid. Scott Sharp was superb as he robbed King City time and time again. At 3:11 in the second, Manlow from McMullen and Torrance put Stirling in the lead.

At :09 King City tied the score at 3-3. There were several tense moments in the final period but Stirling was victorious as Todd Reid set up Torrance for the winning goal. Eric Manlow received the MVP trophy for the game.

In the 'A' Championship game, Stirling overpowered Oak Ridges 7-0. Rob Donohue put in the first goal unassisted. Jeff Ashley and Danny Striker manoeuvred around the Oak Ridges players until Ashley netted a goal. MacRae from Torrance put in the only second period goal. Manlow scored with his slapshot early in the final frame. Ashley, Striker and Cooney played extremely well. Striker and Ashley passed to Cooney who fired in Stirling's fifth goal. Trevor Torrance made some fantastic moves which resulted in the sixth. Jeff MacRae, who scored the final goal unassisted, received the MVP award for the game.

Stirling received a large team trophy as well as individual tro-

phies for the 'A' championship.

Congratulations Stirling Cooney Farm Atom Blues for a job well done.

NOTE: The King City Tournament had four divisions. Stirling had one in each of Novice, Atom, Pee-wee and Bantam.

Sawkins leads team to victory

BY ISABELLA SHAW

Jeff Sawkins led his hockey team's attack and raised his total for the year to 26 goals and 26 assists, by collecting four goals and adding one assist in Madoc's 7-2 victory over Marmora Pee-wees.

Marmora stayed even with Madoc for the first two periods, seeing the score tied 2-2 at the end of two. But Madoc scored five unanswered goals in the third.

Jeff Sawkins opened

the scoring only 26 seconds into the game with assists going to Paul McMaster and Shawn Chapman. This lead lasted only 52 seconds when Todd Ellis scored the first for Marmora. He was assisted by Evan Robinson and Robbie Cole. Jeff then assisted on Jason Bailey's goal to give Madoc a 2-1 lead at the end of the first.

Marmora scored the only goal in the second at 1:08, on a power play.

Goal scorer was Evan Robinson from Robbie Cole and John Crookery.

In the third, Madoc opened the attack and countered with five goals, two on power plays. Jeff Sawkins scored three with assists going to Robbie Brown, Derek Wood and Paul McMaster. Derek scored the sixth

goal, assisted by Shawn Chapman and Ian Richardson scored unassisted for the seventh.

This brings Madoc's record to 15-1 for the year, with team goals against average at 1.60. They have outscored their opposition 142-26. Their last league game will be on Friday, Jan. 18, also against Marmora.

Atoms 'A' runners-up

BY ISABELLA SHAW

Madoc Atoms travelled to a Colborne hockey tournament on January 5, and came home with the runner-up trophy.

The boys had three very exciting and close games with the outcome up in the air until the final whistle was blown.

The first game was decided in overtime with Madoc coming out in front of a 5-4 decision. Tom Burnside scored the winning goal in overtime, assisted by Chad Bateman and Arnon Tough. Tim Bailey and Brad Phillips scored two goals apiece. Assists went to Phillips with two, Burnside with two and C. Bateman and R. Tokley with singles.

In the second game against Brighton, Madoc came out ahead of a 6-4 game. At the end of the first Madoc was behind 2-0 and led 4-3 at the end of the second.

Brighton came to within one goal with less than four minutes to play when at the 1:01 mark Phillips scored the insurance goal.

Goal scorers were: Scott Tracey with the hat trick; Phillips with two; and Chad Bateman with one. Assists were collected by Tim Bailey, Tom Burnside, Phillips and Tracey.

In the third game, Madoc dropped four goals by midway in the second before the team could get their offense together. In a span of 44 seconds, four goals were scored, 2 by Madoc and two by Warkworth.

Score at the end of second was 5-4 in favor of Warkworth. Each team added a goal apiece to leave the final score 6-5 for Warkworth.

Pointgetters were Phillips with two and Bailey, Bateman and Tracey with singles. Assists went to Tracey with two; Burnside, Davidson, Bailey, Phillips and Bateman with singles.

Congratulations boys to a job well done. Madoc Atoms and Pee-wees will be participating in a tournament in Brighton on January 19 and 20.

Riverside trounces Polaris

Each team had a goal apiece in the first period.

Scoring for Riverside was Glen Wannamaker, assisted by Jason Wright and Tim Black, for Polaris, assisted by John Maloney.

Polaris had two goals in the second period from Jim Tokarewicz (John Maloney, John Crookery (Larry Jones, Kelly Stewart). Riverside had three goals in the second period from Ron Johnston (Jason Wright, Glen Scrivner).

Jason Wright (Darrell Anderson, Roger Johnston) and Tim Thompson (Darrell Anderson, Scott Anderson).

The Riverside team put the game away with three unanswered goals in the third period.

Scoring all three Riverside goals was Ron Johnston. Assists went to Jason Wright (3) and Glen Scrivner (3).

The MVPs were Ron Johnston (Riverside) and Gary Forbes (Polaris).

Madoc defeated by Frankford

Our Novice team are still finding it difficult to put together a winning combination but they put together a strong performance on January 3, in Frankford, to come within one goal of a tie.

Darrd Graham scored his third of the year in the third, assisted by Brian Phillips. In the third Tom Sanford scored his second in league play, assisted by Brad Bateman.

On Saturday the fifth, they hosted Port Hope in exhibition play and again lost a close decision. Score of the game was 2-0 in favor of Port Hope.

Perth to hold annual beauty pageant

The most beautiful girls from Eastern Ontario will gather in Perth this year for the annual Mill Eastern Ontario Pageant on Saturday, March 30.

Orville Buchanan, President of the annual

event, informed our news department today that everything is running smoothly and it looks as if the contest will have another good turnout with twenty to thirty Eastern Ontario communities represent-

ed. Again this year the pageant will take place at Perth and District Collegiate. The girls will meet the judges and take part in special practice sessions throughout the day but the actual show will take

place in the evening when the public is invited.

Mr. Buchanan said he was very happy to announce that Valley Bottling will now sponsor the winner in the Miss Canada Pageant one of the highlights of the winner's agenda. Seeing as the program is taking place in the theme of this year's has chosen "Easter" as the theme of this year's show.

It's also understood that the contestants will be given a chance to

model their own Easter Bonnet as part of the grand opening. Cathy Earle, this year's Miss Eastern Ontario, will be stepping down after a busy year that has taken her to many parades, gatherings, and functions all over the area. Cathy will then become one of over thirty girls who have served as Queen of Eastern Ontario since the pageant started in 1955.

For further information the pageant phone number in Perth is 267-5194

Stirling beats Lakefield two straight

Rebekah's Stirling Midges opened their first playoff round with a home and home series with Lakefield last weekend.

In spite of excellent goaltending by Lakefield's goalie Jeff Evans, the Blues managed to come out of the series with a pair of victories.

The Stirling home game on Saturday opened with a quick goal from Troy Eagleton to put Stirling in the lead.

Lakefield responded with their only tally late in the first period to even the score at 1 apiece. Although there was lots of action and many good scoring opportunities, both goalies defended their territories well until 9:57 of the third frame, when John Genereaux took a pass from Jim Davis and drilled a bullet past the Lakefield netminder, which put Stirling in the lead.

The Blues really started to roll and scored three more times on goals from Brad Thompson and a pair from Curtis King to clinch the opener 5-1.

The game was noteworthy for the fine

passing plays, especially by Jeff Thompson.

When Stirling travelled to Lakefield on Sunday they were met by some determined opposition by the Lakefield squad. Blues fell behind 2-0 in the first frame but came back in the second with two goals by Troy Eagleton to even it up. Thornton of Lakefield put the home team ahead again to end the second period.

In the third period, Stirling scored three unanswered goals to win 5-3. Vaughan Reid

ripped a high shot from the point to net the tying goal and Ian McIntosh notched the winner when it deflected off a defence-man. Jim Davis netted the insurance marker with only four seconds left in the game. Terry Fraser made some excellent saves for the Blues.

Stirling's Blues now go on to meet Bancroft in a home and home series beginning Jan. 25th, at 8:30 in Stirling. Come out and support the home team. Roll Blues, Roll!

Graham and Kehoe with hat trick

Pat Graham and Joe Kehoe each potted hat tricks in an 11-5 decision over Marmora on January 5. Kehoe also added three assists and Graham had one assist.

The score was tied at the end of one period at three each. Madoc led 6-4 at the end of two and pulled away in the third for the 11-5 decision.

Other goal scorers were Wesley Cromwell with two goals and two assists; Jeff Wiggins with two goals and two assists; Gordon Preston scored a single goal.

On the assist side, Dale Sager led the way with five; Mike Goulash had two and Robbie Treverton had one. It's a tight race for the team's scoring leader with Joe Kehoe holding 36 points (16 goals and 20 assists); Dale Sager is second with 35 points (16 goals and 19 assists); and Wesley Cromwell third with 33 points (16 goals and 17 assists).

Robbie Lake and Brad Davidson share goaltending duties for the Peewee Bs.

Dairy Queen Novice Blues introduce #12 Matthew Cooke, a first year player on the

Stirling Rep. team. Matthew who plays left wing has scored two

goals and picked up five assists so far this season.

Sunday, January 27th, 8 p.m. Norwood at Havelock.

J.J. Stewart Novice

Tonight saw the Norwood Novices at home to Keene. This game was very close and entertaining as the teams are fairly evenly matched, but the locals did manage to double the score on the opposition, defeating them 4-2.

Scoring: Chris Heffernan and Greg Holt, each with singles, while Clayton Heffernan added a pair. Assists to:

Ryan Sedgwick 3, Kirk Snettinger 1 and Chris Heffernan 2.

Terjoleen Midgets

On Friday, January 18th, the local Midgets completed their league

Rodgers, Greg Snettinger, Blair Miles and Chris Snettinger. Assists to: D. Crowley 2, A. Hamilton 1, J. Rodgers 1, E. Walsh 1, C. Peary 1, and T. Murray 1.

The Norwood Peeewe team was on the road Sunday, Jan. 20th, for the second game of their two-out-of-three playoff game. This game proved both exciting and very entertain-

ing as there was no score until the 2:41 mark of the third period.

The local's Andrew Hamilton scored the only goal of the game with Chris Snettinger and Mike Kerber assisting. The locals now advance defeating Havelock two straight.

The Norwood Juveniles won their own tournament last Saturday at the Brethun Coliseum in Norwood. Above [left-

right] Front Row, Ken Heffernan, Mike Barr, Sean Olan, Sam Donnelly, Ken McQueen, Bruce Doherty. Back

row, Jason Rodgers, Andy Nelson, Craig Heffernan, Steve Irwin, Shawn Heffernan, Eric Gallagher, Jeff Stewart,

Craig Dart, Mike Courley, Pokey Hynds, Mike Heffernan, Thomas Kerber and Ross Rodgers.

action with a 6-6 tie with the Douro Midgets.

Scoring were: singles to Greg Chamberlain and Mike Payne; while Troy Ward and Bryan Doherty each added two.

PLAYOFFS:

Lynch's Peeewe

The Norwood Peeewe team were at home to Havelock for the first game of the best-two-out-of-three series. The locals managed to double the score on the opposition by a 4-2 count.

Scoring were: Jason

Lynch's Peeewe

Home Hardware Bantams

The Norwood Bantams were also in playoff action tonight with Havelock as their guests; also in a best two out of three.

In this game the opposition seemed very little trouble for the locals as they outscored them by a 10-2 count.

Scoring were: singles to M. Payne and B. Irwin; while Jimmy Crawford and D. Lynch each added two; and R. Buchanan added four.

ing as there was no score until the 2:41 mark of the third period.

The local's Andrew Hamilton scored the only goal of the game with Chris Snettinger and Mike Kerber assisting. The locals now advance defeating Havelock two straight.

Home Hardware Bantams

In the Bantam playoff game on January 20th, the local Bantams came out on top of the opposition Havelock 4-0, taking the two-out-

1, C. Clarke 2, and M. Payne 5.

Branch 300 Juveniles

The juveniles will open their best-three-out-of-five series of playoffs hosting Havelock on Jan. 23rd, at 9 p.m. then return to Havelock Sunday, January 27th.

Upcoming Games

J.J. Stewart Novice: January 24th, Warsaw at Norwood at 6:30 p.m. Lakeway Atoms: January 24th, Douro at Norwood at 7:30 p.m.; January 26th, Norwood at Havelock at 7 p.m.

If the Shoe Fits

by Ralph Heron
Manager

'Foot Lib'

We hear much about 'Women's Lib' but very little about the 'Foot Lib' or 'barefoot' vogue that has occurred among some of our teenagers. With the wholesale damage that has occurred to human feet from outgrown shoes and misfitted shoes, there has got to be something to say for going barefoot. At least the desisting effect of incorrect shoes is not injuring a bare foot. And if the barefoot person were walking along a pure sand beach, soft grass or ground (free of sharp stones, sticks, etc.), it would be purely healthful for the feet. However, on hard city pavement with stones, bits of glass, germs, rubbish, etc. to injure the bare foot, it is a very questionable health practice. Even the Indians wore moccasins against foot damage from unseen hazards. Teenagers — let us fit you with an economical, protective shoe covering that will retain foot freedom as well as foot health.

Local runners do well at meet

Julie-Kay Lang, Colin Lake and Darrin Heasman, students at Centennial Secondary School, competed in several cross country meets from Sydenham High School to York University, Toronto.

Julie-Kay (midget) placed in the top three in every run while Colin (midget) and Darrin (junior) placed in the top 10 in every run.

Bay of Quinte Championships (cross country) were held in Brigh-
ton on October 17, 1984.

Julie-Kay won the silver medalion placing second, Colin won the bronze medalion placing third and Darrin took fourth place.

All three qualified for COSSA Cross Country Championships held at Trillium Valley, Oshawa, October 25, 1984.

Julie-Kay won the bronze medalion placing third, Colin placed sixth and Darrin placed seventh.

Madoc

Madoc Bantam Bs defeated Picton 5-0 in exhibition play on Saturday. Four of these goals were scored in the first.

Derek Lucas opened the scoring at 11:27 assisted by Mike Kehoe. At 9:34 Dwayne Rollins scored from Les Cassibo and Shawn Gray.

Goal number three was scored at 3:40 by Les Cassibo, from Dwayne Rollins. Tony Martin ended scoring in the first with his marker at 2:03 with Mark Richardson drawing an assist.

This was the way the score remained until 5:36 of the third when Clayton Carwell, assisted by Tony Martin, netted the fifth and final goal. Jeff Vilneff and John Chappelle shared in the shutout.

All three qualified for OFSSA Cross Country Final Championships held at Georgetown Golf and Country Club, November 3, 1984.

This was the last of the high school runs and 1200 or more of the province's top runners competed, running in races of 240-500 runners. Colin was unable to go. Julie-Kay came in 33rd and Darrin placed 71. These runners should be congratulated on their excellent performance.

Good work, boys!

Madoc Atoms win 13 straight

BY ISABELLA SHAW
Tom Burnside led the Atoms to their 15th consecutive win this season with a hat trick in league action. Tom

now has 21 goals and 8 assists, second to league scorer Brad Phillips.

scorers, Madoc has placed five. These are: Phillips 1st, Burnside 3rd, Tracey 4th, Bailey 5th and Bateman 9th.

Back to the Frankford victory, final score in the match was 6-2 for Madoc. Burnside opened the scoring only 11 seconds into the game on an unassisted

goal. He scored his second at 6:00 assisted by Scott Tracey and Brad Phillips.

Frankford then scored twice to tie the

score, before Madoc came back with four unanswered goals to win by a four-goal margin.

Other Madoc marksmen were Scott Tracey assisted by Phillips; Tim Bailey from Chad Bateman; Burnside with his third from Phillips and Tracey and Bateman from Bailey.

This win gives Madoc 26 points and a spread

of 15 points over second place Frankford. There are only six league games left on their schedule. Madoc not only leads the league and has the league's leading scorer, but it also has the goalie with best G.A. average. Charlie Brownson has an average of 3.00. This is Charlie's first year in goal. Keep up the good work boys!

Madoc House League action

Results from the week of January 5, saw the Canadians defeat the Hawks 7-5.

Lesley Cassibo led

the attack for the Canadians with three goals and one assist; Kert Rosnuk tallied two goals and one assist; Tom Sandford and Mike

Goulah had single goals; Brian Phillips had an assist.

For the Hawks, Wesley Cromwell and Rob-

bie Treverton scored two goals apiece, while Craig Hill scored a single. The same trio accounted for all the assists.

In the second game the Flyers defeated the Kings 7-4.

Pat Graham scored five goals and Pat Mahoney scored two. All were unassisted but one which was assisted by Mike Goulah. Dale Sager scored twice for the Kings. Single goals went to Joe and Mike Kehoc.

House League is played on Thursday evenings.

Lang and Heasman off to Provincial Meet

Lang and Heasman qualify for provincial championship Oshawa January 19, 1985.

Julie-Kay Lang and Darrin Heasman com-

peted in the Royal Canadian Legion Indoor Track Meet this past Saturday at the Oshawa Civic Centre.

Julie-Kay in midget,

placed third in the 5,000 meter and fifth in the 1500 meter. Darrin, junior, placed fourth in the 5,000 meter and fifth in the 1500 meter.

Both qualified for the Provincial Indoor Track and Field Championships being held at York University, Toronto, on February 9, 1985.

Bancroft dumps Madoc

Madoc Novice players are having trouble finding the target this year and as a result, are losing most of their games.

To date, Madoc has netted six goals in 10 games, which has resulted in one win and one tie. The bright point

about this is that while they are losing they are definitely in all the games and the defense has only allowed 25 goals in 10 games for a 2.50 goals against average.

David Graham leads team scoring with three goals to date.

Cross country skiing

The Warkworth Golf Club is now offering cross country skiing. There are over 7 miles of color coded scenic ski trails which vary in length from .9 to 2.7 miles, challenging the novice, intermediate and expert.

There are four different trails, green .9 miles, orange 1.5 miles, red 2 miles and blue 2.7 miles.

All trails are provided free of charge for your enjoyment and all that we ask is that you stay

off the greens which are marked with flags," said a spokesman for the golf club.

Schools, recreation departments, church groups and families are welcome to have outings or ski parties.

The heated club house facilities will open if enough interest is generated.

This should prove to be a popular site with over 150 acres of picturesque landscape and there is plenty of free parking.

Rosnuk leads House League

BY ISABELLA SHAW

Kert Rosnuk led the Canadians to a 16-3 romp over the Kings in Madoc House League action.

Kert figured in on nine goals with three goals and six assists. Mark Bossio was close behind with four goals and three assists. Lesley Cassibo, Scott Tracey and Mark Richardson had two goals each, with singles going to Brian Phillips, Andrew Chapelle and Joe McGaw.

The Kings' three goals were scored by Todd Matthews with assists going to Robert

Tokley and Jeff Daniels.

A 3-3 tie was the result of the game between the Hawks and the Flyers. Charlie Brownson scored two and Wesley Cromwell scored a single with Dave Hobson registering an assist for the Hawks. The Flyers' marksmen were: Pat Graham, Pat Mahoney and Mark Mahoney. A single assist went to Shawn Gray.

Standings

The Hawks are out in front with 4 wins, 1 loss and a tie for nine points. The Canadians are in second with 4 wins and 2 losses for 8 points.

Canada Works progs. approved

Bill Vankoughnet, M.P. for Hastings-Frontenac-Lennox and Addington, recently confirmed the recent approval of two Canada Works Programs in the constituency. Dugannon Parks Development, based in L'Amable, will receive \$22,552 in order to provide six jobs. The Community Improvement Project in Denbigh and Abinger Townships will create three jobs and receive \$5,836 in funding from Canada Works.

Both projects will

start as soon as possible and end by March 31, 1985.

"These projects provide not only much needed work for many people, but also give the community involved aid in developing and improving their immediate area," Mr. Vankoughnet said.

"It is important to remember that development is vital to growth. I am encouraged and pleased to see such positive participation by these communities in their future."

Pee wee Bs lose to Belleville

BY ISABELLA SHAW

Madoc Pee wee Bs dropped a 5-4 decision to Belleville in exhibition play last Saturday. Belleville led 5-0 at the end of two periods on goals by Daryl Reid from Jim Moir; David Kirkwood from David Bradford; Daryl Reid from Joe Doran and Shane Coles.

Derek Lucas opened the scoring for Madoc at 13:15 unassisted; Pat Graham scored a short-handed goal to bring Madoc within one. This was Pat's sixth short-handed goal this year. Shane Coles from Kyle Blaney gave Belleville the lead by two at 10:54.

Madoc tied the game at 7:28 with goals scored 15 seconds apart. These were

scored by Dale Sager from Jeff Wiggins and Wiggins from Sager and Joe Kehoe. Two minutes later Belleville again pulled

into the lead on a goal by Daryl Reid from Jim Moir. This proved to be the game winner. Final score 5-4 for Belleville.

Gypsy moth spreading

BY STEVE GOMBOS

Canadian Forestry Service says gypsy moths are responsible for 80,600 hectares of moderate to severe defoliation in southeastern Ontario's hardwood forests, which is an increase of 41,000 hectares since 1983.

And they continue to spread. Gordon Howse, head of the service's forest insect and disease survey, says the moth could spread throughout southern Ontario and perhaps even into the north.

"I would regard gypsy moth as the most important forest insect pest in southern Ontario," says Howse.

Almost the entire concentration of gypsy moths are now located in the Tweed District of Ministry of Natural Resources, north of Kingston. Some 52,000 hectares in Tweed's south-east corner are infested. Sharbot Lake, Silver

Lake and Frontenac Provincial Parks have so many of the insects, that the ministry has called a public meeting February 4, to discuss the spread and make proposals for its control.

Howse says the moth spread into Ontario from northern United States, particularly from Pennsylvania and New York. He says the bugs either flew into the Tweed district or were brought by man.

In 1982 MNR said gypsy moths were a threat and proposed spraying with a chemical insecticide called Sevin. The proposal was withdrawn after public outcry that the chemical may be toxic to other wildlife.

Instead, the ministry and Canadian Forestry Service chose a number of small areas in the district to test Sevin against other non-toxic sprays. They also monitored the moths' migra-

tion, how its eggs survived winters and tried manual methods of clearing moth eggs from trees.

Howse says BT (Bacillus Thuringiensis) a biological insecticide, Gyphec, a virus and Sevin did good to excellent in the experiments. He says Sevin performed excellently. BT was "almost as good" and Gyphec was "good, but not as good as BT".

MNR District Manager Ron Kervin says they will propose the use of BT to stop the spread of moths this summer. At the meeting, February 4, in Sharbot Lake Municipal Hall, an entomologist will explain the details of the pesticide and its effect on the environment.

"There is also a new Raid product approved for use as a pesticide in Canada that we may consider," said Kervin.

MacMillan cuts tunes

Eric MacMillan of Ivanhoe, councillor on Huntingdon Township Council, Ontario Hydro employee, musician, songwriter and country singer has just released his first album.

The extended play album released last October, is called "In Your Dreams", also the name of the title song, along with three other tunes called "Turn The Tide", "Whoever You Are" and "Why Oh Why".

The album, recorded at Northumberland 29 studio in Warkworth, has been distributed to 110 radio stations, record companies and producers across Canada. There are also several record outlets selling the record in eastern Ontario.

The company distributing the record is named Realistic Music Productions, which is headed by Eric's wife Wendy. Cost to record the album ran the company \$1,500. Distribution costs have not yet been determined.

MacMillan says playing music is his serious hobby. He started playing guitar at age 13 and moved into rock for a short time, but there was more work in country. He eventually

tried blue grass music, taking up singing in the process. He and a six member blue grass band spent four years travelling to festivals and private events until the number of festivals dwindled. He then decided to switch to country music with a four-member band.

"It's a pretty good hobby," says MacMillan. "I don't take it too seriously. If there's a bad night, you write it off as an amateur. If you have a good night, you say you're getting better. The trick is to get to the point where there aren't any bad nights. It's coming. You can tell. When you start getting phone calls for bookings, you must be doing something right," says MacMillan.

MacMillan has now written 35 country songs. At the time of his recording, he had a total of 30 songs to choose from.

MacMillan's band is called Country Express and includes Chris Whiteman from Cooper, Carl Edwards from Ivanhoe and Gary Chase of Trenton. Chase plays bass guitar, Whiteman plays drums, Edwards plays lead guitar, banjo, harmonica and "a little bit on the fiddle and

vocals". MacMillan plays acoustic guitar and provides vocals.

"This band started as a bar band, but now we do more dances, festivals, carnivals, etcetera. We still do bars, but less," he says.

MacMillan says his main objective is to have other performers do his songs, which is his reason for sending disc and promotion packages to producers.

Before cutting the record, MacMillan sent home "rough tapes" to producers but got no response. Then he was told by people at Performing Rights Association of Canada that to really compete, a performer "should have a professionally mixed demo tape or disc."

"So, that's what we did," says MacMillan, who joined the association last year.

MacMillan says response to the first album was better than he expected. He says some radio channels have indicated that they are playing his songs.

The performer's next step will be to produce another album this summer. He says he hopes to break even on the production of the first album to be able to

Unarmed in Toryland

BY JOHN BENNETT

After registering, getting my pass and finding the media room at the Conservative

convention last weekend in Toronto, my first job was to find local MP Howard Sheppard and interview him for hard news of the Northumberland delegation.

"All of us but one that's 15 from Northumberland, are for Miller. I think he'll win on the third ballot," Sheppard told me Friday night full of confidence.

I caught up to him again Saturday night while the recount of the second ballot was in progress and it was "I think we'll squeak through on the next ballot."

The events of the intervening 24 hours had shaken his confidence at least.

Friday night was speech night. So, I looked for a comfortable chair in one of the areas set aside for the media. That was difficult because the organizers for the various candidates had stolen most of the media chairs to increase their representation on the floor in front of the podium. More chairs meant more signs and supporters. I guess?

Before things really got rolling, though, I managed to lose all four

of my pens and get soaked for a \$2.50 bag of beer nuts. They were good but...

I got quite excited at about 8:40, according to my notes, when I wandered across the convention floor and was nearly knocked down by Bette Stephenson on her way to the Miller Camp. Turned out it wasn't her. Does she have a sister?

The speeches, considered by many to be the key to a successful wind-up to the campaign, I found more than a little boring. I did not hear one single thing I hadn't heard before, nor did I hear a clear promise or statement, just long strings of platitudes. I don't think the delegates were overly impressed either as they seemed to applaud only their man.

My best memories of the speeches came from the McMurtry display. He had the best and the loudest video at the beginning. It's nominators were Hugh McCauley, Allan Eagleson and a couple of other former party presidents. These guys, I know, are the heavyweights behind Bill Davis, his bag men and advisors. Were they trying to tell us that McMurtry was Davis' man?

After McMurtry's speech I noticed that his applause came from more than his section of the crowd but also from throughout the hall.

Wow, I thought, I had my first political insight and at a convention.

Shortly after the speech, I met a friend doing the same thing I was. He had a theory, too. —Davis didn't want his friend Roy humiliated on the first ballot, so was doing everything he could to make sure he got a respectable number of votes on the first ballot.

Looking at my notes now, I notice that my subconscious must have been working at a much different level than my brain because I drew a doodled dive bomber just at the beginning of McMurtry's speech.

I then set out to check out some candidate hospitality. First stop was the CN Tower and Sparkles where Frank Miller's Youth supporters were to party high in the sky and late into the night.

I'll tell you that Miller's Ontario song is pretty catchy, but try listening to it for hours on end. The room was full of preppies swilling beer and eating stale cheese trays. We hung around the bar swilling and munching until

after Frank came in to say a few words and it was a few words. He was finished before I got my notebook out.

So, I had a beer on Frank and toured the top of the tower to take in the view. Then it was off to a non-political pub for a few sips.

Waking in Etobicoke at my in-laws (we don't have hotel expense accounts), I had a feeling that Saturday was going to be a long one and it took me some time to actually get back to the cow palace. I mean the coliseum. I strolled in around two to discover the voting had yet to start!

The first thing I noticed on the convention floor was someone in a Miller Nuke suit—yellow paper coveralls—the type workers at nuclear power plants wear. I took it as symbolism.

I finally got a good picture of Jim Pollock, Hastings-Peterborough MPP. I had tried to get him on Friday night when he was on the podium with Dennis Timbrell, but when I stood up to run over with my camera, I somehow managed to knock down the railing around the media section and a delegate's

finances the production of his second.

He says the new album will incorporate lessons he has learned from the production of the first one. He says one can always see what he didn't do when the album comes out. He says he will be allowed to use the studio's mixing board himself for the second album, rather than producer Andrew Thompson doing all the mixing himself.

Realistic Music Productions now looks after both booking the band and distributing albums. MacMillan says a percentage of money paid for performances and money from record sales goes back into the company.

Wendy is also selling T-shirts, hats and pictures through the company, says MacMillan.

According to reply cards sent back, radio stations in Pembroke and Trenton are playing MacMillan's songs. He says they have not received a reply card from Peterborough, but people have told him they have heard his songs playing. He says the only bad comment so far has been from North Bay, who said the music was "not appropriate" for play on their channel.

"I'll have a better idea when I get 100

cards back with comments," says MacMillan.

He said the next album will be sent more to producers and record

Plea from an unknown youngster

Well here it is another Hockey Season. So I'm writing to you for just one reason. Please don't scream, or curse, or yell. Remember, I am not the NHL.

I'm only nine years old. And can't be bought, traded or sold. I just want to have fun and play the game.

Madoc Bantams eliminated Marmora in the first round of playoffs

last Friday night in Madoc by a score of 6-4. Madoc played well and

walked through their third victory in a row against Marmora in

their best-of-five series. The Madoc crew now go on to play Norwood.

Cooper Carnival coming this weekend

Get your act together. The Cooper Winter Carnival begins this Thursday, January 31, with a euchre party at Cooper Community Centre. The games start at 8 p.m. and a number of prizes will be handed out.

Friday, February 1, will feature a turkey and

ham supper at 5 p.m. in the Centre, with cost set at \$4 for adults and \$2 for children under 12. Friday night at 9 p.m., the dance at Madoc Kiwanis Centre will start. The dance, scheduled to end at 1 a.m., will feature a presentation of "The Citizen of the Year Award", and a

buffet. Tickets for the dance are \$10 per couple (adult). Door prizes will be given.

On Saturday, February 2, at 9:30 a.m. the registrations for a ski poker run will start. The skiers will hit the trail at 10 a.m. At noon that day, a lunch will be for sale.

Also during Saturday, a number of other outdoor activities are planned like sleigh rides, log sawing, games, tobogganing and a 22 calibre rifle shoot, which is scheduled for 2:30 p.m. The shoot will have five

At the January meeting held last Friday at the home of the president, Mrs. Wilma Patrick, planning was begun for the District Annual to be held in Madoc on May 28. More details later.

The program for this meeting was a Travelogue on China by Ada Adams, who spent three weeks there recently. The members had already answered the roll call by giving an interesting fact about China, so were very much interested in hearing, and seeing, more about this country.

Although China can trace its civilization back for 4,000 years, it opened its doors to tourists only six years ago, and we have much to learn.

Madoc OPP Report

During the week of January 15-19, 1985, officers of the Madoc Detachment of the Ontario Provincial Police investigated 38 general occurrences and ten traffic accidents.

During the past week, two persons were charged under the Motorized Snow Vehicle Act.

TRAFFIC ACCIDENTS:

On Jan. 13, 1985, approximately 12:05 p.m., Sarkis Boudakian, age 51, of 821 Kennedy Road, Scarborough, Ont., was northbound on the Boundary Line Road, Marmora Township, when his vehicle collided with the rear of a stopped vehicle occupied by Jack William Bridger, age 60, of Bowmanville, Ontario. A passenger in the Bridger vehicle, Dorothy Bridger, age 57, and Boudakian received minor injuries. Total damage estimate \$2,400.

On Jan. 18, 1985, at approximately 4:40 p.m., a one-car accident

on County Road 8, Rawdon Township, caused an estimated \$7,000 damage to a 1985 Suzuki station wagon, driven by Julia Lorraine Rivers, age 24, of RR 4, Stirling, Ontario. Rivers was westbound when she lost control of her vehicle which skidded into the north ditch and rolled over. Rivers was not injured.

IN THE COURT:

The following cases were heard in Madoc Provincial Court, Criminal Division, on Monday, January 14, 1985.

Paul Stewart Minnie, of Belmont Twp., pled guilty to theft under \$200, and was placed on probation for one year.

David Keith Adrian, of no fixed address, pled guilty to two counts of wilfully setting fire and was sentenced to nine months in jail.

Ross Rollins, of RR 3, Madoc, Ontario, pled guilty to driving a motor vehicle with more than 80 mgs of alcohol in his blood and was fined

\$400.

David Blakely of RR 1, Eldorado, Ontario, pled guilty to impaired driving and was fined \$500 plus six months probation.

Joseph Patrick Hall of RR 1, Apsley, Ontario, pled guilty to driving a motor vehicle with more than 80 mgs of alcohol in his blood and was fined \$300.

During the week of January 20-26, 1985, officers of the Madoc Detachment of the Ontario Provincial Police investigated 41 general occurrences and 5 traffic accidents.

During the past week, three persons were charged with impaired driving, one with liquor offences and two twelve-hour suspensions were issued. Two persons were charged under the motorized snow vehicle act.

Desmond Paul Coulas, age 25, of RR 1, Marlbank, has been charged with impaired driving, failing to provide a breath sample, fail to stop for police and trespass by night.

As a result of an incident on Stoco Road, near the village of Tweed, at approximately 12:55 a.m., Jan. 25,

1985, while conducting spot checks at this location, a vehicle failed to stop when signalled to do so. The driver abandoned his vehicle behind a building a short distance east of the spot check scene and fled on foot across Stoco Lake, pursued by Provincial Constable David Hill of Madoc Detachment. The chase ended approximately two hours later when Coulas was apprehended in the back porch of a residence on the northeast shore of Stoco Lake. During the pursuit the canine unit from Belleville, Constable Robin Russell and his dog Thunder were called to assist and continued the pursuit until Coulas was apprehended approximately two miles from where he had abandoned his vehicle. Coulas will appear in Provincial Court, Madoc, on Feb. 4, 1985.

Rembrandt is said to have produced 700 paintings, 500 of which remain.

Technology blows away journalist

Continued from page 1
Coke. The incident slowed me up some.

I noticed, too, Saturday afternoon, that all the technology used by the radio and TV people and the number of people they use is necessary. I found myself in the Blue Room (Media Room) with dozens of other print writers watching the event on TV—at least until someone on the box mentioned that the next ten minutes were probably the most important in Roy McMurtry's life. Now, that was something I should catch with my camera.

So, I made my way to the McMurtry section,

no mean feat. Everyone else was thinking the same thing and wanted to stand in the same spot I had picked. I was shoved more than once. Well, it turned out to be a lot longer than ten minutes, but I did have my camera pointing at Roy when the vote was announced. I still don't know how the picture turned out.

I stayed where I was until Grossman came over and pinned one of his buttons on McMurtry. Now it was down to three.

I then adjourned to the Blue Room to watch it on TV, read some of the Siove and Pail and got down by impres-

sions. In a sharp analysis, I predicted Miller would win on the second ballot. I wrote, "I just have a feeling that these people want to end this quickly and get to partying. So, it should be Miller on this vote." So much for predictions.

I also noted that my stomach was beginning to groan and I didn't want to pay another \$2 for a sandwich and that I'd managed to stay away from the bar.

Then I positioned myself in front of Miller's camp for the announcement of the second vote. Wrong again—Grossman 514, Miller 659 and Timbrell 508.

Shockingly, to me at least, I felt my first pang of emotion. I felt something for Timbrell when the vote was announced. I don't know why. He represented the people I have been battling politically as long as I can remember, but there I was feeling saddened by his loss. Is that maturity, or was it

because I was unarmed in Toryland?

Then they announced a recount. So, I took the opportunity to wander. The Miller camp was all activity—Frank shaking hands and pinning on buttons—but down at Grossman's section it was much quieter. Timbrell's camp was mainly bewildered.

I finally came upon the photo opportunity I had been looking for. The local MPPs Pollock and Sheppard standing together. Sheppard the Miller man and Pollock and Timbrell man.

I stalked them carefully and waited for Howard to put his arm around Jim and shake his hand. I popped the picture and then Howard slipped him a Miller button. Pollock put it in his pocket.

In response to my

questions, Jim said only that he was going to talk to the rest of the Hastings-Peterborough supporters of Timbrell before saying where he would go, but I knew he'd go to Miller.

When the announcement of the recount showed no change in the numbers, Grossman and Timbrell embraced and it was three to one.

There was no question in my mind, though, and for the first time in two days in T.O., I was right.

Grossman might come close, but he wasn't going to beat Waspy Frank Miller from Muskoka—that was for sure.

And, besides my birthday party was in progress on St. Clair Avenue.

I bid adieu to Toryland.

Why the home on the left shouldn't be heated like the home on the right.

On the left? Bill and Kim, the twins, baby Sarah. They've revitalized their furnace with an electric plenum heater. It's one of the most economical ways to cut winter fuel bills. And they've turned the drafty old attic room into a warm nursery with insulation and inexpensive, easy-to-install baseboard heaters. There's a separate thermostat, so baby's room can be kept at exactly the right temperature without overheating the rest of the house.

On the right? Mike and Stella, empty-nesters. They've installed an add-on electric heat pump to help save money and heat their home in winter and they're looking forward

to the comfort of air conditioning next summer. It was easy to add, cuts their heating costs and adds to the value of their home.

Electric heat provides homeowners with many options for either total or partial conversion. Whatever your needs, there's an electric system that's just right to help you cut costs, without cutting corners on comfort. Once you understand the flexibility of electric heat, other heats just don't look so hot.

Write to Ontario Hydro and ask for your free booklet about satisfied families who installed electric heat. Ontario Hydro, 620 University Avenue, Dept. U4E3 Toronto, Ontario, M5G 1X6.

Bowl for Millions this weekend

By Shirley White
Bowl for Millions week is fast approaching, have you got your pledge sheet yet? Big Brothers and Big Sisters of Centre Hastings are holding their opening day celebrations at the Madoc Bowl on St. Lawrence St., Madoc, on Saturday,

2nd February, from 1 p.m. to 4 p.m.

Hosts will be Jim Pollock, honorary patron, and Jack Martin, Madoc honorary chairman. Jim and Jack will cut the ribbon to officially open the event in the Centre Hastings area, and will be bowl-

ing and welcoming other bowlers. These bowlers will be representatives of the agency, such as board members, co-ordinator Shirley White, Patti Dunford, Madoc area Bowl For Millions co-ordinator, and students from area schools, including little brothers and little sisters with their Big Brothers and Big Sisters.

Additionally, there is Celebrity Day on Saturday, February 9 from 1 p.m. to 4 p.m. at all three area bowling establishments. Celebrity

Day is traditionally the day for area politicians, members of the Chamber of Commerce, service members and all members of the public who are not on a bowling league. Anyone in fact who bowls on that day is a celebrity!

Centre Hastings has high hopes of breaking all records in numbers of bowlers, and in the money that will be raised by the bowlers. Hope to see you either at Tweed Bowl-o-Way, Madoc Bowl, or BelMar Bowl. We guarantee you will have fun!

Birthday supper

A birthday supper for Leland and Edna Richardson was held at Doug and Marilyn's on Saturday evening.

Guests were Don, Adele, Jonathan, Marc, (Ian after a tournament) and Scott Richardson of

Very Important People

People of all ages and all walks of life do important and essential jobs as Red Cross volunteers.

Madoc, Carol, Tracy and Joshua Neal, Dale Neal, Paul and Lynne Neal, Linda and Robert Vance, Monica Richardson and friend Mark, all of Belleville, Dorothy and Brian Richardson.

Everyone enjoyed themselves, then after supper, some took in a hockey game in Marmora, which Jonathan was playing in between Madoc and Marmora.

Slice through Canadian winters.

Every winter a happens - a good old Canadian snow storm hits and sends chills up and down the spines of motorists.

Where's the snow tires? Where's the salt and shovels? Where's the shovel? Can you give me a push?

It's time to light back. Fight back with a vehicle that captures the spirit of a legend - the Samurai.

It's the Suzuki Samurai. A new breed of Suzuki that's only available in Canada.

The new Samurai comes with a peppy 1.3 litre engine, a new 5-speed transmission, and all-season radial tires. All standard. And best of all, with a flick of the wrist you can shift from 2 to 4-wheel drive and go dashing through the snow.

But a Samurai does not thrive on snow alone. On the highway, it's quiet and comfortable. In the city, it's nimble and quick. And everywhere, it's economical to own and operate.

Outside it's all guts and go. But inside it's a study of peace and quiet. With a warm, tasteful interior that's designed for your comfort.

The new Suzuki Samurai. Hardtop. Convertible. And Longbody convertible with removable top. Standard deluxe features or "Super" deluxe features. Make your choice.

When you consider that for prices that start from only \$8,297*, you get many features you'd pay extra for on other vehicles, isn't it time you sat yourself in a Samurai? And set yourself apart?

*Excludes dealer prep, destination and local taxes, etc. Dealer may sell for less.

Suzuki Samurai sets you apart.

Local musher wins Pennsylvania race

Continued from page 1
Brenda have raced in the six-dog maximum, 50-mile race in Pennsylvania. Bob didn't find the race that challenging even though it does cover some very large hills, but he laughed at the preconceptions of the other American racers concerning Canadian racers.

"Right away, I was considered the one to beat because I was Canadian, the only one in the race. They think we live in igloos and use sled dogs to get around so they think we should be good," he laughed. "At the pre-race meeting, one of the organizers tracked a joke

about being in before sunset and then looked right at me," he told Cembal Publications. "That gave me a little added incentive and he was the first one I spoke to when I crossed the finish line with the sun still shining. I told him I didn't want to make a liar out of him."

The man placing second to Bob was Mel Milleron, the winner of the same race last year and a driver who regularly attends the Marmora races. He will be here again this year and there is no doubt he will be trying to beat Bob in his own back yard.

"He's a very good driver," says Allen of

Milleron. "But my dogs are in really good shape. I think we have a good chance of winning the race or even setting a new course record if the weather and snow hold up."

Bob thinks he can do well in this year's race despite the poor showing last year. "I put a lot of miles on my dogs last year but, while they were tough, they weren't fast. This year, Brenda and I changed the training program for our dogs and now they're fast. They thought that Pennsylvania race was easy. We didn't have as many miles on our dogs as most of the other racers did, but our miles were quality miles," he said.

"That's what counts." But Bob seems to have a lot of things going for him. Besides having a fiancée who shares his love for dogs and racing, he's also got a good combination of dogs. Two of the dogs come from John Patton's team that raced up north last year, he's got some of Ted Sexsmith's dogs (Ted was the winner of the 60-mile race in Marmora last year) and another member of his team is Boogie Bear. That

name may not be as familiar to race fans, but maybe Marmora is. That's right, one of Bob's team is that cute little puppy that was photographed so much one year inside the Marmora Cup.

Conditions in Pennsylvania were pretty tough, Bob said. "They had two feet of snow on the ground and they got about another foot during the race," he said. "We had to break a lot of trail and it was blowing hard too."

Weather conditions deteriorated after to race and Bob and Brenda nearly didn't make it back. They just made it onto highways before they were closed. "We got back about midnight Sunday night."

When Bob went up to pick up his trophy, he made an announcement about the Marmora race. "It sounded to me like everyone there was coming here. I think it's going to be a big race this year. I wouldn't be surprised to see 50 drivers."

Trinity UCW meets

BY VIOLA
WANNAMAKER
The Trinity UCW Unit 1 enjoyed a potluck dinner at 12 o'clock at the home of Verna Empey.

There were 14 members to enjoy the lovely meal including our minister Annette Reinhardt, who has enjoyed a three-week holiday at her home at Waterloo.

Following the dinner the meeting was brought to order with our leader, Vera Smith, welcoming all present. Hymn 16 "From All That Dwell Below the Skies" was sung, followed by Psalm 117, "The Lord's Prayer" and the "Purpose"

The meditation was "Post Christmas".

The minutes were read by Verna Empey.

The scripture was taken from Gen. Ch. 8, verses 1-15, read alternately by the members for the roll.

Thank-you cards were received from Anna

Carman, Velma Carman, Elizabeth Embury and Walter Wannamaker for lovely plates of goodies at Christmas.

Jewel Parks was also remembered at Christmas with treats.

A letter was read concerning "Women of Canada" from the Pres-

byterial.

The treasurer's reports were given by Eva Brownson and Ruby Brady and Reta Alore gave the card report. A card was signed by all the members to be sent to Helen McMurray who has been in the hospital in Belleville.

The worship was conducted by Lottie Bailey reading a poem "Because Jesus Cares" and "Jesus Acceptive", also "Behold I Make Everything New". Prayer followed. The offering was taken and dedicated.

The program was led by Hilda Devolin. A verse of "What a Friend We Have in Jesus" was sung. A skit was put on by Verna Empey, Hilda Devolin, Hattie Brownson, Luella Parks and Lottie Bailey, entitled "Moon Daze".

Hilda also stressed we should have interests in handwork and other interests for the community.

The program closed with prayer and the Hebrew Benediction, 762 in back of hymn book.

Happy Wanderers meet

BY VIOLA
WANNAMAKER
The Happy Wanderers Senior Citizens Club 473 joined together for a potluck dinner Wednesday at 12 o'clock.

There was a small gathering because of colds and flu. Hope all will soon be better and able to attend.

Following the dinner, the meeting opened with the president, Goldie Holmes, reading a poem, "Sharing Our Happiness". O'Canada was sung with Viola Wannamaker at the piano, followed by prayer.

The minutes were read by Annie Altt.

Costan Parankuk gave the bus report. There

will be a bus going to Belleville January 28, leaving the apartments on Wellington St. at 10:15 a.m. and 10:30 from the church. The cost is \$3 for seniors.

On February 9, there will be Norwood's Country Jamboree at 8 o'clock. The cost is \$3 for the bus and \$3.50 to enter the Jamboree. This will be held in the Town Hall. Bus will leave the apartments at 6:30 p.m.

On February 13, there will be a chicken dinner at 12 o'clock, with a play following put on by the Senior Citizens.

Goldie read some jokes. A thank-you card was received from Margaret Denyer, also a thank-you card from the Broadworth family.

The door prize was

won by Ruby Parankuk. Annie Altt thanked the club for the sympathy card she received when a son died.

The "Drop-in" will be held at the Legion Hall next Wednesday starting at 1 o'clock.

The meeting closed with the singing of God Save The Queen. Bingo was played for the remainder of the afternoon.

Marmora Midgets now showing true colours

BY SUSAN M. CUDDY
The Marmora Midgets have kept a low profile through the season play, but now that playoffs are here the boys are ready to show off their true talent.
In a round robin series with Madoc and Tweed, Marmora has two wins and one loss so far. The first game was in Marmora against Madoc.
Kevin Terrier scored an unassisted goal in the first minute of the game to get under way. Doug McCoy of Madoc tied the score but Steve Bedore put Marmora ahead. Madoc took advantage of some golden opportunities and scored four straight goals. Craig Nobes

scored two in a row assisted by Greg McCurdy on one to tighten up the score, but Madoc got one more to win 6-4.
On Jan. 22nd, Marmora travelled to Madoc for a good hard game and a solid win of 6-2 for Marmora. The boys dominated the scoring in the first period getting four goals. Tim Cassidy, assisted by Steve Meers and Chad McCurdy, got the first goal. Kevin Terrier scored two goals, one unassisted and one assisted by Jeff Clemens. Craig Nobes was next to score assisted by Kevin Terrier. Kevin Terrier scored his third goal unassisted.
Madoc scored their only two goals in the

third period before Terrier was able to score goal number four to give him nine points. Marmora's final goal was scored by Steve Meers assisted by Kevin Doyle.
Two days later the Ten goals and 22 penalties later, Campbellford had defeated Havelock 6-4 in TVL action on Jan. 16. The game was spirited, but say the least, but Campbellford left the ice leading on the scoreboard as well as in penalties taken during the game.
Ken King of Havelock opened the scoring in the game at 9:06 of the

high-flying Midgets hosted Tweed and added another victory to their total. Marmora scored eight straight goals before Tweed was able to get on the scoreboard. The eight goals were scored by Steve Bedore (2), Steve Meers (2), Craig Nobes (1), Kevin Doyle (1), Greg McCurdy (1), Terry Deline (1), Assist went to Kevin Terrier (2), Tim Cassidy (2), Dwayne Bertrand (1), Kelly Cook (1), Terry

Deline (1), Steve Pascoe (1), Albert Wood (1), Jeff Clemens (1), and Shawn Park (1).
Tweed scored once then Terry Deline, assisted by Craig Nobes and Steve Bedore scored.
From that point on, Campbellford took advantage of their opportunities with the result that E. Grills scored at 5:39 with R. Haggerman assisting and J. Vandervoort scored at 4:45 with J. Pearson assisting.
Campbellford took 41 minutes in penalties while Havelock took 21 with each team receiving fighting majors.

second with Ken King drawing an assist. Just six seconds later, R. Haggerman scored for Campbellford with J. Pearson assisting. Campbellford then upped the score to 4-2 on two goals R. Tinney, K. Sharp assisted on the first one at 11:45 and R. McDonald and K. Free assisted on the second goal at 6:02.
The third period opened with Havelock getting back in the game. Jeff Foss scored twice at 12:52 and 9:47 with assists going to Craig Smith and Ken King on the first goal and to Bryce Bedore and Mike Roffey on the second goal. But that was to be the end of the scoring for Havelock although they did bounce a few shots of the goalposts.

Campbellford outifts Havelock 6-4
From that point on, Campbellford took advantage of their opportunities with the result that E. Grills scored at 5:39 with R. Haggerman assisting and J. Vandervoort scored at 4:45 with J. Pearson assisting.
Campbellford took 41 minutes in penalties while Havelock took 21 with each team receiving fighting majors.

Alfred Bongard may be in his eighties, but that didn't stop him from coming to centre ice at the Norwood arena on

Sunday to drop the puck for the game featuring the NHL Oldtimers and the Liflock Giffland Pates. In case you

didn't recognize the man on the right, that's Norm Ullman. He was joined on the ice by such former greats as Eddie

Shack, Mike Pelyk, Bob Nevin, Jack Valiquette, Bill Plager, Bobby LaLonde and Wayne Rutledge.

Burnside MVP at Brighton

Tom Burnside received the MVP for his play in the Brighton Atom tournament over the weekend. Madoc Atoms brought home the Atom "B" Championship in the six-team tournament.
Madoc opened the tournament by losing a heartbreaker to Colborne by the score of 3-2 in overtime. Coming from behind a 1-0 score, Madoc tied it at 4:29 on a goal by Bailey, assisted by Phillips and Hobson. An unassisted goal early in the second, by Phillips put Madoc into a one-goal lead. This lead lasted until 4:37 of the third when Colborne tied the score. This set the stage for sudden death overtime, which Colborne won at 2:55.
The game also counted as a schedule game between these two teams. Score being as at end of regulation play.
This loss dropped them to the B side and pitted them against Frankford. Two goals by Brad Phillips and two by Scott Tracey put them into a 4-0 lead before Frankford scored. Assist went to D. Hobson, C. Bateman and T. Bailey.
Then Frankford brought the score within one, on three goals within a minute, 35 seconds. Goals were exchanged before Madoc salted it away with four unanswered goals.
Merksmen were Tim Bailey from Dave Hobson, Chad Bateman from Bailey and Tracey; Scott Tracey from Phillips and Robert Tokley; Todd Matthews from Arron Tough and B. Phillips and Bateman

from Tracey.
On Sunday the boys played their third game and had an easy victory to win the B Championship, defeating Oshawa Canadians 9-0.
Tom Burnside scored the hat trick; Scott Tracey had two goals; single goals went to Tim Bailey, Brad Phillips, Chad Bateman and

his first of the year, Kevin Lake. The Lake shuffle finally worked, eh, Kevin? Assists on this goal went to Todd Matthews and Arron Tough. Other assists went to Phillips, Derek Davidson, Robert Tokley and Tom Burnside.
Congratulations boys!
Hats off to Novice Blues
Dairy Queen Novice Blues travelled to King City for tournament play on January 19 and 20, coming home with a victory but not for lack of good team play.
In game one, against Mt. Brydges, Stirling was defeated by a score of 5-4 in an exciting, evenly-matched game. Dale Kahler, who has moved out of the goalie position, fired in Stirling's first goal on a pass from Neil Watson and Bobby Allen. Tre-

Stirling ties Lakefield 2-2

With the regular season coming to a close, the Legion Pee-wees battled to a 2-2 tie with Lakefield last Wednesday night in Lakefield.
Stirling really never got going. Stirling's first goal came from Adam Kostin on a beautiful pass from Jason Vanslyke to put the Blues up 1-0. Then Trevor Wallace scored less than a minute later with an assist going to Rodney Torrance, the Blues' goalie. That was all the goals for the Blues. Lakefield never let up and came back to tie the game with six minutes remaining.
On Friday night last in Stirling, the home team completely outclassed, outplayed and outshot the Lakefield team, to send them home defeated by a score of 8-1.

Drew Allen led the way with two goals and an assist. Trevor Wallace scored two goals and made one assist. Dennis Murray put two in, Chris made one goal and one assist, while Scott Blackburn scored one goal. Glen Mc-

Donald had two assists and played quite well for the Stirling Pee-wees.
On Sunday, Stirling Pee-wees fought back to tie Brighton by a score of 2-2. Two of the Stirling players were out of the game because of injuries: Drew Allen by and Tony Brett.
The whole club came together and worked very hard. Dennis Murray and Trevor Wallace scored for Stirling, while Bill Pickering played an excellent game on defence.

goals by Cal Larmer and Cory Holland (2). Assists by Jason Fitzpatrick, Jamie Menzies and Bryce Levesque.
Havelock Nordic Cresting Novices hosted Hastings on Sun., Jan. 27, and skated to an 11-0 win. Havelock goals by Jason Marandui, Cory Holland (4), Jason Stockdale, Kevin Larmer (2), Cal Larmer and Adam Levesque (2). Assists to Jason Stockdale and Bryce Levesque.

Havelock Novices tie 4-4

On Jan. 24, Havelock Nordic Cresting Novices travelled to Douro and skated to a 4-4 tie. In the first period Havelock started the scoring with Adam Levesque, assisted by Kevin Larmer. Douro's Jason Labossiere, assisted by Kirk Johnson, tied it up.
In the second period, Jason Labossiere moved Douro ahead by one. Not to be outdone, Havelock's Kevin Larmer, assisted by Adam

Levesque, put one in. In the third period, Douro put in two quick goals by Jason Labossiere and Kirk Johnson. Havelock put on the steam and retaliated with two goals in the last 14 minutes of the game by Cory Holland, assisted by Adam Levesque and Adam Levesque, assisted by Kevin Larmer.
Havelock travelled to Ennismore on Sat., Jan. 26, and were soundly beaten 7-3. Havelock

Madoc Ringette wins again

On Sunday, January 20, Madoc Junior Ringette team hosted Warkworth and skated away with a 6-0 win.
Madoc led 3-0 at the end of the first period with Michelle Devolin assisted by Anna Dennison, Lisa Rollins assisted by Michelle Devolin and Andrea Peters assisted by Leanne Phillips.
Excellent passing and forechecking resulted in three more goals in the final period. Scoring were: Suzie Kellar assisted by Terri Downey, Mary Brownson assisted by Leanne Empey and Andrea Peters assisted by Lisa Rollins.
Crystal Tough had the shut-out.

Darryl Dafoe earned the MVP trophy for his super defensive play.
Once again Stirling was to face Mt. Brydges for the B championship, but were defeated 4 to 2.
Greg Barr scored Stirling's two goals while Pat Jeffs and Darryl Dafoe each earned one assist. Congratulations to Pat Jeffs who was presented with the MVP trophy for a game well played.
Hats off to a fine goalie, Greg Woodbeck, who made some spectacular saves in all the games and really kept Stirling so evenly matched throughout the tournament.

Norwood Minor Hockey

Branch 300 Juveniles
The Norwood Juveniles hosted Havelock for the first game of the best-of-five OMHA playoffs. In this contest the locals had little trouble outscoring the opposition 8-1.

J.J. Stewart Novice

In league play on Jan. 24, the local Novice team played host to Warsaw. This proved very entertaining with Warsaw jumping in with two first period goals.

The locals scored the only goal of the second

period, while four were scored in the third period, two to each team.

The final score saw the opposition slip past the home squad 4-3. Scoring were: Clayton Heffernan from R. Sedgwick and G. Holt. Two were scored by

Chris Heffernan with assists going to B. Beggs and J. Quinlan (2).

Lakeway Atoms

Tonight also saw the Norwood Atoms in league action with Douro as their guests. This game proved very little trouble for the locals as they outscored the opposition 7-3.

Scoring were: M. Stewart, J. Jones and S. Ross, J. Hamilton and B. Wilford, each with singles, while D. Miles added two. Assists to R. Murray 2, D. Miles 1, S. Montgomery 2, S. Ross 1, J. Hamilton 1, M. Stewart 1, and R. Walsh 1.

Terjoleen Midget

While waiting their round of OMHA play-downs, this team hosted a Peterborough Midget team. In this game the locals outshot the opposition by a 9-4 count.

J.J. Stewart Novice, Feb. 5, Norwood at Keene.

Lakeway Atoms, Jan. 31, Warsaw at Norwood.

Coonie Blues celebrate 25th

On Jan. 21, the Stirling Atoms upset Campbellford 5-0 for their 25th consecutive win.

Trevor Torrance from Jeff McMullen put in the first goal. Rodgers from Donohoe and Reid scored the next.

In the second period it was Torrance assisted by Manlow. Goals in the third period were re-

lated to MacRae and Donohoe. Picking up one assist each were Reid, Donohoe and Rodgers.

Scott Sharp played well in net.

It took a little more effort to extend their winning streak as the Cooney Farm Atom Blues edged Bancroft 2-1 in league play Jan. 26.

Early in the first period, Torrance and Manlow put the puck in front of the net and Jeff McMullen tipped it in. Midway in the second frame, Bancroft tied the score.

End-to-end hockey continued until 2:30 in the third period. McMullen from Manlow scored the winning goal.

Marmora Minor Hockey action

Marmora Minor Hockey started their playoff schedule with the exception of the Atoms.

The IGA PeeWees are in a round robin series with Madoc, Tweed and Colborne. On Friday night they played in Madoc and were defeated 6-3. Sunday, Tweed was in Marmora for the second game which, Marmora won 5-2. On Fri., January 25, Madoc comes to Marmora for a 7 p.m. game.

The DVSA Bantams are facing Madoc in a best-of-five series. The first game was in Madoc on Jan. 18, with Madoc winning a close game 5-4. The series continued Saturday in Marmora with another close game of 3-2.

The boys were extremely tired at the end of the game as a result of the splendid effort given during the game.

Scoring for Marmora was Tony Martin, as-

sisted by Kevin Doyle and Jeff Clemens, and Kevin Doyle unassisted. These two teams met Friday night in Madoc and Saturday night in Marmora.

The Marmora Lions Atoms travelled to Madoc for a season game which ended in a 1-1 tie. Tim Bailey scored for Madoc in the first period and Brad McNevin, assisted by Bill Beckford, scored for Marmora in the third.

A word about the goaltending of both goalies, Charlie Brownson for Madoc and Tony Bowen for Marmora is not necessary in the

game. The score tells it all.

On Saturday night, Marmora was at home to Frankford for an exciting game despite the 4-3 loss. The goal scoring was back and forth through the whole game but Frankford got the last one for the win.

Scoring for Marmora was Jason Nicolson with another hat trick. Assisting Nicolson were Brad McNevin on the first goal, Kevin Hutchings on the second, but he was unassisted on the third.

Marmora hosts Madoc on Sat., Jan. 26, at 7 p.m.

Hastings ringette

The Hastings Petite team was busy this past weekend. They took part in the Norwood Winter Carnival by playing an exhibition game in the Norwood Arena on Saturday evening. On Sunday afternoon the team hosted Warsaw in a league game.

A great improvement was noticed in the new Warsaw team. It was a close game with the score tied halfway through the second period. Then Warsaw went ahead with three quick goals to win the game 8-5.

Scoring for Hastings

were Karen McCall with three and Jennifer Dwyer with two. Assists were credited to Janice Beavis, Shawna McCoy and Krista Fleming.

On Sunday, the Belle team travelled to Wood-Say Ringette page 6A

Manager

New Family
in Town

A new family moves into
town. They ask ques-
tions about doctor and
dentist which stores to
shop in, repaireman,
beautician, etc. Will they
ask where they can find
a qualified shoefitter to
correctly fit the family's
shoes and maintain foot
health and comfort? They
should ask.

How many things are
more important than
healthy feet? Ask the
man or woman who hob-
bles with aching feet -
who winces with each
fruitful step. If a \$50
dress or \$100 suit
doesn't exactly fit you,
no real harm done. But a
misfit pair of shoes can
make you miserable and
can cause corns, bun-
ions, or worse foot dis-
orders that can plague
you a lifetime.
Ask around - who is a
capable and conscien-
tious shoefitter in your
town - then, for 'feet
sake' patronize him.

Barry's Sunoco Bantam Tournament

against Woodville with Woodville winning this one 5-2. The fifth game was between Tamworth and Pickering. Pickering won by 5-2. The last game of the first round was a real nail-biter

with Thornton scoring in the empty net with 20 seconds remaining to defeat Godfrey by a score of 2-0.

That set the stage for the next games' winners going to the A championship and losers to the B. The local Barry's Sunoco team took on a strong Ottawa team in the consolation round, being defeated by a score of 7-2. Then came two thrilling games on the B side with the two Oshawa teams meeting with the Black

hawks defeating the Canadians 1-0. The other game saw Godfrey defeat Tamworth 8-2. On a points system Ottawa and Godfrey advanced to the final of the B championship with Godfrey squeaking past Ottawa by 4 goals to 3.

On the A championship side, St. John's Peterborough defeated All Saints Peterborough in a rough and tough game by a score of 8-5. The other two games were really exciting

with Woodville getting past a tough St. Annes side by a score of 7-4. The last game before the finals saw Pickering defeat a strong Thornton team 7-3.

The points system was really close in this division with Woodville going against Pickering in a real championship thriller. Woodville eventually came out on top winning by a score of 4-1 and becoming the A. Champs.

Tournament director, Dennis Wilson and the rest of the executive would like to thank all the teams who took part. Also the Ladies Auxiliary for the fine food provided, the Lions Club for the trophies, Designer trophies, Havlock Garden Restaurant and Albert's Motor Sales for the M.V.P. awards. The arena staff, Harold Adley, the Juvenile boys and Pee-Wee boys for their help during the day. A special thank you to Don Whitney for bringing the V.C.R. and movies and keeping the boys amused between games.

The next tournament is the Novice (Nordic Cresting) tournament which takes place at the arena on Saturday February 23rd. Please come out and support the little guys.

Ringette

Continued from 2A. ville for a tournament. Despite losing both their games, everyone enjoyed the day.

Stayer was the opponent in the first game and the final score was 8-0 in their favor. The play was not lopsided as the score would indicate, just that the girls could not put the ring past the Stayer goalie.

In the second game, they played Port Perry. Some good passing produced better results on the scoreboard with Barb Wellman scoring a hat trick and Susan Oliver connecting with two. Assist went to Karen Lynch, Karen Sullivan and Barb Wellman.

On Wednesday evening, the Junior team will host Warkworth in Hastings at 7 p.m.

MEMORIALS

EMERY - In Loving memory of our dear father, father-in-law & grandfather Roy, who passed away 2 years ago Feb. 2, 1983. Dad is such a special word. A word that brings to mind. A big warm smile. A helping hand. A word to be kind. Devotion to the family. A word of patience too. "Dad" is such a special word. Because he stands for you. Always remembered by Bob, Pat & grandchildren Diana & Blair. 1-11

KEATING - In loving memory of a dear mother, Estie Keating (Whitely), who passed away January 30, 1984. Time takes away the edge of grief. But memory turns back every leaf. Always remembered by Bud, Hazel & family. 1-11

EMERY - In loving memory of a dear husband, Roy, who passed away February 2, 1983. As time unfolds another year. Memories keep you ever near. Silent thoughts of times together. Hold memories that will last forever. If I could have one life time wish. One dream that could come true. I'd pray to God with all my heart for yesterday and you. Remembered, treasured always, wife Mary. 1-11

ROSE, William In loving memory of our dear father & grandfather who has gone on before us. free from pain. Jan. 2, 1984. To my dear father, When the family meets & You're not there, No one knows the grief we share. What we'd give if we could say, Hello Dad in the same old way. So you who have a father, Cherish him with care. For you'll never know the heartache. Till you see his vacant chair. Too dearly loved to be forgotten by daughter Joyce son-in-law Don grandchildren Rodney & Roxanne. 1-11

EARL sadly missed along life's way quietly remembered everyday. No longer in our lives to share. But in our hearts he's always there. Only a memory of bygone days. And a sigh for a face unseen. A constant feeling that God alone knows best. What should have been. Sadly missed by Eleanor, children, sisters, brothers grandchildren and friends Earl Walter Anderson died January 26, 1984. 1-11

ROSE William In loving memory of my dear husband who passed away one year ago Jan. 31, 1984. In tears I watched you smiling. I watched you fade away. My heart was almost broken. You fought so hard to stay. Then you went so suddenly. You didn't have time to say goodbye. But when I saw you sleeping so peacefully from pain. I could not wish you back again. Lovingly remembered by wife Myrtle. 1-11
